GENOCIDUL PLANETAR si CABALA-interviu -Benjamin Fullford

INTERVIU EXCLUSIV,BENJAMIN FULLFORD- DE DAVID WILCOCK

NOU-18 oct,mai jos exista un update-**inca un update 21 Oct.** update 25-10-11 B.Fullford english version is down the page after romanian translation

David Wilcock: "MULTE baze subterane sunt acum complet curatate... materiale, echipamente si personal... d

e catre forte inca necunoscute.

O coalitie internationala, care intentioneaza sa darama Vechea Ordine Mondiala si sa elibereze umanitatea din sclavie, isi asuma responsabilitatea. Ei par sa aibe asistenta ExtraTerestra in misiunea lor."

- Doua uriase orase subterane au fost distruse pe data de August 23, de 2 bombe atomice(sau altceva necunoscut) in zona partii de sud a orasului Washington Dc,Virginia se pare ca epicentrul a fost in Mineral town,si in Colorado linga Denver.La stiri au fost semnalate cutremure avand magnitudinea 5,3 si 5,9 care aveau o scala neobisnuita de manifestare,nespecifica unor cutremure naturale,pe data de 23 august 2011 .Deasemenea au fost inregistrate sunete neobisnuite in intregul oras!!!
- 80 de tari diferite a

u format acum o alianta impotriva Vechii Ordini Mondiale/ asa zisi Illuminati care de fapt nu sunt deloc iluminati!

"PANA LA 60 000 DE MORTI- SI NIMENI DIN INTERIOR NU ESTE IN SIGURANTA

Inteligenta mea imi sugereaza ca este posibil ca in acel moment cand(explozia) s-a descarcat, in fiecare din aceste doua orase subterane sa fi fost pana la 30.000 de oameni. Deci discutam cu privire la potentialul de 60.000 de decese.

Vorbim de asemenea cu privire la potentialul pe care oricine altcineva care lucreaza pentru aceste programe si care este intr-unul din aceste instalatii, care poate fi subterana sau posibil departe de lume, cum ar fi intr-o statie spatia, pe Luna sau in alta parte...e acum total singur si nepazit.

Ei nu vor fi protejati. Ei nu sunt in siguranta. Si superiorii lor nu ii informeaza cu privire la riscul in care sunt fiindca se afla in locatiile acelea".

Ceea ce este bine de observat de catre orice om inzestrat cu inteligenta si bun simt,nici o agentie oficiala de stiri nu indrazneste sa dea pe post toate aceste fapte si relatari in lumina reala a ceea se petrece(dincolo de perdeaua de fum pe care ei o arunca larg pe ecranele televizoarelor cu intentia clara ca noi sa ramanem zapaciti si confuzi,pt a fi usor controlati)care dealtfel sunt foarte bine documentate dupa cum urmeaza.Faptul ca nu indraznesc deocamdata sa recunoasca,desi evidentele sunt inevitabile si zdrobitoare,toate acestea arata clar cat de speriasi sunt de ceea ce "ei" stiu deja ca va urma!!!

Miercuri, 14 Septembrie 2011, i-am luat interviul uneia dintre cele mai interesante si controversate personalitati de pe Pamant.

Transcrierea completa a acestui interviu urmeaza- si o puteti downloada si asculta chiar voi aici:

BENJAMIN FULFORD: 30 DE ANI CA JURNALIST FINANCIAR

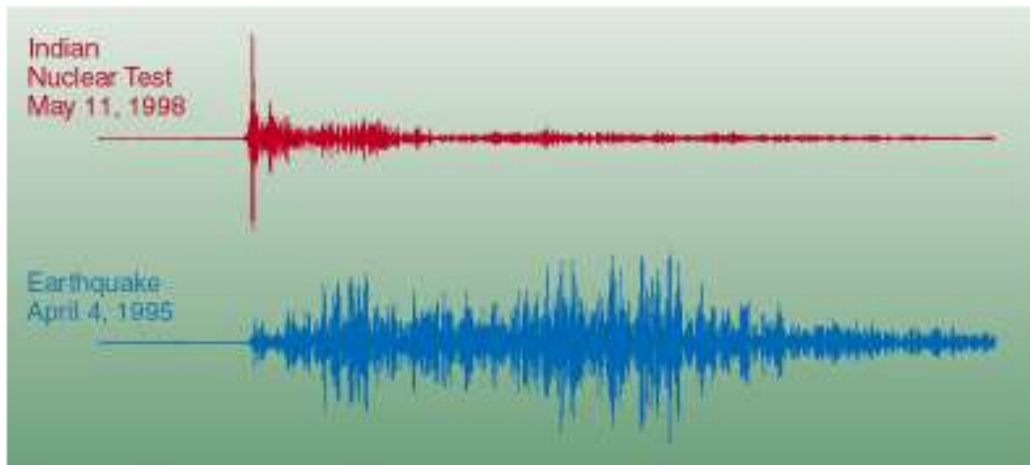

Figure 2. Seismograms of the Indian nuclear test (top) and a representative nearby earthquake (bottom) recorded at the seismic station at Nilore, Pakistan. These seismic signatures for an explosion and earthquake are typical and clearly distinguish one from the other.

Fulford a lucrat pentru Revista Forbes ca editor pentru regiunea Asia Pacifica. Oamenii au incercat sa atace credibilitatea lui in legatura cu asta inainte, dar este documentat. Am verificat referintele chiar eu.

Recomand cu caldura sa mergeti la benjaminfulford.typepad.com chiar acum,

astfel ca sunt doua noi actualizari majore pe acest site(1, 2) care ofera amanuntit, informatii aditionale in legatura cu tot ce discutam aici.)

(Fulford) a fost mentionat de Stephen Colbert intr-un show discutand despre asa numitii Illuminati. (Defilati aproape o treime din pagina in josul ei pentru a vedea video-ul.)

Voi spune de asemenea ca Fulford are contact cu un numar incredibil de diferite surse. El pare sa se retraga din a declara cine sunt aceste surse- atat cat este uman posibil. preambul-Sub numele de Noua Ordine Mondială (New World Order) se ascund organizatii, institutii si indivizi, grupati într-o rețea intercorelată. Această grupare

ocultă planetară nu cunoaște limite statale, se află deasupra legilor tuturor țărilor și controlează politica, sistemul bancar internațional, industria, comerțul, sistemul de asigurări, traficul de droguri și de arme, lumea medicală etc. Ea nu dă nimănui socoteală pentru deciziile pe care le ia, și este cea care trage sforile tuturor evenimentelor majore din lume. Ea se ascunde în spatele marilor corporații și al marilor agenții guvernamentale, pe care le dezvoltă și le controlează, cu scopul bine definit de a domina lumea.

ATACURILE NUCLEARE IMPOTRIVA BAZELOR SUBTERANE *Seismology charts are now revealing that the 5.8 magnitude tremor that rattled the entire East Coast including [REDACTED] was not a natural earthquake but an [REDACTED] that resulted from an underground nuclear detonation.*

<http://www.pakalertpress.com/2011/09/25/scientists-confirm-fulfords-story-of-nuclear-attack-on-washingtons-underground-sanctuary/>

Recent, aceste surse l-au informat ca, cutremurele care au aparut in zonele Colorado si Washington DC, in apropiere de August 22 si 23, au fost, de fapt, aparent, atacuri nucleare impotriva instalatiilor militare subterane.

YouTube Video

(Aceste baze subterane) au fost construite de catre guvernul Americii, ostentativ de la inceputul anilor 1960, avand costul de trilioane de dolari din banii contribuabilului nedocumentati care se duc in aceste " proiecte negre".

Motivul pentru care l-am contactat pe Benjamin Fulford este pentru ca am citit asta (pentru prima oara) pe blogul lui (si am fost uimit).

Apoi am inceput sa contactez propriile surse, pe care le-am cladit peste fiind o persoana publica pe internet inca din 1999- si castigand increderea multor oameni in diverse programe secrete.

Am fost absolut uimit cand am inceput sa intreb in jur si am descoperit ca pe oricine cunosc, cu o singura exceptie care probabil nu era pe o baza de nevoie -de-cunoastere, a confirmat ca acest atac s-a intamplat.

YouTube Video

EI NICIODATA NU SI-AU IMAGINAT CA SE POATE INTAMPLA

Acum din nou. Am de gand sa vi-l predau pe Ben in doar o secunda. Inca un lucru de organizare pe care vreau sa il spun aici este acesta.

Daca nu ati inteles gravitatea implicatiilor a ceea ce va spun acum, este important sa subliniez (un lucru).

Tipii acestia nu si-au imaginat vreodata ca aceste facilitati subterane ar fi putut fi atacate, Niciodata.

Deci ceea ce s-a intamplat aici este o schimbare seismica in acest razboi interior- care este fara indoiala la fel de important ca nuke-ingul de la Hiroshima si Nagasaki in Cel de-al Doilea Razboi Mondial.

Si de fapt poate fi la fel de bine lucrarile Universului, in termeni de karma, ca persoanele responsabile pentru acele atacuri, acum li se intampla lor.

COD ROSU- PE O BAZA NEVOIE- DE- CUNOASTERE

Exista o semnificatie incontestabila in aceasta intamplare. Am fost uimit de profunzimea detaliilor pe care le-am putut obtine de la sursele mele proprii despre ce s-a intamplat.

Mi s-a spus ca acum situatia este considerata Cod Rosu. In orice caz, este de asemenea retinut de la majoritatea oamenilor din aceste programe(secrete). E pe o baza nevoie-de-cunoastere.

Pana si sursele cu care sunt in contact, toate in afara de una, nici nu aveau destul de dezvoltata baza nevoie-de-cunoastere pentru a sti de ce s-a intamplat aceasta. Sau cine era

YouTube Video

responsabil pentru aceasta!

EXPLOATARE PENTRU INFORMATII

Asadar singurul lucru pe care il cunoastem este ca puterile care erau, asa cum imi place sa le numesc, au postat povesti pe internet in legatura cu acest eveniment.

Ceea ce fac ei de fapt este ca incearca sa mineze pentru informatie. Ei vor sa afle cine stie ce.

- Si sunt uimit ca sursele mele nu cunosc ca Benjamin Fulford a suprimat faptul cu privire la cine este responsabil pentru aceasta...si de ce (a fost facuta).

Vorbim de asemenea cu privire la potentialul pe care oricine altcineva care lucreaza pentru aceste programe si care este intr-unul din aceste instalatii, care poate fi subterana sau posibil departe de lume, cum ar fi intr-o statie spatiala, pe Luna sau in alta parte...e acum total singur si nepazit.

Ei nu vor fi protejati. Ei nu sunt in siguranta. Si superiorii lor nu ii informeaza cu privire la riscul in care sunt fiindca se afla in locatiile acelea.

CLARIFICAREA SITUATIEI

Vreau sa pun lucrurile la punct. Vreau sa aduc omul sa vorbeasca cu voi, publicul, si sa auziti, in primul rand, ce naibii se petrece, cine a facut-o, de ce au facut-o si care sunt implicatiile.

Asadar, Ben, acesta e intro-ul meu. Hai sa auzim acum tu ce ne spui. Sunt foarte interesat.

BRETTON WOODS A ASIGURAT CONDITIILE PRELIMINARE

YouTube Video

BF: A avut loc o lupta foarte ezoterica pentru controlul masinii de printare a dolarului pentru sistemul global financiar.

Ceea ce s-a intamplat a fost ca la finele celui de-al Doilea Razboi Mondial, la acordurile Bretton Woods din 1944, Britaniei, Frantei si Statelor Unite le-au fost acordat dreptul de a cotrola moneda lumii.

Ei ar fi trebuit sa aiba un Plan Marshall pentru a dezvolta Africa si Asia precum si Europa.

Ei si-au renegat promisiunea, si in loc de promisiune au inceput sa imita un "razboi rece" cu Uniunea Sovietica- care a fost conceputa pentru a sprijini industria militara.<http://eclinik.wordpress.com/vital-issues/ben-fulford/by-refusing-to-relinquish-power-the-cabal-will-face-lynch-mobs/>

77 NATIUNI NEALINIATE STABILESC CONTURI GLOBALE COLATERALE

Apoi, grupul natiunilor nealiniat - 77 de natiuni- au impartit in comun bunurile lor... toata averea lor, aurul lor si alte bogatii... si au stabilit unele conturi globale colaterale.

Ei au vrut sa foloseasca acesti bani pentru a porni Planurile Marshall pentru Asia si Africa.

KENNEDY A INCERCAT SA OPREASCA FEDERALUL - SI RAZBOIUL RECE

Presedintele Kennedy a fost de acord sa sustina aceasta dupa ce a descoperit ca era un grup care incerca sa faca intr-un mod serios ca Uniunea Sovietica si Statele Unite sa se anihileze reciproc. Aceasta era Criza Rachetelor Cubaneze.

Acordul istoric se numeste Memorialul Hilton Green. Acest lucru este disponibil pentru orice cercetator serios in istoria financiara.

Presedintele Sukarno(al Indoneziei) a fost semnatar pentru tari. El avea de gand sa ii dea lui Kennedy- i-au dat lui Kennedy 140.000 de tone de aur.

Kennedy adoptase o lege permitand Congresului, nu Consiliului Federal al Rezervei, sa creeze dolari(din aceste conturi globale colaterale de aur date Statelor Unite).

Kennedy a mai spus de asemenea " Hai sa mergem pe Luna, in loc de acest razboi rece, pentru a stimula industria. Hai sa dezvoltam tarile sarace si sa dezvoltam spatiul in loc de a avea acest fals Razboi Rece".

KENNEDY A FOST ASASINAT- SI CEASUL A INCETAT IN 1994

Kennedy intr-adevar a investit multi bani dar a fost asasinat, Asa cum stiti, programul spatial public a disparut pur si simplu in 1970 cand acea finantare s-a terminat si pur si simplu s-a oprit complet.

YouTube Video

Intelegerea internationala care lasa Britania, Franta si Statele Unite la conducerea sistemului financiar al lumii, a expirat in 1994. De aceea au desfiintat Uniunea Sovietica.

Dupa 1994, nu a fost nici un acord la nivelul de sus al sistemului financiar mondial despre cine va fi urmatorul la conducere. A avut loc o ruptura in clase.

CHINA SI NATIUNILE NEALINIATE VROIAU CONTROLUL FINANCIAR

China si natiunile nealiniat puneau presiune asupra oligarhilor care conduceau lucrurile incepand cu Cel de-al Doilea Razboi Mondial, sa le cedeze controlul asupra presei de tiparit dolar- sistemul financiar- dar ei erau reticenti.

Curtea internationala de justitie de la Haga a fost data in judecata de catre Chinezi pentru aurul care le-a fost vandut de catre proprietarii Consiliului Federal al Rezervei.

FEDERALUL TREBUIA SA LICHIDEZE PE DATA DE 12 SEPTEMBRIE 2001

Proprietarii Consiliului Federal al Rezervei au pierdut acest proces si li s-a spus sa cedeze aurul...incepand cu 12 Septembrie 2001.

In schimb, pe data de 11 Septembrie 2001, asa cum prea bine stiti toti, au dat lumii degetul si au pornit acest imens, fals razboi global impotriva terorii. A fost parte a unei incercari(la controlul planetei) create de catre grupurile fasciste din al Doilea Razboi Mondial.

EI VROIAU FASCISM GLOBAL- SI 90% MAI PUTINI OAMENI

Nazistii si simpatizantii fascisti ai lor din America si Anglia si Italia, (impreuna) cu un grup care poate fi gasit in armata, in Congress si in Vatican, aveau de gand sa monteze un guvern fascist global.

In acelasi timp aveau aceasta credinta cum ca erau pre amulti oameni. Indesebi prea multi,conform lor, oameni tip-marò inferiori.

Ei vroiau sa reduca populatia lumii cu 90%.

DW: Aceasta este dovedita?

BF: Da, este foarte dovedita.

Am fost invitat sa ma alatur acestui grup, de catre Heizo Takanaka, care era ministrul Japonez de finante de cinci ani. Am o inregistrare pe caseta a acestei invitatii pentru a dovedi.

VROIAU SA ASCUNDA SUBTERANUL DUPA CE AR FI ATACAT CU ARMA NUCLEARA PLANETA

YouTube Video

Aveau de gand sa se ascunda in aceste baze subterane dupa ce ar fi declansat un holocaust nuclear.

Planul original era sa porneasca un razboi nuclear intre Iran si Israel.

(Apoi le-ar) folosi ca o scuza pentru a aranja legea martiala in tarile G7.

Apoi (aceasta noua putere militara ar putea fi folosita pentru a se) pregati pentru razboi impotriva Chinei.

RUSSIA SI CHINA II OPRESTE

Acest plan s-a destramat cand Rusia a renuntat la ei- si Putin a reafirmat independenta pentru Rusia.

Aceasta le-a eliminat controlul- industria petrolului- si a facut ca acel mare plan sa nu functioneze.

Chinezii de asemenea au incetat sa cumpere trezoreriile Americii pentru un timp pentru a pune presiune pe acest grup.

S-AU OFERIT SA DEVINA PARTENERI CU CHINA IN DICTATURA MONDIALA

Asadar au schimbat strategiile. In schimb, ei au incercat sa se dea bine pe langa China si sa le ofere o dictatura mondiala...in parteneriat cu acest grup.

De aceea ati vazut in public cum Obama a vizitat China in 2009 si a oferit un "G2". Acesta este modul in care puteti confirma acest lucru.

DEVIN IZOLATI - SI SUNT PE PUNCTUL DE A RAMANE FARA BANI

In orice caz, acest grup care a efectuat atacurile 9/11 a fost sub presiune crescatoare si sub izolare, la cele mai inalte niveluri.

Sunt pe punctul de a ramane fara bani. Devin izolati.

CUM RAMANE CU CELE 2.3 TRILIOANE DE DOLARI "PIERDUTI"?

DW: Ben, chiar inainte de 11 Septembrie, o multime de oameni au uitat despre asta. Donald Rumsfeld apare la televiziunea nationala si declara ca au "pierdut" 2.3 trilioane de dolari de la Pentagon in deceniul precedent.

Are de-a face cu ceva in legatura cu chestiunea despre aur de care vorbesti?

BF: Oh da.

FINANTARE "CRIMA INCORPORATA"

Acei bani au fost utilizati pentru a finanta Blackwater- o armata privata necontrolata de catre Pentagon.

Pentagonul nu s-ar fi lasat controlati de aceasta cabala. Asadar au incercat sa faca ce au facut Nazisti in al Doilea Razboi Mondial- sa creeze corpuri de elita SS care puteau intimida fortele militare obisnuite.

That was where that money went to, as far as my sources are concerned.

Acolo s-au dus acei bani, din cate stiu sursele.

DW: Wow.

BF: In orice caz, am fost contactati de contrabandisti, contrabandisti de droguri...

DW: Ai putea doar spune cine este "noi", pentru un minut?

SOCIETATEA DRAGONUL ALB- MULTE GRUPURI COLABORAND

BF: "Noi" este un grup de noi care suntem implicati in lupta de a rasturna aceasta cabala.

Include membrii ai CIA-ului, Pentagonului, agentii(de informatii), si diverse(alte grupuri), incluzand societati secrete asiatice.

Folosim numele Dragonul Alb. May exista un alt grup care se autodenumesc Palariile Albe.

Cu totii avem acelasi scop, care este sa lasam fara putere acest grup nebun de oameni.

DE CE FULFORD?

DW: Una dintre criticile pe care le-am vazut de la oameni pe internet este , " Daca acest grup este atat de mare si atat de puternic pentru a lupta impotriva acestei cabale, de ce este Benjamin Fulford singurul care vorbeste despre asta?"

BF: Acestor oameni le place secretul lor- iar eu sunt un purtator de cuvânt.

Cand te duci la Casa Alba, exista o singura voce pe care o dau la dispozitia publicului. Ei prefera sa lucreze in spatele scenelor.

Trebuie sa realizezi ca avem de-a face intr-o lume in care utilizeaza asasinarea asa cum

YouTube Video

majoritatea dintre noi folosim servetele.

DW: Sigur.

ESTE FOARTE PERICULOS SA STAI IMPOTRIVA CABALEI

BF: Am avut vreo sase tentative de omor chiar eu. Unul dintre colegii mei, un tip din CIA, a fost otravit recent cu ricin de catre acesti indivizi.

Inca unul dintre mebrii nostri din Elvetia are paznici in jurul casei lui si tocmai au impuscat pe cineva saptamana trecuta in apropierea casei lui, pe cineva care incerca sa-l omoare.

Inainte de aceea, au gasit un Mafiot cu numele de Vincenzo Mazzamaro care avea o arma si un aparat foarte sofisticat de deschis incuietori si incerca sa intre in casa sa.

Inca unul dintre noi a avut saptamana trecuta un sac de beton care l-a ratat cu cativa toli.

DW: Wow.

BF: Avem de-a face cu niste persoane foarte periculoase. De aceea exista o nevoie de ascundere.

FULFORD ESTE BILINGV SI O PERSOANA IMPORTANTA IN ASIA MULTUMITA LUI FORBES

DW: Am speculat de asemenea (din urmatoarele motive de ce aceste grupuri din Asia v-au incredintat aceasta responsabilitate).

Sunteti in Japonia, si sunteti un "gaijin"- un strain, o persoana alba. Aveti trecutul de a fi fost un editor distins pentru Revista Forbes.

Sunteti bilingv, intr-adevar vorbiti fluent Japoneza. Exista cateva video-uri pe care le-ati emis acum si care dovedesc asta.

[Incepe la 2:16 in acest video pentru cel mai recent exemplu.]

Acest lucru ar fi putut fi o parte din ceea ce ti-a dat aceasta rampa pentru a da o voce acestor societati secrete ale Asiei.

Ati spune ca este corect?

DE CE NU-SI FOLOSEA JAPONIA BANII PENTRU A VINDECA PLANETA?

BF: Ce s-a intamplat in cazul meu a fost ca am intrebato o intrebare simpla si evidenta atunci cand am fost la Forbes.

Poporul Japonez- include ambele sectoare, si cel public si cel privat- are in jur de 8 trilioane de dolari valoare a bunurilor de peste mari.

YouTube Video

DW: 8 trilioane de dolari?

BF: Yeah.Asta este in registrul public. Va puteti duce la pagina ministerului de finante si numerele se afla acolo.

Potrivit raportului UN de dezvoltare, ai nevoie de 400 de bilioane pentru a opri distrugerea mediului si 200 de bilioane pentru a opri saracia.

Asadar spun , " Hey voi, de ce nu puneti capat saraciei si sa opriti distrugerea mediului?"

DW: Ok, asteapta, asteapta.

BF: E ceva simplu!

400 DE BILIOANE?ASTA ESTE?

DW: 400 de miliarde este tot ce ia pentru a opri complet distrugerea mediului? Cum este posibil?

BF: Acesta este un buget anual. Acesta este raportul de dezvoltare UN. Va trebui sa te confrunti cu expertii lor si sa descoperi cum au ajuns la acele cifre.

DW: Ok. Dar acela e domeniu public.

Asadar cele opt miliarde sunt mult mai mult decat cat ar fi necesar pentru a opri saracia si pentru a opri distrugerea mediului.

BF: Yeah.

VENITUL JAPONEZ EPUIZAT DIN REFACEREA DATORIILOR

[Wilcock a notat: In alta parte, Fulford a spus ca a gasit faptul ca un procentaj important din castigul Japonez era platit petrolului cabal- multumita contractelor exploatare de refacere cu rate inalte ale dobanzilor care au fost semnate dupa al Doilea Razboi Mondial.

Aceste contracte au fost intarite cu mita, santaj, amenintari cu moartea si asasinari a oficialilor guvernului Japonez care nu erau de acord.)

90% DIN ECONOMIA LUMII ABSORBITA DE ARMATA SUA

BF: Urmatorul lucru este ca daca te uiti la statistici, realizezi ca procentul de 90 din economia lumii a fost aspirat din sistem de catre complexul militar-industrial al SUA.

DW: Cum dovedesti asta?

BF: Am fost un jurnalist financiar timp de 25 de ani. Totul este registru public.

DW: 90% din bugetul SUA merge la armata.

BF: Exista un mod usor de a verifica. There's an easy way to check. Uita-te la deficitul comercial extern al SUA si compara-l la bugetul militar al SUA. Vei gasi o asemanare uluitoare de-a lungul anilor.

DW: (Rasete)

BF: Asta datorita simplului motiv ca armata nu produce bunuri comercializabile. Ei au fost o

YouTube Video

entitate parazitara asupra economiei mondiale.

DE CE SA NU VINDECAM LUMEA SI SA COLONIZAM SPATIUL?

Ce am spus a fost simplu," Uite. De ce nu va opriti pur si simplu din a plati aceasta armata?". Am spus asta Asiaticilor- " si in schimb le-am cerut sa(puna capat saraciei si distrugerii mediului) si sa ii faca sa exploreze spatiul?

Este tipul de lucru care tine decat de bunul-simt.

ORDINE DE ASASINARE

BF: Ce s-a intamplat a fost ca a venit un ordin de asasinare pentru mine.

Politia secreta a Coreei de Sud a informat Chinezii ca exista un ordin pentru a ma ucide.

Poti verifica. Colegul meu Paul Klebnikov, seful biroului din Moscova pentru Revista Forbes, a fost impuscat de noua ori in afara apartamentului lui in Moscova.

Era inca in viata cand a ajuns ambulanta dupa o ora. A ajuns la spital si a fost pus in liftul spitalului. Liftul a fost oprit pentru opt minute- si el a murit in lift.

Investiga un membru al aceleiasi grup pe care il investigam si eu.

Investiga pe Boris Berezovsky, unul dintre magnatii petrolului.

Eu investigam pe Heizo Takenaka- dar toate se duc inapoi la aceeasi intriga.

DW: Corect.

RAZBOIUL IMPOTRIVA TERORII A FOST EVIDENT UN FALS

BF: In orice caz,Coreeni de Sud au spus Chinezilor ca exista un ordin de asasinare pe numele meu. Aceasta se intampla din cauza strigarii mele publice catre Asiatici pentru a opri cheltuielile economiilor lor facute pentru acest vast mecanism militar.

Trebuie sa-ti amintesti, in timpul Razboiului Rece ei chiar au avut aceasta scuza anticomunista.

Dar, Razboiul impotriva Terorii era atat de evident de fals incat era doar ridicol pentru oricine care face o serioasa cercetare sau investigare.

DW: Corect.

SOCIETATEA SECRETA CHINEZA OFERA PROTECTIE

BF: Am fost invitat sa ma alatur unei societati secrete Chineze care imi oferea protectie impotriva acestui ordin de asasinare- si asa m-am gasit in aceasta lume secreta a puterii financiare.

Grupul care mi-a oferit protectie era grupul ce se afla in spatele natiunilor nealiniat.

Traverseaza granite. Daca te gandesti in termeni de tari, nu intelegi cum lucreaza acesti oameni.

Au grupuri mari in China, in America si in Europa- atat impotriva cat si pentru ei. Traverseaza granite.If you think in terms of nation-states, you won't understand how these groups work.

CHINEZII SE LUPTA IN BATALIA FINANCIARA PRIN CUMPARAREA DE ACTIVE REALE

In orice caz, o batalie financiara a inceput. Au fost multe , multe salve publice.

In 2006, Chinezii au vrut sa isi foloseasca banii in alte scopuri decat pentru a cumpara Trezorerii.

Au incercat sa cumpere compania petroliera Unocal. Congresul a adoptat o lege prin care spunea ca nu pot face asta.

Astfel ei si-au luat apoi dolarii lor si s-au dus in Africa, America de Sud si peste tot si au inceput sa ii cheltuie pe lucruri reale- precum mine si pamant agricol si marfuri.

Nu lucruri virtuale- precum capriciu si produse imposibil de inteles derivate, care sunt in esenta impotriva muncii.

DW: Schema Ponzi. Yeah.

BF: Yeah.

YouTube Video

PRETUL MANCARI SI PETROLULUI CRESCUT DE CABALI

Celalalt grup a incercat sa se razbune prin deturnarea preturilor hranei si petrolului.

Amintiti-va ca erau revolte de foame in 33 de tari la un moment dat.

DW: Yeah.

BF: A fost un economist de la Banca Mondiala care a subliniat motivul pentru care oamenii deveneau infometati era pentru ca plateau fermierii sa creasca ulei(ethanol facut din porumb) in loc de mancare.

Asta a pus capat revoltei.

SOCUL LEHMAN 2008 A FOST CONTRAATAC ASIATIC

Apoi a fost un contraatac.

(Conducatorilor cabalei) le-a fost spus ca nu vom mai accepta in continuare dolari tipariti in Statele Unite.

Asta este ceea ce cunoasteti ca de criza Lehman.

EXPORTUL JAPONIEI DE MASINI CATRE SUA A SCAZUT CU 76%

Poti verifica asta in inregistrarile publice.

Daca te uiti la statisticile de export ale Japoniei, din Octombrie sau Noiembrie 2008, dupa socul Lehman, vei vedea ceva in genul unei scaderi de la an la an de 76% in exportul Japoniei de masini catre SUA.

Aceasta reprezenta Japonezii si alti oameni care spuneau, " Nu mai puteti folosi bancnote pentru a cumpara lucruri de la restul lumii. Trebuie sa negociati cu lucruri reale.

Desigur, publicul vostru nu a fost lasat sa participe la aceasta. .

DW: Acesta este cazul in care mintile oamenilor vor fi prinse. Nimeni nu cunoaste public ca acest soc Lehman a avut de-a face cu ceva cu Asia.

BF: Yeah, stiu. Modul in care se poate verifica este sa te uiti la statisticile de export-import de dupa socul Lehman.

Celalalt mod de a verifica este sa te uiti la Indexul Baltic Dry. Acela e pretul de expediere.

UN PROCENT DE 90% A SCAZUT IN PRETUL DE TRANSPORT

Vei vedea ca pretul de transport a scazut cu 90% imediat dupa socul Lehman.

DW: Wow.

BF: Asta pentru ca navele nu se mai duceau catre USA, pline de lucruri si apoi plecau descarcate (cu nimic altceva decat bancnote fara valoare si IOU-uri(garantii de plata).

Acestea sunt moduri in care oamenii pot verifica ceea ce spun prin informatii din cadrul

YouTube Video

evidentelor publice.

DW: Bun. Ok.

TRAGEREA DIN NORVEGIA A FOST O INCERCARE DE A STOARCE 1.5 TRILIOANE

BF: Intorcandu-ma la aruncarea in aer a bazelor subterane, acest grup era separat din ce in ce mai mult la un nivel mare si banii urmau sa li se termine.

Incercau sa stoarca bani de la tari diferite.They were trying to extort money from various countries.

Au ucis grupul tanar al partidului conducator in Norvegia- acestea au fost atacurile din Norvegia- deoarece incercau sa scoata fondul de petrol in valoare de 1.5 trilioane de dolari pe care guvernul Norvegiei il controleaza.

Ei spuneau, " Hey, va vom omora daca nu ne predati banii".

DW: (Ei) doar incercau cu disperare sa gaseasca bani.

BF: Yeah. Au invadat Libia pentru a prelua fondurile lor de petrol, deoarece Libienii le-au spus, " Nu mai avem de gand sa va mai dam petrol in schimbul banctonelor voastre".

DW: Hmmm.

BOMBA NUCLEARA DE CONTRABANDA IN JAPONIA CU 70 DE KG DE MARIJUANA

BF: In cazul Japoniei, din nou, am surse care sunt efectiv traficanti de droguri. Au vandut droguri in Japonia de 70 de ani.

These are CIA types. The CIA drug-smuggling division.

Mi-au spus ca a fost introdusa o bomba nucleara prin cel mai recent transport de droguri al lor.

Aceasta era o incarcatura de 70 de kg de marijuana Tailandeza modificata care a fost introdusa prin Okinawa.

Au gasit o bomba nucleara amestecata in incarcatura cu aceasta.

Si desigur, cu acesti indivizi, traficul de droguri este un lucru, dar traficul de arme nucleare este altul.

Le-au spus politistilor, iar ei mi-au spus mie. Eu am facut-o public.

Au urmarit bomba pana la sediul asociatiei cetatenilor Coreei de Nord din Tokyo.

4 ARME NUCLEARE FURATE DIN SUBMARINUL RUSESC " KURSK"

Am informatie independenta de la un domn Paul Lane, din cadrul informatiilor militare ale Pentagonului – a fost o parte din grupul Barbatilor care se Holbau la Capre- in legatura cu faptul ca 4 arme nucleare au fost furate din submarinul Rusesc Kursk dupa ce acesta s-a scufundat.

YouTube Video

Cred ca era in preajma anului 2000.

Una dintre acele arme nucleare a fost adusa prin contrabanda in Japonia.

DW: Furata de cine, totusi?

BF: Aceasta e gruparea Odessa. Grupul Nazist. Cel care incerca sa monteze un guvern fascist mondial- un al Patrulea Reich.

DW: Ok. Cum au ajuns la Kursk pentru a extrage aceste arme nucleare?

BF: Nu cunosc detaliile tehnice, dar au baze de submarine in parti diferite ale lumii. Presupun ca a fost dintr-una din acele baze de submarine.

DE CE SA FURI ARME NUCLEARE DACA POTI CONSTRUI PROPRIILE ARME NUCLEARE?

DW: Urmatoarea intrebare,atunci, ar fi de ce ar avea nevoie sa o ia de la Kursk daca sunt destul de puternici incat sa construiasca una a lor personala?

BF: Dispozitivele nucleare publice sunt sub protocoale stricte de securitate. Nu poti sa le iei pur si simplu si apoi sa le detonezi undeva. Sunt prea multi oameni implicati in retea de comanda.

Au incercat sa faca asta.

INCIDENT LA BAZA DE FORTA AERIANA MINOT: INCERCARE DE CONTRABANDA ESUATA

Au fost incidente in care (baietii buni) au oprit doar putin o arma nucleara...

DW: Corect. Precum incidentul de la Baza de Forta Aeriana Minot.

BF: Yeah, exact.

DW: Soldatii au facut o rebeliune si nu au vrut sa se comita la " Broken Arrow". Asa o numeau in termeni de cod.

(Membrii au incercat sa faca contrabanda cu o arma nucleara din BFA Minot. Cativa dintre acesti eroi au murit ca rezultat al ridicarii impotriva acestui plan si refuzarea de a permite ca arma nucleara sa fie furata.)

BF: Poftim. Ce aveau ei nevoie erau niste arme nucleare care nu se aflau sub nici un control oficial guvernamental.

DW: Ok.

NAVA JAPONEZA DE FORAJ 10 KM LA EPICENTRU EXACT

BF: Exista o nava japoneza de foraj cunoscuta ca Chikuyu Maru care poate foraj 10 kilometrii in fundul marii.

Forau la epicentrul exact al cutremurului.

Am avut un articol din 17 Ianuarie intr-un ziar local care spunea ca forau acolo.

Au pus bomba pe fundul marii.

DATI-NE BANII - SAU VA URMA TOKYO

Aceasta a fost o tentativa de a stroarce bani, prin teroare, de la Japonezi.

DW: Asadar au avertizat Japonia ca vor pune arma nucleara (pe fundul marii) inainte de a cere bani?

BF: Nu, au cerut apoi bani.

DW: Oh, wow.

BF: " Daca nu o veti face, va urma Muntele Fuji".

DW: Pentru cei care nu cunosc, Fujiyaman este chiar in apropiere de Tokyo, care este cel mai mare centru de populatie al Japoniei.

BF: Da. Este adevarat.

DW: Deci fundamental ei spun ca ar ataca cu arma nucleara Tokyo, care ce populatie are? 30 sau 40 de

YouTube Video

milioane?

BF: 30 de milioane...cam asa.

DW: Corect. Ok.

PRIM- MINISTRUL JAPONEZ A PREDAT PESTE 20 DE BILIOANE

BF: Prim-ministrul japonez (Naoto) Kan, a fost atat de las, doar a spus, " Oh yeah, in regula, va vom da bani".

A predat ceva in genul doua trilioane de yen, care inseamna aproximativ 20 de bilioane de dolari. Si ei i-au dat o mita mare.

O MARE BATALIE A FOST DECLANSATA IN JAPONIA PENTRU A INDEPARTA CABALUL

Dovada ca aceasta nu a fost un dezastru natural a inceput a inceput sa iasa la iveala.

Rezultatul a fost o batalie aici in Japonia pentru a indeparta acesti oameni de la control.

DE CE CREDETI CA NU A FOST UN CUTREMUR NATURAL?

DW: Unii oameni poate nu realizeaza ca exista vreo dovada ca Fukushima nu a fost un dezastru natural. Ai putea atinge pe scurt cateva chestiuni care crezi tu ca sunt foarte importante?

[Chiar inainte de dezastru, am publicat un avertisment de date virtuale a unei uriase catastrofe care era pe cale de a se petrece. Era uimitor de detaliat si precis. Profetiile initiale au fost postate aici si analiza a aparut aici.]

BF: Daca va uitati la diagrama seismica, veti vedea o explozie brusca.

Nu este ca un cutremur natural, unde intalnesti antesocuri. A fost pur si simplu dintr-o data imens, apoi a inceput sa coboare.

EXPLOZIILE DE BAZE SUBTERANE AU INCEPUT,DE ASEMENEA, MARI

La fel s-a intamplat cu bazele subterane.

Daca va uitati la diagrama seismica, va parea ca o linie mare care apare subit, apoi o linie mai mica dupa aceea.

Nu este nici o intensificare, asa cum ati gasi la un cutremur natural. (Liniile negre in aceasta ilustratie reprezinta cum arata un cutremur normal, asa cum este explicat aici).

LINKURI CATRE CUTREMURE DIN COLORADO SI VIRGINIA

[Aici se afla un articol scris devreme despre cutremurul din Colorado imediat dupa ce a avut loc.

Disclose TV avea o colectie de linkuri despre cutremurul din Colorado si natura sa neobisnuita:

[http://www.disclose.tv/action/viewvideo/77486/Virginia amp Colorado NUKED UNDERGROUND /](http://www.disclose.tv/action/viewvideo/77486/Virginia_amp_Colorado_NUKED_UNDERGROUND/)

A avut loc de asemenea o vibratie in Colorado care are niste anomalii ciudate asociate. There was also a quake in Colorado that has some strange anomallies associated with it.Acest lucru fiind faptul ca, desi aceasta vibratie a fost raportata in Denver Post, NY Times, Huff Poest si in alte reviste locale, a fost scoasa de pe lista site-ului USGS.gov.

http://www.denverpost.com/news/ci_18744329

http://www.huffingtonpost.com/2011/08/23/largest-colorado-quake-si_n_933854.html

Aici se afla un articol Reuters care explica cat de neobisnuit cutremurul din Virginia a fost, chiar dupa ce s-a petrecut.

Iar acest articol are dovezi bune, cu cateva linkuri cheie , in legatura cu sase anomalii ciudate asociate cu cutremurul din Virginia:

1. Locul de amplasare neobisuit si seismic inactiv.
2. Profunzime extrem de mica -- mai tarziu schimbata de USGS la o valoare mai tipica.
3. Citire seismografica ciudata. (Membrul Fortei Aeriene dezvaluie faptul ca a fost o explozie nucleara subterana.)
4. Socurile s-au simtit la mai bine de 500 de mile de la epicentru.
5. Un numar " remarcabil de scazut" de replici.
6. Uraganul Irene a fost imediat anulat in afara cursului.

PLUTONIU PUS IN FUKUSHIMA CU O LUNA INAINTE DE ATAC

BF: Exista o groaza de dovezi(ca Fukushima nu a fost un cutremur natural).

Guvernatorul provinciei Fukushima mi-a spus ca l-au respins si au pus plutoniu in reactorul numar 3.

(Aceasta a fost cu doar) o luna inainte de incidentul tsunamiului.

DW: Doar cu o luna inainte?

YouTube Video

BF: Yeah.

[Plutoniul este ceea ce a cauzat majoritatea otravirii cu radiatii din dezstru]

FONDUL COMPANIILOR DE LOCUINTE A CRESCUT RAPID CU O LUNA INAINTE DE ATAC

Si apoi aveam o companie numita Nigashi Nippon House. Ei fac locuinte ieftine in nord-estul Japoniei.

Fondul lor crestea rapid in luna care a precedat atacul.

Trebuie sa-ti amintesti: Japonie are o populatie de scadere si imbatranire.

Nu are nici un sens ca pretul fondului unei companii de locuinte ieftine sa creasca atat de rapid- atsa in cazul in care nu se afla ceva in fabrici.

AMENINTATI CU DOUA ZILE INAINTE IN LEGATURA CU UN POSIBIL ATAC NUCLEAR

Cealalta chestie ar fi ca un grup dintre noi a inregistrat o conversatie dintre Kirk Campbell, care este ministrul vostru adjunct de externe al Asiei, si brokerul japonez de putere Ichiro Ozawa- pe data de Martie 9, 2011.

In aceasta conversatie, Campbell l-a rugat pe Ozawa sa nu separe partidul de conducere si sa forteze formarea unui nou guvern. (Aceasta ar fi putut cu usurinta rezulta intr-o pierdere a controlului cabal asupra Japoniei).

Ei au spus (ca daca este de acord sa mentina intact partidul de conducere), ei i-ar da drepturi asupra zeolite-ului (pe care le detineau) in provincia Fukushima. Zeolite este folosit pentru a curata deseurilor radioactive.

Aceasta conversatie a fost inregistrata pe data de 9 Martie- cu doua zile inainte de atacul tsunami.

NETANYAHU A AMENINTAT PERSONAL CU NOI DEZASTRE NUCLEARE

O alta chestiune (a ajuns de la) un om avand numele de Takemasa Kawase, un ofiter din cadrul informatiilor militare Japoneze.

Ulterior mi-a spus prim-ministrul Israelian Benjamin Netanyahu l-a sunat dupa atac pe prim-ministrul Japoniei Naoto Kan.

Netanyahu a spus ca vor cauza alte dezastre nucleare in jurul Japoniei daca nu vor incepe sa predea banii.

Agentul sef Mossad in Japonia, apropo, este un om pe nume Michael Green

. Este o persoana remarcabil de neplacuta si il vom inlatura din aceasta tara in curand.

DW: Desi, o intrebare.

BF: Yeah, dar vreau sa...

DW: OK, continua.

O COMPANIE ISRAELIANA A FOST RESPONSABILA DE SECURITATE LA FUKUSHIMA

BF: Pnetru a confirma ce mi-a spus acest individ, vroiam sa verific- si exista o companie Israeliana care era responsabila de securitate la centrala nucleara Japoneza.

DW: Oh Doamne!

BF: Asadar am fost in stare sa confirm independent aceasta prin alte surse. Aceasta este o informatie publica disponibila- cine era responsabil de securitate la Fukushima. Era o companie Israeliana.

Acum poti continua. Care era intrebarea ta?

ISRAEL ESTE MEMBRU AL CABALEI?

DW: Intai, atunci, crezi ca Israel este legat in vreun fel de aceasta cabala pe care o tot mentionezi?

BF:Nu Israel, dar o fractiune din varful guvernului Israelian, da..

Eu consider ca majoritatea Israelienilor sunt fraieri sau victime ale acestor persoane.

CABALUL A INTENTIONAT SA SACRIFICE POPORUL ISRAELIAN

De exemplu, varul Sahului Iranului, printre altii, a venit la noi cu informatia ca George Bush si grupul lui au dat 12 bombe cu neutron guvernului Iranului.

(Acestea erau) rachete care aveau bombe cu neutron.

[In alta parte, Fulford a spus ca aceste rachete erau destinate pentru a fi folosite impotriva Israelului. Cabalul a sperat ca aceasta va declansa al Treilea Razboi Mondial, care ii va asista in depopularizarea planetei si asigurarea al unui control mai mare militar asupra oamenilor.]

Retine- bombele cu neutron omoara oameni, dar lasa cladirile intacte.

DW: Ei bine,aceasta nu este doar tradare,suna nebunesc.

BF: Asa este!

IRANIENII AU INCERCAT SA SCAPE DE ELE - DAR AU FOST REFUZATI

Iranienii au spus " Nu le vrem". Le-au pus la granita Iraqului si l-au rugat pe presedintele Obama sa le ia din mainile lor.

Obama a refuzat pur si simplu sa asculte.

DW: Wow.

[In alta parte, Fulford a spus ca " Palariile Albe ale Pentagonului" intentioneaza sa restabileasca Americii guvernul constitutional dupa rasturnarea cabalei si cand aceasta se intampla vrea sa pastreze la putere presedintele ales.

Sustin aceasta decizie si simt ca este cea mai buna miscare care se poate face pentru a mentine publicul calm atata timp cat in cele din urma acest eveniment va trece.

As fi prudent in a da vina pe Obama personal pentru aceasta presupusa decizie de a nu elimina armele nucleare din Iran fara a obtine intai informatii suplimentare.

Presedintele este tapul ispasitor destinat distragerii atentiei de la conspiratorii cabali din culise. Adevarata lui putere este limitata. Chiar si daca dorea sa recupereze armele, se poate sa nu fi avut de ales.

Este posibil sa fi fost, de asemenea vazuta ca o capcana - mult prea periculos pentru a risca vietile personalului de top in ceea ce ar fi putut fi cu usurinta o misiune de sinucidere

MAJORITATEA ISRAELIENILOR AR FI INGROZITI DACA AR STI ADEVARUL

BF: Ok? Si din nou, oamenii de la nivelul superior stiu ca acest lucru este adevarat. Cu alte cuvinte, aveau de gand sa ofere poporul lui Israel ca un fel de ritual de sacrificiu.

Asadar Israelienii au fost victime. Multi dintre ei au fost pacaliti cu vorbirea de superioritate Evreiasca, care este intr-adevar identica cu cu vorbirea de superioritate Ariana- doar inlocuiesti Evreu cu Arian.

Erau fraieri.

Multi dintre Israelieni nu cunosc ce se petrece si ar fi consternati sa uda aceasta. Este despre o cabala care este mai presus de toate astea.

DW: Si nu are nici o afiliere religioasa.

SUNT ASOCIATI CU IUDAISMUL/ CRESTINISMUL/ ISLAMUL

BF: Ei bine, ei sunt asociati cu religiile Abrahamiste. Hai sa o vedem din acest punct de vedere.

DW: Intorcandu-ne la Babylon, Mesopotamia, in totalitate inapoi in acele timpuri?

BF: Ei bine, cel putin revenind la momentul Caesarilor.

RELIGIE SI FASCISM

Hai sa ne amintim cuvantul "religie". Etimologia cuvantului "religie" este plasat in Latina, care inseamna a lega din nou.

In ce vrei sa-l relegi? In fascio. Ce e un fascio? Este un manunchi de bete , dar este de asemenea si fascism.

RELIGIA MONOTEISTA AR PUTEA FI FOLOSITA PENTRU CONTROLUL MINTII IN MASA

Monoteismul, din punct de vedere al calitatii cea mai rea – asa cum se practica in Evul Mediu, de exemplu- implica control singular asupra gandurilor tuturor.

Retine- in Evul Mediu, daca nu credeai in doctrina Catolica oficiala, atunci tu si intreaga ta familie ati fi fost omorati- sau torturati pana ati fi marturisit.

DW: Corect. Asta era Inchizitia.

BF: Ei bine, yeah!

SUNT MAI SOFISTICATI ACUM –DAR IN CONTINUARE PIERZAND LUPTA

Si este cu mult mai sofisticat acum.

Cinci companii controleaza toata mass-media majora (vorbitoare de) Engleza- inclusiv Televiziunea, ziarele, radiourile, studiourile Hollywood.

A devenit mult mai sofisticat acum.Incearca sa faca pe toata lumea sa gandeasca la fel- si pierd(lupta).

9/11, povestea de acolo, era doar atat de plina de lipsuri si de contradictii incat pierdeau o parte importanta a audientei lor cu creierul spalat- incluzandu-ma si eu pentru ca eram un creier spalat la nivel mare.

DW: Corect.

PENTAGONUL A ARUNCAT IN AER BAZE SUBTERANE PENTRU A LUPTA IMPOTRIVA GENOCIDULUI

BF: In orice caz, ceea ce s-a intamplat este ca exista un grup in interiorul Pentagonului si agentiile si altele care au realizat ca acest plan era nebunesc.

Stiau ca planul de a ucide 90% din umanitate era o nedreptate.

Apoi au aruncat in aer bazele subterane pe care elitele aveau de gand sa le utilizeze pentru a se ascunde atunci cand ar fi realizat holocaustul lor nuclear.

DW: Ok. Vreau sa ma reintorc la aceea, deoarece aceea este intr-adevar un punct central.

Exista o intrebare pe care vreau sa v-o adresez inainte de a ajunge la aceea, deoarece aceea este concluzia discutiei.

DE CE ARE NEVOIE CABALA SA FURE BANI?

De ce aveau nevoie de bani acesti indivizi? In cazul in care au atat de multa infrastruktura, atat de multe active si masiva putere politica, de ce nu pot pot pur si simplu sa-si exercite puterea?...sa puna in miscare barbatii imprejur, sa miste munitii imprejur?

De ce au nevoie de bani? De ce o iau pe ocolite ca un drogat care cauta o doza?

De ce se duc la toate aceste tari diferite si incearca sa le fure bani prin inselaciune? De ce nu pot sa printeze pur si simplu dolari si sa faca mai multi bani?

BF: Deoarece oamenii nu le accepta dolarii mondial.

Trebuie sa-ti amintesti ca exista 800 de baze militare in jurul lumii.

Daca nu pot face salarizarea pentru acesti indivizi, acestia vor marsalui in afara bazelor lor cu boluri de mancare in maini, implorand pentru mancare.

DW: Corect.

ASIATICII AU OPRIT BRUSC REZERVA DE BANI PENTRU WALL STREET

BF: Sunt izolati de petrolul lor, de celelalte resurse ale lor. Acesta a fost calcaiul lor al lui Ahile – controlul banilor.

Armata lor privata se autofinanta. Aveau industriile lor private si veniturile lor proprii.

Armata SUA este dependenta de finantarea de la Wall Street. Acesta este motivul pentru care depindeau in cele din urma de Chinezi si de Asiatici , care finantau Wall Street.

PUTETI FI DIN NOU BAIETII BUNI

De aceea le-am spus baietilor de la Pentagon, " Puteti avea un viitor Nava Stelara Enterprise, explora Universul si toate acele chestii de acest gen. Doar colaborati cu noi."

"Nu va vom opri brusc. Nu veti sfarsi ca Uniunea Sovietica, in acel caz in care aveti un general care este acum, din senin, fortat sa conduca un taxi in Londra.

"Voi puteti fi din nou baietii buni."

Multi dintre ei au spus, "Hey, cred ca este o idee buna. Vrem sa fim eroi din nou. Nu vrem sa fim baietii rai."

TEHNOLOGIE ASCUNSA INCLUSIV ANTIGRAVITATIE SI " PORTI STELARE"

DW: Vrei sa spui ca au tehnologie ascunsa care ne-ar putea sa ne aduca in realitatea Navei Stelare Enterprise.

[Mai devreme, Fulford a spus chestii provocatoare pe blogul sau platibil, dupa cum urmeaza:

<http://www.divinecosmos.com/start-here/davids-blog/807-fulford-interview-exclusive>

Un al treilea grup cu sediul in stabilimentul militar de informatii al SUA propune o transformare din sabii-brazdare(de plug) de 5 ani a Pentagonului.

Acest grup are potentialul de a dezvolta cele peste 6000 de patente care pana acum au fost ascunse pentru motive de "securitate nationala".

O tehnologie pe care o poseda este anti-gravitatia. Aceasta ar face automobilele sa fie scoase din uz si ar permite ca drumurile sa fie transformate in gradini.

Pretind controlul asupra tehnologiei care permite crearea de portaluri catre alte dimensiuni.

Pretind (nu am vazut vreo dovada dar am auzit aceasta de la multi martori-oculari credibili) faptul ca multe asa-numitele baze subterane din intreaga lume sunt defapt astfel de portaluri.

Speram ca vom avea in curand posibilitatea de a vedea daca acest lucru este adevarat. daca este asa, implicatiile sunt mai mult decat uluitoare.

5,135 DE INVENTII AU FOST SECRETE

BF: Eu nu stiu despre [Nava Stelara Enterprise a fi o realitate].

Dar, putem confirma, conform Academiei Americane de Stiinte, ca mai mult de 6000 de patente au fost tinute sub secret pentru asa numitele motive de "securitate" sau "siguranta publica".

[DW: Aceasta statistica se afla in noua mea carte " Investigatiile Domeniului Sursa". Federatia Oamenilor de Stiinta Americani au dezvaluit faptul ca 5135 de inventii au fost tinute secret pana la sfarsitul anului fiscal 2010.

Printre alte revelatii socante, acum stim faptul ca orice sistem de putere care este mai eficient la conversia de energie cu 70-80 de procente va fi automat declarat secret.

Unele dintre acestea (patente) probabil trebuie sa fie tinute sub secret. Nu am vrea ca toata lumea sa aiba o curte cu arma nucleara, de exemplu.

DW: Sigur.

BF: Dar multe dintre ele aud ca doar au fost tinute (secret) deoarece acesti oameni se comportau ca, cainele gradinarului(nici mie, nici tie). Ei vroiau exclusiv ca elita sa le detina.

MULTE OZN-URI SUNT FALSE

Deci intelegerea mea este ca, de exemplu, multe dintre asa-numitele OZN-uri sunt decat avioane secrete sofisticate baza-uscat care nu sunt disponibile publicului larg.

DW: As fi de acord in acest sens. Yeah.

RAPIRILE DE EXTRATERESTI POATE FI DIN "PLF-urile" DETINUTE DE CABALA

[In "Adevarul Ascuns, Cunoasterea Interzisa," Dr. Steven Greer din Proiectul de Dezvaluire arata marturia convingatoare privilegiata aceea ca rapirile extraterestre sunt conduce de catre asa numitele, sau Forme de Viata Programabile, detinute de cabala.

Nu exista rapoarte ca urmare a "rapirilor de extraterestri" inainte de inceputul anilor 1960 cu cazul infam Betty si Barney Hill. Aceasta pare sa aiba loc atunci cand tehnologia PLF a fost prima data perfectionata si pusa in uz.

TOATE CONTACTELE DIN ANII 1950 CU EXTRATERESTII AU FOST CU OAMENI POZITIVI

[Prin anii 1950, existau rapoarte vaste in legatura cu faptul ca oamenii aveau contacte directe cu extraterestii binevoitori care aveau aspect uman si care le spuneau de sosirea Erei de Aur.

Acesti extraterestrii par sa fie aceleasi persoane care au aparut in civilizatiile antice din jurul lumii si au fost denumiti "dumnezei" sau "ingeri".

Multe din aceste contacte din 1950 au avut loc in SUA si in Canada, si au fost studiate si elaborate de catre Wilbert B. Smith – un angajat al guvernului Canadian cu autorizatie secreta.

Un set de contacte pozitive in intregime distincte au aparut in Italia, si au fost subiectul documentarului TV " Cazul Prietenia" , in care martorii- cheie de prima mana si-au rupt tacerea si au vorbit despre evenimentele pe care le-au experimentat.

O mare cantitate de informatii valoroase in legatura cu contactele din ambele USA/Canada si Italia poate fi gasita in " 1950 Extraterestrii Umani Ne Pregatesc pentru Epoca de Aur" la <http://www.divinecosmos.com/start-here/davids-blog/956-1950s-ets>.

ROBOTII BIOLOGICI OBISNUIAU SA LUPTE IMPOTRIVA EXTRATERESTRIILOR POZITIVI CU FRICA

[Dezvoltarea si punerea in aplicare a tehnologiei PLF pare sa fi fost un contraatac direct al cabalei impotriva contactelor pozitive ale lui 1950.

Contactele lui Greer au confirmat ca tehnologia PLF a fost dobandita de la extraterestrii- si implica principii avansate de clonare pentru a crea un "robot biologic".

Aparent, un fetus uman este crescut intr-un mediu artificial, si fara presiunea pantecelui isi pastreaza proportii si caracteristici de fetus - inclusiv ochii mari, capul mare si corpul subtire- spre varsta adulta.

EXTRATERESTRII POZITIVI NU AR INTERVENI PANA IN ANUL 2012

[Potrivit marturiei Proiectul Camelot al "Domnului X", According to the Project Camelot testimony of "Mr. X", un angajat al unui mare contractant de aparare, extraterestrii pozitivi au transmis un mesaj foarte important cabalei la inceputul anilor 1950.

Mai multe documente top-secrete au relevat ca daca extraterestrii nu au fost invitati in mod special sa apara de o majoritate a oamenilor, si/ sau de catre conducatorii lor, nu ar putea aparea in mod public si deschis, la nici o scara larga, pana la sfarsitul anului 2012.

Aceasta a fost datorata cooperarii lor cu un ciclu natural in Pamant- care aparent este guvernat de o metainteligena care exista la nivel planetar, solar, galactic si universal- numit Campul Sursa.

Profetiile si lucrarile acestui ciclu si efectele lui asupra evolutiei umane sunt explorate in noua profunzime stiintifica fara precedent din cartea mea Investigatii ale Campului Sursa (SFI).

SFI a debutat ca #18 pe lista best-seller din New York Times, saptamana urmatoare a crescut la #16 si in a treia saptamana se afla la #18.

Penguin, editorul nostru, intamplator nu este o parte a cabalei, nici din primele cinci companii de top mass-media. Our publisher Penguin, incidentally, is not part of the cabal, nor the top five media companies. O secretizare ampla a fost tinuta in jurul cartii pana la publicarea ei pentru a se asigura ca nimic nu va interveni.

PLF-ul OBISNUIA SA INGROZEASCA PUBLICUL SI SA-L PREGATEASCA PENTRU "EXTRATERESTRUL 9/11"

[Aparent intentia cabalei din spatele fenomenului "rapirilor extraterestre" era de a ingrozi publicul- si a ajutat la stabilirea etapelor pentru un fals " Extraterestru 9/11".

Acest atac al falsului extraterestru a fost telegrafiat considerabil intr-o multitudine de filme diferite- 18 filme diferite doar in trecutul recent.

Conglomeratele majore mass-media sunt detinute de cabala si produc aceste filme " invazii extraterestre" in scopuri de propaganda.

EXTRATERESTRII COOPEREAZA ACUM CU EFORTURI PENTRU A INFRANGE CABALA

[Am surse cu informatii suplimentare despre care Fulford a auzit decat in amanunt mic.

Si anume ca se pare ca extraterestrii au colaborat cu acest grup international de opozitie pentru a infrange cabala.

Lui Fulford i-a scapat aceasta intr-un interviu anterior pe care l-am facut cu el in Noiembrie 2010- pe care l-am postat aici in final, ca fisier MP3, in May 2011.

Aceste atacuri au fost total neasteptate, intrucat cabala a fost condusa sa creada ca extraterestrii aveau de urmat legi spirituale care le interziceau sa intervina vreodata- sub nici o forma. in orice caz, extraterestrii au oprit in mod constant rachete si facilitati nucleare.

Tehnologiile extraterestre avansate sunt acum folosite pentru a ataca si dezactiva active cabale. Multe exemple au fost oferite in seriile de articole ale mele " Surpriza Chinei din Octombrie", fiecare sectiune a fiecaruia este atasat sub,in ordine.

Campania de legatura a inceput in luna Octombrie- si multe tinte publice evidente au fost atacat, toate cu zero pierderi.

Aceasta includea oprirea alimentarii 50 Minuteman al ICBM-ului – si martorii militari de varf au raportat acum public ca un avion in forta de tigara se situa deasupra in tot acest timp.

Acest nou detaliu fascinant a aparut pe 20 Iunie, 2011 si a validat complet ceea ce spusesem eu in seria de articole Surpriza Chinei din Octombrie, din Noiembrie 2010.

BAZELE SUBTERANE AU FOST O LOVITURA MULT MAI SEMNIFICATIVA

[Totusi, distrugerea acestor doua facilitati subterane majore este de departe mai mare decat celelalte atacuri care au aparut in Noiembrie si Decembrie 2010 , si ulterior.

Aceste atacuri de inceput aparent chiar au sters o mare parte din avioane individuale si a munitiilor pe care posibil ca, cabala sa le fi utilizat pentu a inscena o invazie extraterestra, potrivit membrilor din interior cu care am vorbit.

Totusi, intotdeauna a fost facut cate putin aici,cate putin acolo- niciodata dintr-o data. Aceasta a dat cabalei o speranta falsa ca ar mai putea avea o sansa, chiar si daca infrastructura lor se prabusea.

Este foarte probabil ca extraterestrii nu au distrus pe cont propriu doua orase intregi subterane. Acest atac a fost mult, mult mai mare decat orice atac de pana atunci.

Cred ca Fulford are dreptate cand spune ca "baietii buni" din Pentagon au facut asta ei insisi- pentru a impiedica genocidul sa aiba loc.

O DATA CE INVINGEM CABALA, OPRIM RAPIRILE

[Intrucat cabalul este responsabil de fabricarea si implementarea PLF-urilor, "amenintarea extraterestra" pare a fi in mare masura generata din interiorul acestui grup.

Prin urmare, o data ce invingem cabala, oprim rapirile... si musamalizarea OZN-urilor.]

HAIDETI SA FOLOSIM CE AVEM- PENTRU A TRANSFORMA PLANETA

BF: Si deci, esentialul este urmator, hai sa dezvoltam aceste patente intr-un mod sigur, si puteti avea un moment de senzatie asa cum nu am avut intr-un timp foarte lung.

DW: Corect. In loc de a crea aceste produse financiare care nu sunt decat voodoo, de ce sa nu cladim efectiv infrastructura?

As putea sustine ca probabil complexul industrial-militar existent este singura entitate de pe Pamant care are uneltele, fabricile, infrastructura si personalul necesare pentru a realiza acest lucru.

BF: Yeah! Exact. Si acesta este motivul pentru care generalii sunt acum de partea noastra.

Oamenii care nu sunt de partea noastra sunt in mare parte politicieni mituiti din Washington DC, si multimea din Wall Street. Astfel devin din ce in ce mai izolati.

DE CE DUMNEZEU VOR SA OMOARE ATATIA OAMENI?

DW: Acum ce motiv posibil ar putea sa aiba- acesti adversari... De ce Dumnezeu cred ei ca vor sa reduca populatia?

Mintea omului obisnuit se decupleaza pentru ca ei nu pot concepe ca cineva ar fi atat de rau. Asadar care este rationamentul lor, in masura in care l-ati inteles?

MOARTEA IN MASA " ESTE BUNA PENTRU MEDIUL INCONJURATOR"

BF: Povestea pe care mi-o spun mie este, "Uite. Distrugem mediul inconjurator. Exista prea multi oameni pe care planeta sa ii poata sustine."

CULTIVAREA RASEI UMANE CA GRADINARI

Celalalt lucru este ca acesti oameni sunt elitisti. Ei cred in eugenie.

Spun ca prea multi oameni prosti se reproduc prea mult.

Consumatori inutili. Tot ceea ce fac ei este sa distruga mediul, si nu produc nimic. Ei doar taie frunza la caini si se uita la TV.

Nu avem nevoie de acesti oameni. Vrem sa eliminam partea slaba si partea nefolositoare, si sa pastram doar elita.

Vrem sa crestem si sa imbunatatim calitatea genetica a rasei umane prin curatarea gunoiului din sistem.

Si ajungem sa salvam mediul si sa cream un intreg ecosistem natural nou natural.

GHIDUL DE PIATRA DIN GEORGIA

Ghidul de piatra din Georgia are filosofia sa scrisa. 500 de milioane de oameni pe Pamant, in armonie cu mediul lor inconjurator. Acesta este scopul lui.

Au exprimat-o in eco-termeni.

NAZISTII ERAU ECOLOGISTI

Oamenii pot uita ca Nazistii erau niste oameni verzi grozavi atunci cand venea vorba de conservarea naturii si a parcurilor naturale, toate chestiunile de acest gen. Erau realmente incrancenati.

In Lupta Mea, Hitler a scris ca vroia sa subjuge oamenii care nu erau albi pe care apoi sa ii omoare. E chiar acolo.

Este acelasi grup. Sunt aceeasi Nazisti. Aceeasi filosofie.

[DW: Fulford nu a mentionat faptul ca dupa cel de-al Doilea Razboi Mondial, au fost adusi oameni de stiinta Germani de top in Statele Unite prin Proiectul Paperclip.

Rationamentul era ca daca Statele Unite nu puna mana pe ei, acestia ar fi cazut in mainile Uniunii Sovietice, ceea ce ar fi fost cu mult mai rau.

Este un fapt bine stabilit si dovedit, acela ca Prescott Bush era unul dintre principalii bancheri ai lui Hitler si unul dintre contactele financiare.

Un "Complot Afacerist" a fost incercat in anii 1930, de catre Prescott Bush si altii, ce ar fi dus la rasturnarea guvernului constitutional American si la instalarea unui sistem fascist dupa modelul lui Hitler si al lui Mussolini.]

VROIAU O POPULATIE MICA SI INROBITA PENTRU A II RASFATA

Un alt lucru pe care l-au zis superelitele a fost, "Hey, suntem speciali cu adevarat. Suntem destepti cu adevarat. Noi suntem elita si ar trebui sa conducem planeta ca niste regi-Dumnezeu.

Vom avea nevoie de circa 500 de milioane de sclavi sau cam asa ceva pentru a ne mentine alintati, dar de restul nu avem nevoie."

Si este de asemenea despre control. Nu au controlul spalarii de creier peste parti mari ale planetei.

Au realizat ca nu vor avea cum sa controleze acei oameni. Asa ca s-au gandit" hai sa-i omoram", mai curand aceasta decat a pierde controlul asupra planetei.

CABALA VREA CA TU SA TE SIMTI FARA SPERANTA... SI CONDAMNAT

DW: Acum, o multime de oameni care citesc online despre aceste lucruri, majoritatea vasta de fapt- inclusiv majoritatea invitatiilor pe care Jeff Rense sau Alex Jones i-ar avea in cadrul emisiunii – considera ca exista un inteles incredibil de superficialitate.

Toata lumea pare sa fie de acord cu reactia instinctiva pe care toate guvernele din lume, toate tarile din lume, toata lumea o are.

BF: Acolo este unde ei sunt folositi si transformati in opozitie controlata. Incearca sa ii faca pe oameni indiferenti la mesaj.

"Yeah, se intampla, dar nu poti face nimic in privinta asta. Este inevitabil"

Pur si simply, nu este cazul.

DW: Ai putea explica de ce aceea nu este cazul?

EI CONTROLEAZA DECAT TARILE G5... SI PE CATIVA PE CARE II PLATESC

BF: Ei controleaza doar acum tarile G5.

DW: Care sunt tarile acelea?

BF: Acele tari sunt Italia, Franta, Anglia, Germania, si Statele Unite.

DW: Asta e tot? Vrei sa spui ca nu mai controleaza TOATE celelalte tari din lume?

BF: Daca urmaresti tarile care au acceptat noul... Cred ca poate detin cateva tari care fac obiectul precum Honduras, Columbia si locuri de genul acesta.

MAJORITATEA RESTULUI LUMII ESTE PARTE A ALIANTEI

Daca te uiti la Uniunea Africana, au introdus propria moneda sustinuta de aurul lui Khadafy- si ei nu sustin acest grup.

Sau majoritatea tarilor din Asia, Russia, China.

DW: Ce poti spune despre tarile Europene precum Cehoslovacia, Bulgaria, Romania?

BF: Erau la aceasta intalnire. A avut loc o intalnire in Monaco la sfarsitul lui August.

57 DE TARI S-AU ADUNAT SA DISCUTE DESPRE CUM SA INVINGA CABALA

57 de tari au fost invitate de catre Elvetieni sa discute indepartarea acestor oameni din punct de vedere financiar- si crearea unui boicot financiar international inpotriva conducatorilor G5-ului.

DW: Aceasta declaratie pe care o faci este una incredibila. Spui ca 57 de tari diferite, inclusiv unele din tarile acestea ale Europei de Est...

BF: Acolo erau si reprezentanti din Olanda si Canada, OK?

DW: Wow. Ce putem spune despre America de Sud?

BF: Yeah, desigur. Si de atunci, mai mult de 80 de tari s-au semnat.

VA DEVENI PUBLIC

Ajungem la un moment in care o sa devina public. O sa fie pe undele radio. O sa fie la stiri. Nu mai pot ascunde pentru mult timp.

DW: De ce naiba nu au facut asta public pana acum?

Daca oamenii mor, iar acesti indivizi incearca sa insceneze o invazie a extraterestrilor- acesta este un lucru pe care il tot auzim, faptul ca incearca sa faca un Extraterestru 9/11 - de ce nu au facut-o pana acum public?

BF: Nu crezi ca au incercat?

FOARTE DIFICIL DE OBTINUT PUBLICAREA ADEVARULUI IN CURENTUL PRINCIPAL

Uite, am avut o propunere de carte, la targul de carte de la Berlin. Unsprezece editori au vrut cartea acolo, inclusiv cinci dintre editorii mari.

Cu totii s-au intors si au spus ca sefii lor le-au spus ca nu le este permis.

DW: Wow. [In cazul meu, presedintele Dutton Books, o divizie Penguin, m-a contactat direct. Cu greu vazuse cineva cartea Domeniul Sursa sau continutul sau pana cand a fost publicata efectiv.

BF: Au avut oameni care mergeau si le spuneau tuturor cu care m-am asociat vreodata din punct de vedere profesional, ca devenisem un consumator de droguri nebun.

Controleaza mass-media. Trebuie sa-ti amintesti asta. Exista cinci companii. Cinci corporatii- conduse de oameni ca Rupert Murdoch, redstone si altii.

Detin un control asupra tuturor studiourilor TV, asupra tuturor ziarelor, statiilor radio, studiourilor Hollywood, totul.

ACESTA NU ESTE UN COLAPS ECONOMIC GLOBAL

DW: Deci daca economiile lor se vor duce la fund, pot spune apoi ca este un colaps economic mondial.

BF: Si NU este un colaps economic global!

CRESTEREA CU SAPTE PROCENTE A ECONOMIEI MONDIALE IN AFARA G5--
ului<http://www.reality-choice.org/159/strange-sounds-all-around-the-world>

Din nou, daca va uitati la statisticile publice, veti vedea ca daca excludeti tarile G5, cresterea medie in economia mondiala a anului trecut a fost de 7 procente!

DW: Sfinte Sisoe!

BF: Oamenii sunt trasniti! Nu este o criza mondiala – este o criza intre tarile controlate de aceasta cabala.

DW: Si sunt decat natiunile G5. Wow!

BF: Da! Vreau sa spun, uita-te la statistici. Sunt toate acolo. Totul este in registrul public.

Trebuie doar sa te uiti la website-urile guvernului si sa verifici aceasta.

TOTUL ESTE DISPONIBIL IN RAPORTUL PUBLIC

Tot ce spun - inclusiv planul de a uide 90 la suta din populatia lumii -se află în registrul public. Este în scrierile lor proprii!

Avem nenumărate mărturii. Wernher von Braun, tipul din spatele proiectelor Apollo, a spus pe patul de moarte că ei au de gând să foloseasca o falsa invazie extraterestra ca o scuză pentru genocid.

Sunt lucruri nebunesti - dar sunt demonstrabile.

Acești oameni nu gandesc ca oameni normali. Cred că a fost Herbert Hoover - nu, J. Edgar Hoover - care a spus, atunci când o conspirație este atât de mare, depaseste capacitatea de intelegere a mintii oamenilor și acestia intra în negare.

În orice caz, acesti oameni coboara. Trebuie sa...

DW: (diafonie) Corect. Acum, ați spus ceva care este foarte provocator.

SPUNE-NE MAI MULTE DESPRE ACEASTA INTALNIRE INTERNATIONALA ...

Ați spus că există această întâlnire care a avut loc cu, cred că ați spus, 57 de țări diferite, a fost asa?

BF: Da.

DW: Si aceasta s-a intamplat in Monaco?

BF: Da. Și a fost tinuta la bordul unei nave care a mers în apele internaționale. Potrivit spuselor a doi martori, senatorul Jay Rockefeller a aparut și a încercat să pătrundă în ședință - și a fost alungat din punct de vedere fizic.

CABALA S TRIMIS ELICOPTERE NEGRE - DAR AU FOST ALUNGATE

Două elicoptere negre au aparut deasupra navei în timpul întâlnirii, și au fost alungați de avioane harrier.

DW: Acum, aceste elicoptere negre erau ca cele Apache cu arme pe ele?

BF: Nu cunosc detaliile. Tocmai am auzit că au existat două elicoptere, și exista pericolul ca aveau de gând să utilizeze un anumit tip de armă electromagnetică împotriva avionului.

DW: Oh, precum chestii ca tehnologia de marime scalară. Yeah.

BF: Și știu că au fost alungați de două avioane Harrier.

DW: Wow!

BF: Avioane militare SUA.

AR FI UCIS PE TOTI – SI AR FI INCERCAT SA MENTINA CONTROL

DW: Dacă ar fi reușit cu acele elicoptere, ce credeți că s-ar fi putut întâmpla acolo? Ar fi murit pur și simplu toată lumea?

BF: Ei bine, ar fi omorât toți reprezentanții. Atunci ei ar fi spus, "Hei, suntem la comandă, și dacă încercați să porniți împotriva noastră, vă vom ucide."

Asta este ceea ce au făcut vreodată de la al Doilea Război Mondial.

CUM AR FI PUTUT ACOPERI O UCIDERE IN MASA DE ASEMENEA PROPORTII ?

DW: Dacă atât de multe persoane de interes ar muri în același timp, nu ar deveni un incident internațional masiv, care ar necesita investigații oricum?

BF: Ei au făcut acest lucru înainte. Titanicul a fost scufundat în mod deliberat pentru a scăpa de 600 finanțatori mai vechi care erau opusi preluării controlului asupra Comitetului Rezervei Federale.

DW: Wow.

BF: Ei ar veni cu vreo poveste despre Tragedia de la Monaco. Și bautorii de Kool-Aid de acolo ar crede aceasta!

Îmi pare rău, dar așa stau lucrurile.

[DW: Fără îndoială, elicoptere ar fi plantat și detonat explozibili pe nava după ce ar fi neutralizat pe toată lumea, și apoi ar fi pus-o pe seama teroristilor- și ar fi folosit incidentul într-o încercare de a continua obiectivele lor politice..]

TREI SURSE DIFERITE AU CONFIRMAT ÎNTĂLNIREA

DW: Ai participat tu personal la aceasta intalnire Ben?

BF: Nu. Un coleg apropiat de-al meu a fost acolo. Și, am confirmat-o de la alte două persoane care au fost acolo, care nu sunt inrudite în vreun fel cu acel coleg de-al meu.

A PARTICIPAT LA INTALNIRE VREUN MEMBRU DIN VECHEA ORDINE MONDIALA?

DW: Acum, ce putem spune despre oamenii de la Comisia Trilaterală, Bilderberg, sau Consiliul pentru Relații Externe?

BF: Ei au fost în mod deliberat excluși.

DW: Nici unul dintre ei, indiferent cine?

BF: Indiferent cine. Dacă erau membri, nu li se permitea.

DW: Acesta este motivul de asemenea pentru care lui Jay Rockefeller nu i s-a permis.

BF: Este corect.

ARESTAREA BILDER

Va amintiți întâlnirea Bilderberger care a avut loc în luna iunie, în St Moritz, Elveția în acest an?

Trebuia să dureze până Marți. Cu toții au trebuit să fugă în noaptea de Duminică, pentru că erau pe cale de a fi arestați de către Elvețieni.

YouTube Video

DW: Whoa! Nu am mai auzit niciodată una ca asta.

BF: Ei bine, e acolo!

MEMBRU AL PARLAMENTULUI ELVETIAN BATUT - SI CHEAMA POLITIA SA INTERVINA

Din nou, ceea ce sa întâmplat a fost faptul ca un parlamentar Elvețian a încercat să intre în site și a fost bătut.

A mers la guvernul Elvețian și a spus: "Sunt un membru Elvețian al parlamentului, în țara mea proprie, și m-au bătut și m-au aruncat afara. Asta e ilegal."

Ei au spus; "Da. Vom merge sa- arestam." Ei toți au trebuit să-si impacheteze valizele și să fugă în noaptea de Duminică - înainte de a fi arestați Luni.

DW: Deci, acest lucru ar fi fost ca o echipa swat paramilitara care ar fi măturat.

BF: Ei bine da – autoritatea politiei.

DW: Corect.

BF: Poftim. Bilderbergerii au fost alungați, cu cozile lor între picioare lor.

DW: Incredibil!

BF: Asta e acolo pentru toată lumea să vadă.

CUM POT EFECTIV ACESTE 80 DE TARI SA INVINGA CABALA?

DW: Deci vrei să spui că această intalnire în Monaco a avut loc pe o navă. Aveți reprezentanți din 57 de țări.

Ai spus că acum 80 de țări s-au semnat la acest tratat.

Acum, am putea intra în unele detalii cu privire la de ce acest lucru este atât de important?

Despre ce au vorbit? Cum au de gând să reușească să ceva ca asta, în cazul în care aceste entități - aceste cinci societăți - controlează mass-media lumii??

Hai să discutăm puțin despre aceasta.

O DATA CE NU POT PLATI TERORISTII, SUNT TERMINATI

BF: Vezi tu, ei nu controlează banii lumii.

Odată ce ei pierd controlul teroristilor, oamenii cu armele, atunci asta este.

PATRIOTII PENTAGONULUI VOR DEPASII LIVRARILE MASS-MEDIA ALE CABALEI

La un moment dat, cred că Pentagonul va trimite probabil oameni la sediurile TV centrale din Statele Unite.

Veti vedea fețe noi și o poveste total diferită iesind din televizoarele voastre în curând.

DW: Acesta este, de asemenea, o declarație foarte grea.

PENTAGONUL NU ESTE O PARTE DIN PROBLEMA?

Care este contextul Pentagonului în lumina acestei întâlniri a 57 de țări diferite?

Nu ar fi toată lumea de la Pentagon parte din Comisia Bilderberg / Trilaterală ?

BF: Nu. Pentagonul a fost reprezentat acolo. Comisia Bilderberg / Trilaterală nu a fost.

MAJORITATEA PENTAGONULUI SPRIJINA ALIANȚA

DW: Ce procent din Pentagon este de partea acestei alianțe?

BF: IAm auzit că singurii generali care nu sunt la bord sunt [indivizi] ca Petraeus.

Din ce am auzit, cei mai multi dintre Sefii de Legatura sunt acum cu acest grup.

DW: Ce zici de nivelurile inferioare ale ierarhiei? Precum soldații.

BF: Nivelurile inferioare sunt complet enervate. Acestea îl susțin pe Ron Paul

YouTube Video

- și știu că există ceva total greșit.

[**DW:** Oamenii mei din interior mi-au spus că are loc o luptă masivă în cadrul militar între cei care ar aresta, reține și ucide cetățenii americani și cei care nu ar face acestea.

Majoritatea respinge planurile, aproximativ 80-90 la sută, din ce am auzit. Nu poți câștiga o bătălie împotriva acelor cote.]

POPORUL AMERICAN E PREGATIT PENTRU SCHIMBARE REVOLUTIONARA

Sondajele de opinie din Statele Unite arată că 87 la suta din Americani nu au încredere în Washington. Asta ar trebui să-ți spună care este starea mentală de acum în America.

Iar ei spun, "Nu mai vrem acești ticăloși la conducere." Sunt supărați, dar nu sunt siguri pe cine ar trebui să fie supărați.

Asta e, cred, modul în care majoritatea americanilor gândesc.

Ei știu că ceva este în neregulă. Ei știu că are de-a face cu Wall Street și Washington.

Ei nu cunosc detaliile, dar și-ar dori ca cineva să vină și să facă ceva în privința asta.

Și asta este ceea ce se va întâmpla.

Acești oameni vor merge la închisoare.

"NEOCONSERVATORII" SUNT CONDUCATORII CABALEI

Și pot să vă spun cine sunt liderii.

Oameni ca Henry Kissinger, George Bush Senior, George Bush Junior, Donald Rumsfeld, Wolfowitz Paul, și Tony Blair. Știm cine sunt.

DW: Deci aceștia sunt Neoconservatorii și aliații lor.

BF: Neoconservatorii este eticheta pe care o utilizați pentru ei.

Acesta este grupul care a avut acest plan nebunesc acela că ar putea cumva prelua controlul asupra petrolului lumii și să continue să controleze lumea până la sfârșitul secolului 21.

Știm cine sunt. Când dai la o parte acea cortina, este ca Vrajitorul din Oz. Tragi de-o parte cortina și vezi un micut om care sta la biroul de control.

(diafonie) Și asta e ceea ce s-a întâmplat atunci când m-am dus ...

YouTube Video

MULTE RETELE MASS-MEDIA NU PAR SA FIE LIVRARI NEOCONSERVATORIALE

DW: (diafonie) Ok. Cred că cei mai mulți oameni ar recunoaste că Fox News și Corporatia de stiri ar putea fi agenti platiti ai acestor indivizi.

Dar pentru a spune ... deci practic spui că toata mass-media din America, in cea mai mare parte, este controlata de acesti oameni?

De ce s-ar asemana mass-media si nu toate cu Fox, atunci?

NIMENI NU DISCUTA VREODATA DESPRE ADEVARUL DESPRE 9/11

BF: Câte rețele importante si studiouri de la Hollywood au publicat adevarul 9 / 11 ?
Ok?

DW: Ai dreptate.

BF: Doar puneti-va intrebari in legatura cu aceea. Și atunci puteți înțelege.

[Henry Makow a lansat recent o noua mărturie exploziva de la un membru din interiorul Hollywood care a explicat că toate studiourile de filme sunt inspectate și aprobate de către cabala înainte de eliberare - pentru a se asigura ca le promovează planul lor de bază.]

DW: Deci ati spune ca....

BF: (diafonie) Uite, trebuie sa plec, dar ceea ce vă spun este aceasta.

STIM EXACT CINE A CHELTUIT BANII

Am gasit aceasta chestie numita Conturile Colaterale Globale. Este un dictionar care arata cine a folosit banii lumii de la sfarsitul celui de-al Doilea Razboi Mondial- si pentru ce motiv.

Are o lista cu nume. De exemplu, cine a finantat Razboiul din Vietnam si de ce. Toate chestiunile de genul acesta.

Avem aceste inregistrari acum.

NUMERE MASIVE DE NOI AVERTIZORI DE INTEGRITATE ISI OFERA SERVICIILE

Avem persoane care abandoneaza cabala aceea ca sobolanii care sar de pe un vas care se scufunda

Avem un anuar biografic international care vine la noi cu informații.

ACESTA AR PUTEA FI CEL MAI MARE EVENIMENT IN 2000 DE ANI

Atunci când se va întâmpla acest lucru, aceasta va fi, cred, în cele din urmă cel mai important lucru - cu siguranță de la Al Doilea Război Mondial. Posibil cel mai important lucru în două mii de ani.

Vom vedea ceva ... o cabală vechi care a controlat umanitatea prin crimă, propagandă și luare de mită, posibil pe timp de mii de ani.

O să ajunga la final. Va fi ceva ce nu s-a întâmplat înainte în istoria planetei noastre.

Va fi incredibil ... practic vorbim despre sfarsitul tiraniei in stilul Babilonian.

DW: Wow.

BF: Asta e cat de departe s-a intors inapoi.

VATICANUL SI LOJA P2 REVENDICA CONTROLUL SECRET DE LA JULIUS CAESAR

Desigur loja Francmasonica P2 si Vaticanul afirma ca au controlat lucrurile în secret inca de pe vremea lui Iulius Cezar.

DW: Wow. [Un alt mod de a spune acest lucru este acela ca Imperiul Roman nu s-a încheiat niciodata cu adevărat - doar a devenit mult mai ascunsă și discreta în exercitarea puterii sale.]

BF: M-am dus în Italia. I-am întâlnit și au încercat să mă otraveasca. Ei nu credeau că voi iesi viu din Italia cu informațiile pe care mi le-au dat - dar am făcut-o.

[DW: La acea vreme, Fulford a spus ca aceste persoane i-au spus despre precesia 25920 de ani a ciclului echinoctiilor. Ei au moștenit profeții că o Epoca de Aur ar rezulta din acest ciclu, și efectele sale, începând după anul 2012.

Ei sunt foarte inexacti despre modul în care profeția ar fi îndeplinita, așa cum am discutat în noua mea carte - dar au fost dintotdeauna puternic conștienți de acest lucru precum programul lor, motiv pentru care există aceasta urgenta.

Fulford nu l-a inclus aici, dar amandoua factiunile Rockefeller si Rothschild sunt forțate să demisioneze și să renunte la control de catre această alianță 80-tari. Acesta este motivul pentru care n-au fost permisi nici unul din membrii Bilderberg / CFR / Trilaterale.

Unele surse din interior au dezvăluit că ei deja elaborează amănunțit termenii predării la un nivel foarte ridicat, iar procesul este destul de greu de suportat pentru ei - cu o mulțime de certuri și orgolii zdrobite.]

DW: Ok. Câteva întrebări rapide doar ca să nu mai vorbim despre aceasta.

CINE A ATACAT BAZELE CU ARMA NUCLEARĂ? A FOST ACEASTA O PARTE DIN ACORDURILE DE LA MONACO?

Cine a făcut bazele subterane, în estimarea dvs.? Cine le-a atacat și de ce? Are vreo legătură cu această întâlnire din Monaco?

BF: Da. Erau Palariile Albe ale Pentagonului care spuneau elitei, "Nu veți distruge suprafața planetei și să scăpați voi înșivă."

"Dacă aveți de gând să distrugeți suprafața planetei, va veți distruge de asemenea și familiile. Nu veți putea să scăpați."

Le-au arătat cât se poate de clar faptul că nu vor putea să inițieze un fel de holocaust nuclear și să fie în măsură să scape cu asta.

DW: Corect. [Există dovezi ample că oricum extraterestrii nu le vor permite să atace cu arme nucleare civili nevinovați - dar ei cu siguranța continuă să încerce.

Evenimente precum Hiroshima, Nagasaki și Fukushima sunt mult mai puțin grave decât anvergura a ceea ce s-ar putea face într-un atac nuclear suprem.

Având în vedere măsura în care extraterestrii au oprit orice și toate bunurile nucleare ale Vechii Ordini Mondiale, este uimitor faptul că, cabala a continuat să fie în negare și au continuat să creadă că li s-ar permite vreodată să le utilizeze asupra oricărui nivel semnificativ..]

ACUM NU MAI AU UNDE SĂ SE ASCUNDA

Tipii ăștia dintotdeauna trebuie să se fi gândit într-un fel sau altul că aceste baze au fost în siguranță. Și acum, niciuna dintre ele nu este în siguranță.

BF: Da. Ei au avut serele lor, și proviziile lor de hrană, și televizoarele lor cu ecran mare, și rezerva lor de femei.

Este precum Dr. Strangelove." Ne vom ascunde în tunelurile noastre cu doamnelor noastre tinere în timp ce toată lumea de pe suprafața moare."

DW: Corect.

BF: "Apoi, vom ieși și vom prelua planeta - și înmulții ca iepurii."

Ei bine, asta nu se va întâmpla. OK?

ACUM AU HARTI DETALIATE ȘI FILME ALE TUTUROR BAZELOR

DW: Ati avut declarat pe blog-ul dvs. că unii dintre oamenii dumneavoastra care au fost acolo în Monaco au hărți detaliate ale acestor baze subterane.

Ei știu exact unde sunt. A fost aratata și adancimea bazelor?

BF: Este corect. [Pentagonul a dat această dovadă pentru ca] guvernele lumii sa arate, "Da, e adevărat. Acești oameni nebuni planuiau sa ucida 90% din umanitate."

Guvernele lumii cunosc acest lucru.

CUM S-AR PUTEA PETRECE EVENIMENTUL ACESTA- SI CAND?

DW: Ok, deci cum ne putem aștepta ca acest eveniment va avea loc? Ce s-ar putea întâmpla și când s-ar putea întâmpla?

Ce cercetam? In ce vom intra aici? Care vor fi precursori acestui lucru?

BF: Există mai multe posibilități.

Cea pe care o aud cel mai mult, cea pe care Pentagonul o susține, este un proces care ar conduce la arestarea cabalilor de top.

MARTURIA PROPRIE A LUI WILCOCK A CEEA CE SE ASTEAPTA

[DW: Oamenii mei proprii din interior se asteapta ca dolarul este pe cale să se prăbușească, multumita acestui efort international coordonat - urmat de declaratia oficială a falimentului de către guvernul Statelor Unite. Acesta va fi evenimentul precursor imediat.

NOU-update 19 oct

A inceput!

Doua evenimente majore au loc la acest moment. In timp ce miscarea #Occupy (Ocupa) se ramifica peste tot pe planeta, Federatia Galactica inchide bazele subterane ale Cabalei Intunecate. In alte cuvinte: oamenii Pamantului se ridica si prietenii nostri galactici coboara. Este doar o chestiune de timp pana se vor intalni!

Miscarea Occupy Wall Street, USA

David Wilcock: "MULTE baze subterane sunt acum complet curatate... materiale, echipamente si personal... de catre forte inca necunoscute.

O coalitie internationala, care intentioneaza sa darama Vechea Ordine Mondiala si sa elibereze umanitatea din sclavie, isi asuma responsabilitatea. Ei par sa aibe asistenta ExtraTerestra in misiunea lor."

David Wilcock: "Nu stii cat va mai dura pana ce rezultatele a toate acestea vor deveni publice pentru toata lumea, dar cu siguranta se pare ca Vechea Ordine Mondiala este fortata sa se predea de catre aceiasi ExtraTerestrii, care in mod sistematic ne-au protejat de un holocaust nuclear."

Matthew Ward, prin Suzy Ward: "Poate ca ati auzit ca doua vaste zone subterane, care adaposteau laboratoarele controlate de Illuminati, vehiculele, armamentul, hangarele si zonele de locuit au fost distruse, insa aceasta a avut loc prin angrenarea unor tehnologii non-agresive (eng. safe technologies, n.t.), nu cu dispozitive nucleare; si unii din tabara Illuminati-lor au fost inlaturati de la conducere, insa nu prin uciderea lor. Atat ca masuri defensive, cat si ofensive, fortele luminii folosesc doar puterea luminii si tehnologii care nu au efecte pe termen lung."

Montague Keen, prin Veronica Keen: "Putini dintre voi inteleg gradul de coruptie doar din sistemul bancar. Ei au distrus tari intregi. Ei au creat saracie si suferinta oricand si oriunde au ales sa faca aceasta. Insa locurile lor de a se ascunde au fost demolate. Ei vor face fata consecintelor actiunilor lor."

Federatia Galactica, prin Sheldan Nidle: "Prin urmare, de-a lungul ultimelor catorva luni noi am inceput sa ne intensificam asistenta, atat alaturi de aliatii nostri Pamanteni, cat si alaturi de aceia care au dorit in mod activ sa urmareaca sa foloseasca constrangerea, pentru a scoate cabala intunecata din bazele sale subterane si au avut succes. Mai departe, fortele noastre de aparare au demontat tehnologiile 'avansate', care se aflau sechestrate in acele baze, cu intentia de a le nega celor intunecati posibilitatea crearii unui hoas de ultim minut, pe care ei inca insista sa il planuiasca.

(...)

Cerurile ne sfatuiesc acum sa intervenim in cai spre care anterior nu eram inclinati sa le folosim si le-am oferit asistenta acelor care au 'curatat' un numar de baze subterane majore. Noi de asemenea am intrerupt sau am distrus cateva dispozitive folosite de intuneric, ca parte a operatiunilor sale complexe, care aveau ca scop prevenirea ridicarii/accesului (oemnnirii, n.t.) la constiinta deplina. Momentul sosirii noastre pe taramurile voastre este la indemana!"

Federatia Galactica, prin Wanderer of the Skies: "Bazele subterane, despre care am discutat in trecut si care adapostesc acele fractiuni ale Illuminati-lor care au avut cea mai mare rezistenta la aceste schimbari, au fost intr-adevar distruse cu nici o pierdere de vieti omenesti, pe care am fost capabili sa le detectam. Un mesaj clar a fost trimis unora dintre ultimii rezistenti, in legatura cu intelegerile deja discutate, pentru predarea Illuminati-lor si capitularea lor din parcursul evolutiei voastre. Alte surse au inceput sa raporteze asupra acestor evenimente si Illuminati nu au nevoie de nici o confirmare a ceea ce s-a petrecut. Acel mesaj, dupa cum am fost capabili sa monitorizam emotiile si gandurile celor afectati, a fost chiar puternic percept

de acestia. Ei sunt acum constienti ca nu mai exista nici o alternativa si ca acesta este sfarsitul lor."

Miscarea Occupy Amsterdam, Olanda

Miscarea Occupy Bucuresti, Romania

Miscarea Occupy Lisbona, Portugalia

Miscarea Occupy London, UK (in centru: Julian Assange cu al sau Wikileaks)

Miscarea Occupy Manilla, Philippine

David Wilcock: "Ce pot sa faca, in cel mai bun caz, Puterile care Au Fost este sa sustina Miscarea Occupy Wall Street, deoarece ele stiu ca intreaga lor "economie neagra" este pe cale sa fie inchisa oricum. Este prea tarziu si ei stiu aceasta. Batalia a fost pierduta. Ei nu credeau ca va fi posibil vreodata sa fie invinsi, dar ei sunt foarte constienti de colapsul lor iminent... multumita acestei vaste coalitii internationale.

(...)

Dupa cum s-a spus in Prima Parte, oameni din interior si de la varf spun acum ca incarcaturi explozive au fost puse in poduri cheie si piste de decolare de pe suprafata Statelor Unite. Sistemul (de autostrazi (?))

Interstatal Eisenhower, inca din conceptia sa, avea construite locasuri in structura podurilor, unde dispozitive incendiare puteau fi puse, in toate punctele cheie necesare pentru a le darama. "

Matthew Ward, prin Suzy Ward: "Ei (Federatia Galactica) sunt constienti de planurile Illuminati-lor si daca acestea includ armarea podurilor importante cu explozibili, care sa poata fi detonati de la distanta, ei sunt autorizati sa previna aceasta. In vreme ce aceasta poate parea o violare a legii Creatorului la o vointa libera, nu este – este onorarea vointei libere a Mamei Pamant. Dupa 11 Septembrie 2001, ea a ales ca orice alta tentativa de terorism de o asemenea proportie sa fie prevenita si, cu autorizarea Lui Dumnezeu, familia noastra universala a dejucat cu succes multe incercari."

David Wilcock: "Unul dintre cele mai emotionante lucruri pe care le-am auzit in ultima vreme este ca un OZN sferic, avand un diametru de zece mii (aproximativ 16 km), sta acum parcat in orbita superioara a Pamantului. Peste 200 de nave mai mici au fost vazute intrand si iesind din nava mama, multumita usilor rotunde care se deschid si se inchid. La toate acestea au fost martori personalul Statiei Spatiale Internationale, printre altii. (Exista o multime de dispozitive optice la bord care ar fi putut repera nave altfel 'invaluite' (eng. 'cloaked'), pentru spectrul de lumina vizibil in mod normal) "

SaLuSa, prin Mike Quinsey: "Sunt SaLuSa din Sirius si as mentiona ca unele dintre Navele noastre Mama mai mici sunt pozitionate putin mai aproape de Pamant, permitandu-ne sa ajungem mai repede la voi cu navele noastre de cercetare. Nevoia de a-i urmari pe Cei intunecati si activitatile lor este vitala in aceste faze de sfarsit, care duc la inlaturarea lor. Astfel ii putem opri de la a mai incerca inca un nou incident major, menit sa intarzie sfarsitul lor. "

Ocupa Totul!

Cele ce urmează reprezintă comunicarea făcută de Arhan. Mihail prin channeler-ul Linda Dillon, membră a Consiliului Iubirii, lui Steve Beckow. Comunicarea a fost făcută după data de 21 iunie 2011, dar publicarea ei a fost întârziată ca urmare a dorinței reprezentanților galactici deoarece s-a considerat că încă lumea nu era pregătită să primească unele vești legate de ascensiune, ” ziua de întuneric”, unele evenimente care urmează a se produce pe Pământ și ce se va întâmpla cu ființele umane care nu vor alege ascensionarea, toate având ca termen limită sfârșitul anului 2012.

Mulțumesc lui Ellen pentru punerea în pagină a acestei conversații.

AAM: Eu mă aflu destul de des pe tărâmul uman, al planetei Pământ. Aduc iubire și pace tuturor. Este o iubire sacră din care toți sunt invitați să facă parte.

Nu fi dezamăgit și descurajat, prietene, de modul în care se desfășoară aventura umană. Este adevărat că situația se schimbă frecvent în mai bine sau mai puțin bine, dar, pe fond, lucrurile înaintează. Vă asigur că totul se desfășoară conform Planului Divin, pentru sistemul vostru planetar și pentru universul din care faceți parte. Ridicarea vibrației acestei planete este, ca să zicem așa, în grafic.

Desigur, era de înțeles și de anticipat că pentru mulți aceasta înseamnă punerea de acord a evoluției lor personale cu ascensiunea planetei.

Unele dintre manifestările care au loc produc mare îngrijorare celor care se tem pentru viața lor dar, mai ales, pentru avuția lor ce nu pare a mai fi în deplină siguranță.

Cei care sunt preocupați de creșterea nivelului lor de vibrație, de evoluția lor spirituală, nu se simt amenințați deși și ei trăiesc în mijlocul aceluiași evenimente. Simțurile lor, inima și sufletul lor înțeleg că se produce ceva absolut necesar și că fiecare zi aduce noi dovezi ale înaintării pe cale.

S : Doamne, știu că înainte de a-ți pune întrebările care mă frământă, tu le cunoști deja. Așa este?

AAM : Ei bine, să zicem că sunt.... foarte aproape.

[Râsete]

Vreau ca această comunicare să fie în ambele sensuri, să fie deci, o conversație. Nu vreau ca voi să ascultați doar ceea ce am să vă comunic eu.

S : Bine.

AAM: Deci, putem începe.

S: Am, desigur, de pus unele întrebări. Aș vrea să ne spui ce s-a petrecut pe 21 iunie, dacă este posibil. **AAM:** A fost vorba despre frică. Permite-mi să dezvolt subiectul.

Eu nu mă refer la omul instruit, omul avizat spiritual, ci la omul de pe stradă care habar nu are ce se întâmplă dincolo de ceea ce se poate vedea și pipăi. Evenimentul care trebuia să se producă pe 21 iunie 2011 a fost amânat deoarece nu exista garanția că apariția reprezentanților unor civilizații extraterestre nu ar fi creat panică și teamă în rândul mării majorități a populației.

Noi am cerut conducătorilor unor țări mai influente, printre care SUA, Franța, China, și chiar Israelului permisiunea de a debarca pe planetă astfel încât să dovedim existența indubitabilă a altor civilizații în univers. Această apariție ar fi constituit un mare imbold în trezirea celor mai mulți dintre pământeni care nu cred în această realitate universală. Efectul ar fost puternic pe mai multe planuri: militar, politic, social, economic, religios și s-ar fi soldat cu o creștere exponențială a vibrației, la nivel individual și colectiv. Suntem siguri că manifestări caracteristice umanității de pe planeta voastră, cum ar fi minciuna, lăcomia, dorința de îmbogățire materială, ura și răzbunarea, ar fi primit o lovitură extrem de puternică.

S: Evident .

AAM : Dar când analiștii economici au început cu adevărat să se gândească la modul în care această schimbare s-ar fi produs în realitate, au considerat că impactul asupra societății și economiei mondiale ar fi fost extrem de puternic, imposibil ca efectele să mai poată fi ținute sub control.

În plus, se pune și problema forțelor militare care ar fi trebuit, după părerea lor, să fie puse în dispozitiv pentru a asigura ordinea și legalitatea, inclusiv, asigurarea protecției participanților împotriva celor care nu vedeau cu ochi buni acest contact.

Ceea ce ei nu vad, dar ce au înțeles vizionarii, grupul de bază, era destul de clar asupra impactului pe care l-ar fi avut această întâlnire. Înțelegem că este o perioadă a schimbărilor majore în economia mondială, ceea ce induce o mare volatilitate a evenimentelor, dar contactul care ar fi trebuit să aibă loc nu ar fi agravat situația, ba dimpotrivă, ar fi clarificat mult lucrurile. Esența problemei s-a redus însă la frica de necunoscut. Au fost perioade foarte favorabile pentru ca evenimentul să se producă, dar ele au fost ratate din cauza faptului că nu ne vom permite niciodată să încălcăm liberul arbitru al cuiva.

Acum, tu îmi vei spune : dar, Doamne, dacă spui că mai trebuie încă așteptat, asta se poate amâna la nesfârșit. Iar eu îți voi răspunde, fratele meu, că această situație nu se va prelungi prea mult timp.

Aș face o comparație plastică asupra acestei situații. Să zicem că la o piscină, un tânăr urcă pentru a sări, pentru prima oară, de la trambulină. La început îi va fi teamă, poate va mai aștepta câteva momente să-și facă curaj, poate chiar va ceda rândul altcuiva. Până la urmă însă, va prinde curaj și va face saltul, căci doar nu va aștepta pe platformă până când apa va îngheța.

S : Trebuie să înțelegi că prea de multe ori a fost amânat acest eveniment încât lumea începe să creadă că nu se va mai produce . În plus, apar și unele îndoieli asupra a ceea ce urmează să aibă loc pe 21 dec.2012. Unii spun că se amână pentru 2013, 2015 sau 2030 etc. Data de 21 decembrie 2012 rămâne valabilă sau nu?

AAM: Da, rămâne. Nu ne face prea mare plăcere să ne jucăm cu datele. Trebuie să se întâmple inevitabilul că doar nu vom aștepta”să înghețe apa în piscină” Jocul acesta cu datele îi cam deranjează pe unii iar pe alții a început să-i distreze, nu?

S : Cred ca da, da. Chiar și un supărat o poate da pe glumă.

AAM : Da, este adevărat. Pariurile sunt la modă în sport și în politică.

În fond este vorba de o lipsă de credință, de încredere, nu numai în ceea ce privește o anume problemă dar și în sinele lor sacru din interior. În această perioadă totul iese la suprafață, nimic nu rămâne îngropat în adâncurile ființei. Cei care nu cred că se va întâmpla niciodată sau prea curând nu trebuie condamnați, ci priviți cu înțelegere și compasiune. Ar trebui însă se știe că întregul Univers se poate schimba într-o milisecundă, dacă este nevoie.

S: Schimbarea pe care o așteptăm s-ar putea produce chiar înainte de 21 dec.2012?

AAM: Da, este corect. Noi nu obișnuim să creăm lumii voastre false așteptări. Ar fi contrar Legii Universale și contrar Principiilor Iubirii. Datele la care s-a făcut cunoscut un anume eveniment nu au trecut fără să se întâmple ceva, chiar dacă, pentru majoritatea dintre voi, nu a fost ceva palpabil, care să poată fi recunoscut de simțuri. Cei care meditează și desfășoară activități spirituale menite să le ușureze înaintarea și să le crească frecvența de vibrație nu cred că se vor supăra dacă evenimentele așteptate s-ar produce mai devreme, în septembrie, să zicem!

S: Evident că nu. Totuși, va fi o schimbare care se va produce în timp, gradual sau instantaneu?

AAM: Este deja în curs de desfășurare.

S: Da?

AAM: Dar cum știi când are loc? Există un moment când ușa începe să se deschidă dar trezirea este treptată. Cei care sunt atenți pot sesiza modificări în mentalul colectiv și individual, în planul emoțional și cel fizic. Dar există un moment anume când acesta se fixează. Acea scurtă perioadă poate dura aproximativ 20 - 24, 26 de ore.

S: Cum ai descrie, Doamne, acel moment? Va fi o deschidere a unui portal sau o schimbare de vibrație, sau ...?.Cam cum s-ar putea exprima în cuvinte?

AAM: Va fi o schimbare în vibrația colectivă pe întregul Pământ. O vibrație diferită. Deci, nu este vorba de a trece printr-un portal.

S: OK.

AAM: Voi ați trecut până acum prin multe portaluri care v-au schimbat mentalitatea, felul de a gândi, atitudinea față de lume și de univers, nivelul de conștiință etc totul întâmplându-se în timp și în anumite doze proprii fiecărei ființe.

S : Corect.

AAM: Unii oameni au trecut prin ele cu multă nerăbdare. Cu siguranță, și planeta voastră a trecut prin ele. Dar va exista un moment care vi se va părea a fi de durata unei

zile sau cam așa ceva. În momentul acela se va produce o amplă armonizare la nivel de umanitate și de planetă.

S : Și ne vom trezi unii în 3D sau 4D iar alții în 5D sau mai înaltă?

AAM : Da, unul din lucrurile pe care le auzim foarte des este, voi mai avea un corp? Vom mai putea face ceea ce facem acum în corp fizic? Pământul va dispărea? Prietenii mei vor dispărea? Și câinele meu va dispărea?[Râsete]. Cel mai probabil, câinele va rămâne! [Râsete]

S: Câinele va avea o viață fericită!

Mai există întrebări legate de cele trei zile de întuneric etc. Oamenii sunt dornici să afle ce se va întâmpla, ce-i așteaptă. Primesc un alt corp fizic, vor merge în alt loc? Cu se va întâmpla: lăsăm Pământul 3D în spate și ajungem într-un Pământ 5D? Ei nu știu la ce să se aștepte.

AAM: Nu, nu. Ganditi-va ca la o clipire. Ai clipit și când ai deschis ochii cameră pare mai luminosă dintr-o dată! Acest lucru se întâmplă tot timpul în meditațiile voastre. Este ca o clipire.

Pământul a făcut deja cea mai mare parte a tranziției.

Și o mare parte din modificările Pământului la care sunteți și voi martori, ajută sufletele colective, oamenii să-și facă transformările necesare. Aceasta durează mai mult decât o clipire. Este posibil să aveți o experiență în plan fizic - pentru că face parte din bucuria de a fi pe acest Pământ - dacă veți alege astfel. Este o schimbare de potențial impusă de alegerile voastre. Va fi ca un mecanism de sortare și curățare. Ceea ce va fi de aruncat va fi aruncat, ceea ce va fi de curățat și scos la lumină, se va face. Se va curăța orice urmă de frică, de egoism, de suspiciune și de întuneric.

În acel moment , momentul pe care-l așteptăm, va exista o alegere. Vrei – și asta se va putea întâmpla instantaneu – să asculți îndemnurile inimii, ale dragostei? Alegi o frecvență de vibrație mai înaltă?

Linda Dillon

Dacă ai spus cu tot sufletul că vrei, un val de o anumită energie îți va cuprinde ființa. Celor care nu vor alege această cale, li se va respecta dorința. Nu va însemna că au făcut o alegere proastă ci doar că au optat pentru o altă cale, care-i va conduce, până la urmă, tot acolo; dar mai târziu, după ce își vor termina programul pe care și l-au ales.

Ei vor pleca și aceasta nu trebuie să provoace nimănui tristețe. Poate un pic de nostalgie din partea prietenilor car nu-i vor însoți.

Ei vor înțelege, la nivel de suflet, că nu au cum să mai rămână, din moment ce frecvența lor de vibrație nu va mai fi în rezonanță cu cea a planetei.

S: Ce se va întâmpla cu acest Pământ, Pământul 3D? Nu va mai exista? Asta vrei să spui, Doamne?

AAM : Da, asta este ceea ce vreau să spun. Înțelege, Pământul 3D, nu va mai exista.

AAM: În acel moment, fiecare va avea de făcut o alegere. Calea va fi aleasă instantaneu, în conformitate cu dorința inimii și nivelului de evoluție la care a ajuns ființa. Cine nu dorește să-și stabilizeze ființa la o vibrație înaltă, o poate face.

Cine a ales vibrația înaltă va fi inundat de o energie de o anumită calitate și frecvență, așa cum am mai spus. Toți vor fi invitați să o facă dar nimeni nu va fi obligat și nu va fi certat dacă va alege să-și păstreze vechia vibrație, vechiul statut de ființă trăitoare în 3D.

S : Și după acel moment?

AAM: Mai puteți avea experiențe proprii planului 3D dar în care nu se vor mai regăsi unele caracteristici pe care le cunoșteți.

S : Ce anume va cuprinde acest mod de existență?

AAM: Va fi o realitate fizică, inclusiv de dragoste, întruchiparea fizică a bucuriei, un model de experiență incredibilă, de o mare diversitate, de interconectare cu alte planuri, de dragoste, de comuniune. Se va restaura acea stare care a fost aleasă pentru voi de la început, dar de care v-ați îndepărtat în timp.

S: Se poate vorbi la acest moment de existența Pământului în cea de a cincea dimensiune?

AAM: Da, corect.

S: Cei care nu vor alege ascensiunea în dimensiunile următoare, vor putea rămâne pe un eventual Pământ 3D sau vor merge în altă locație?

AAM: Ei se vor regăsi în altă parte.

S: Acolo unde vor merge, își vor păstra starea în care-i va găsi acel moment al alegerii?

AAM: Ei se vor întoarce ACASA urmând a se reîncarna. (Nota C.M.: Adică vor părăsi Pământul prin moartea corpului fizic). **S:** Se vor regăsi în planul astral?

AAM: Da. Ei vor fi asistați și consiliați în stabilirea locului unde se vor renaște în corp fizic.

S: Și actualul nostru Pământ 3D nu va mai exista?

AAM: Oh, nu; el va mai exista dar în planul 5D.

S: Bine. Pământul va exista în forma în care se află acum?

AAM: Nu, va exista așa cum există acum [dar în 5D], însă în perfecțiunea lui divină. Pe el vă veți putea demonstra creativitatea.

S: Da.

AAM: Mulți vor face modificari, prietenul meu.

S: Voi fi fericit să am posibilitatea de a aduce unele modificări.

AAM: Asta va fi diferența: abilitatea de a crea și a co-crea, cu dragoste. Este utilizarea activă a energiei pentru a pune în practică idei creative.

S: Lasă-mă să văd dacă am înțeles corect lucrurile. Oamenii care vor spune DA vor merge la 5D, oamenii care vor spune NU vor merge în planul astral. Va exista acolo o viață asemănătoare cu ceea ce vor fi lăsat pe Pământ (în sens 3D)?

AAM: Da, dar în sens 5D. (Nota C.M.: Până la reîncarnare)

S: Și cine ar fi sau ce ar fi aceștia?

AAM: Ar fi cei care sunt în a cincea dimensiune, dar care doresc să și experimenteze în plan fizic.

S: Mă tem că nu te înțeleg corect. Nu vorbim despre experiențe fizice în planul 5D?

AAM: Ba da, și asta va fi pe Pământul ajuns în 5D.

S: Oh, cred că sunt un pic confuz. Eu vorbesc despre două lucruri diferite. Unul dintre ele este Pământul 3D, iar celălalt este Pământul 5D.

AAM: Pământul 3D a făcut deja schimbarea de cosmetizare. El nu va mai fi acolo.

S: ?!

AAM: Este similar cu o reîntrupare a ființei umane venită din 3D și reîncarnată în 5D. Saltul vostru va fi simultan (al planetei și al ființei umane)

S: Bine. Și ce lăsăm în 3D?

AAM: Nimic, căci totul totul se va transmuta.

S: Ahhh. Bine.

Steave

AAM: Imi pare rău! Nu am fost destul de clar.

S: Deci, nu va mai exista niciun Pământ 3D după această dată?

AAM: Asta este; corect.

S: Oh, până acum eu nu am înțeles așa.

AAM: Pământul, Gaia nu vrea să aibă un duplicat pe care să mai existe energii ale dimensiunii a 3-a.

S: Aha! Spre deosebire de Venus, spre exemplu? (Nota lui Steve: În mesajul lui Ker-on, de pe Venus, acesta spunea: " Eu vin de pe planeta Venus asociată de voi cu energia iubirii pe care, totuși, știința voastră o vede ca pe o planetă ostilă vieții dar care, în realitate, este extrem de frumoasă, etalându-și cu eleganță orașele sale de cristal. Voi priviți celelalte planete și considerați că viața nu ar putea exista pe ele, deși mulți parametri sunt asemănători cu cei ai Pământului, în unele privințe acestea fiind chiar superiori".Din articolul "Ker-On de pe Venus, 22 octombrie 2008")

AAM: Da, a existat acolo o diviziune, dar Pământul a făcut o alegere diferită.

S : Da, încerc să diger această informație care, pentru mine, este o noutate. Deci, nu va mai fi un Pământ 3D. Oamenii care vor spune NU vor merge în astral ,iar oamenii care vor spune DA își vor continua existența pe Pământul înălțat în 5D.

AAM: Asta este corect.

S: M-am dumirit! Mulțumesc!

AAM: Veți merge împreună, "la pachet", prietenul meu (Râde).

S : Da, într-adevăr.

Vor exista trei zile de întuneric, sau părerea este complet greșită?

AAM: Da, va fi o perioadă de întuneric. Este foarte puțin probabil să dureze trei zile. Eu apreciez că va fi vorba de cca 20 de ore, deci, cam o zi de-a voastră.

S : Și ce vom face în cele 20 de ore?

AAM: Ei bine, o mare parte dintre voi vor dormi, alții vor fi conștienți și vor primi indicații pe care le vor auzi în inima lor. Este recomandat ca lumea să nu se panicheze și să aibă deplină încredere în proces și în comunicatori.

S: Corect. Bine. O indicație foarte utilă. Cred că este pentru prima oară când încep să înțeleg și să apreciez ceea ce se va întâmpla la acel moment.

Acum , permiteți-mi să vă mai pun câteva întrebări.

În unele comunicări pe care le face SaLuSa s-a spus că anumite termene au fost fixate de cea mai înaltă autoritate Divină.Eu poate nu înțeleg conceptul de termen divin, totuși, gândesc că, odată ce acel termen a fost fixat, la momentul acela galacticii vor prelua

ferm hotărârea și vor face ceea ce s-a prevăzut. Am impresia că unele termene au fost depășite și nu s-a întâmplat nimic.

AAM : Da, observația este pertinentă. Aici este vorba de înțelegerea termenilor în care se face comunicarea. Este o problemă de limbaj, ca să zic așa. Atunci când se vorbește de "termene", se implică și posibilitatea trasării unei linii pe nisip (e probabil, are potențialitate de îndeplinire dar poate suferi mici decalaje). Orice condiție energetică neîndeplinită schimbă momentul. Dar există o anumită marjă de îndeplinire care le este permisă.

Unul dintre lucrurile pe care le veți observa, va fi intensitatea cu care va fi inundată planeta voastră și fiecare ființă umană (chiar și cei încă netreziți) în acea scurtă perioadă.

Toată lumea va simți acest lucru, deoarece mulți vor percepe o mare nevoie de a se hrăni energetic. Ei vor simți cu intensitate vibrațiile care le vor fi trimise și care le vor pătrunde ființa ajunsă în rezonanță cu acele energii. Mulți vor simți nevoia de a se îndrepta către anumite locații, unde se vor forma grupuri de oameni cu vibrații și nivel de conștiință asemănătoare.

S: Bine. Deci, atunci ar fi corect să spunem că sarcina a fost preluată de galactici de la ierarhia divină și aceștia urmăresc momentul favorabil pentru a trece la acțiune, în anumite limite de timp și cu mare prudență.

AAM : Discreție.

S: Discernământ în ceea ce urmează să facă în continuare. Este corect?

AAM : Așa este corect. Mulți vor să vă ajute și aceasta ne impune acceptarea unei anumite flexibilități suplimentare în rezolvarea acestui program. Dorința noastră este ca evenimentele care se produc și vor avea loc în mod mai accelerat să se desfășoare cât mai pașnic, în liniște și cu deplină înțelegere. Mă vei înțelege și mai bine dacă-ți amintesc că eu sunt războinicul păcii.

S : Bine, asta e foarte clar. Vreau să vă pun o întrebare foarte rapid.

Pentru unii oameni, schimbarea va fi un șoc deoarece ei vor trebui să renunțe la unele plăceri și distracții, cum ar fi fumatul și drogurile ușoare (marijuana).

AAM: Înțeleg. Ceea ce fac ei și cu ceea ce se confruntă vine din egoul lor fals. Aici este o chestiune de iubire de sine, de puterea pierdută de a se iubi pe ei înșiși. Și în cazul lor inima va prelua conducerea și ei vor renunța singuri la asemenea vicii, dacă și-au pus în program să ascensioneze. Pregătirea ascensiunii se face nu numai la nivelul planetei ci și în interiorul fiecăruia dintre voi. Cine înțelege aceasta dar refuză calea, are dreptul să aleagă alta, fără a i se impune ceva anume.

Consiliul Andromeda despre 2012, Elenin și Nibiru

YouTube Video

Consiliul Andromeda este răspunzător de guvernarea galaxiei noastre, și este format din reprezentanți ale anumitor sisteme stelare care au funcții de guvernare și dezvoltare ale zonelor galactice în care activează.

Alfred Labremont Webre a luat un interviu reprezentantului Consiliului Andromeda de pe Pământ în legătură cu anul 2012, cometa Elenin și Nibiru, și în care se arată că Elenin are anumite funcții în schimbarea sistemului solar pregătind intrarea și stabilirea aici a anumitor corpuri cerești.

Conform reprezentantului Consiliului Andromeda, aceste transformări includ:

- 1) o stea pitică roșie se va stabili în sistemul solar transformându-l într-un sistem binar (format din două stele - soarele și noua pitică roșie)
- 2) o nouă planetă locuită de o civilizație umanoidă avansată
- 3) negocierea trecerii planetei Nibiru (locuite de Annunaki) pe lângă sistemul solar (astfel încât să nu perturbe sensibil echilibrul planetelor solare), rezultat obținut de către Consiliul Andromeda pentru a pune capăt ciclului de perioade în care Annunaki (locuitorii de pe Nibiru) au perturbat grav atât viața cât și resursele naturale ale Terrei de fiecare dată când au trecut pe lângă Pământ

Informațiile provenite de la Consiliul Andromeda se referă și la perioada care a mai rămas din anul 2011, precum și la ce urmează în anii 2012 și 2013.

Conform declarațiilor reprezentantului Consiliului Andromeda, toate aceste schimbări fac parte din transformările prin ascensiune dimensională a întregului sistem solar, inclusiv a planetei Pământ.

2011: Sfârșitul ocupației instituite de "micii cenușii" din Orion și draco-reptilienii

Într-un interviu anterior, reprezentantul Consiliului Andromeda a afirmat că a fost câștigat războiul sistemelor stelare membre ale Consiliului împotriva alianței micilor cenușii din Orion cu draco-reptilienii care intenționau să instituie ocuparea deplină și definitivă a Terrei.

Reprezentantul Consiliului Andromeda a dezvăluit câteva detalii în legătură cu perioada actuală:

În trimestrul 3 al anului 2011 s-a încheiat etapa finală prin care războiul cu micii cenușii și draco-reptilienii a fost câștigat. Alianța draco-reptilienilor cu micii cenușii a fost învinsă definitiv.

Consiliul Andromeda a depus eforturi majore pentru a încheia victorios acest război în acest an, astfel încât interesele legitime ale Pământului și pământenilor să fie cel mai bine aparate.

La mijlocul lunii septembrie 2011, 90 % din draco-reptilienii și micii cenușii, care au format o alianță pentru a continua stăpânirea asupra Terrei, au fost anihilați, îndepărtați sau eliminați din numeroasele baze subterane operaționale în care activau de mult timp.

Acest război pentru eliberarea Terrei de sclavia miilor de ani de bombardament cu energii negative, manipulare și control a fost purtat de sistemele planetare din Consiliul Andromeda în numele Terrei, și având în inimile, sufletele și gândurile lor cele mai bune intenții pentru pământeni.

Cei care au acționat din greu, fără încetare, în aceste direcții sunt cei din sistemele Arcturus, Tău Ceti și Procyon. Contribuția celor din Procyon a fost deosebit de valoroasă pentru că le-au descoperit slăbiciunile celor din alianța malefică și au învățat cum să îi învingă. Sistemul Procyon a reușit să se elibereze de alianța malefică în urma cu 12 ani tereștri.

Acest război a fost necesar pentru a asigura libertatea totală a planetei Pământ și a oamenilor și eliberarea lor de interferențele malefice generate de două rase regresive: draco-reptilienii din sistemul Alpha Draconis și Hydra, și o anumită varietate de mici cenușii renegați care acum trăiesc în sistemul stelar Orion. Aceștia din urmă sunt plecați din Zeta Reticuli 1 și 2 de câteva sute de ani.

Nota AIM: Micii cenușii au avut primele contacte cu oficiali militari americani încă în anii 1942 - 1960 când au încheiat un tratat secret prin care, în schimbul de tehnologie avansată, primeau dreptul de a face experiențe genetice pe oameni pentru a obține hibrizi parțial umani. Deși pare de necrezut, astăzi dispunem de marturii foto și VIDEO care atestă existența acestor ființe degenerate. Iată mai jos câteva exemple în acest sens:

YouTube Video

Terra nu este singura planetă pe care au terorizat-o. Mai există încă alte 21 de planete care sunt încă în situația Pământului și care trebuie ajutate. Din fericire, alianța malefică poate și trebuie să fie îndepărtată, grație contribuției celor din Procyon.

Nota explicativă importantă: Dintre rasele micilor cenușii, cei din rasa principală care se aflau în sistemul binar Zeta Reticuli, au conștientizat starea precară în care se află rasa lor, fragilitatea vieții pe care o aleseseră, și faptul că nu vor avea niciun viitor dacă nu se schimbă, nu s-au afiliat la alianța malefică cu draco-reptilienii, și au fost deschiși să împărtășească tot ceea ce știau și învățaseră. Datorită umilinței lor, Consiliul Andromeda a intervenit și i-a ajutat să se mute într-un alt sistem stelar, astfel încât acești Zeta Reticulieni nu se mai află acum în sistemul Zeta Reticuli.

Toate varietățile de mici cenușii malefici care au produs atâtea probleme Pământului sunt acum îndepărtați din bazele lor subterane și sub-oceanice, împreună cu draco-reptilienii. De asemenea, bazele lor operaționale stabilite de mult timp pe Lună, Marte și pe lunile acesteia au fost deja curățate de aceste ființe decăzute.

Există câteva mii de ființe hibride mici cenușii-pământeni (realizați prin inginerie genetică și alte procedee de manipulare) care au fost programate malefic încă din naștere. Acestea vor părăsi Pământul și vor fi mutați pe o nouă planetă pentru a putea fi de-programați astfel încât să își descopere liberul arbitru și să poată evolua prin sine.

Scopul principal al războiului ce tocmai s-a încheiat cu succes a fost eliminarea efectului miilor de ani de energii negative cu care a fost constant bombardat Pământul și a implanturilor eterice negative folosite de draco-reptilienii și de micii cenușii pentru a menține prin manipulare și control rasa umană într-o continuă stare de frică, anxietate și permanentă nesiguranță.

De asemenea, eliminarea definitivă a acestor entități malefice care doreau să continue manipularea Terrei și folosirea prin furt a resurselor naturale și umane pământene, toate acestea prin manipularea și îndobitocirea mării majorități a populației umane.

Consiliul a stabilit că oamenii merită această ocazie, această șansă de a evolua conștient după mii de ani de control, manipulare și sclavie.

Este cunoscut de către personalul medical al Consiliului Andromeda faptul că o mare parte din populația Pământului a fost implantată și afectată negativ prin implanturile fizice și eterice ale micilor cenușii care mențineau oamenii într-o stare permanentă de frică, anxietate și astfel erau foarte ușor manipulați și controlați.

Deși unele astfel de implanturi fizice parazite au fost deja descoperite și îndepărtate de medicii umani, implanturile eterice folosite de micii cenușii nu pot fi încă detectate și îndepărtate cu ajutorul actualei tehnologii pământene.

Acum, după încheierea războiului, echipa medicală a Consiliului Andromeda lucrează continuu pentru îndepărtarea acestor implanturi eterice și eliminarea gravelor perturbații energetice, emoționale și psihologice și a multiplelor probleme cauzate de intervenția malefică a micilor cenușii prin care doreau să aducă în stare de sclavie populația umană a acestei planete.

Oamenii au dreptul la acest nou și proaspăt început, eliberați de toate efectele și reziduurile psihologice și emoționale cultivate acerb de către micii cenușii și draco-reptilienii prin tehnologiile lor.

Procesul de însănătoșire a rasei umane pământene va continua și în timpul fazei de tranziție și transformare a Pământului prin ascensionarea frecvenței de vibrație și intrarea într-o dimensiune superioară.

În interviul ExopoliticsTV, reprezentantul Consiliului Andromeda discută despre rolul cometei Elenin și al celor trei corpuri cerești care îi urmează.

Acesta spune că rolul acestor corpuri cerești noi este să ajute ascensiunea sistemului solar, inclusiv a planetei Pământ și civilizației umane, de la această a treia dimensiune vibratorie (în care ne aflăm în prezent) către a patra dimensiune

.Elenin, Tekoma și Nibiru

1) Ce este Elenin?

Răspuns: este un corp ceresc natural, o mica cometă, dar care este făcută mai mult din roci dure, și mai puțin din gheata și gaze. Rolul ei este de a "face curat" în drumul ei pentru a pregăti sosirea unei stele pitice roșii numite Tekoma care este de marimea planetei Uranus, și care o urmează îndeaproape. După ce Tekoma se va stabili în sistemul solar, Elenin va pleca pentru totdeauna.

2) Observatori terestri afirma ca în jurul lui Elenin este o forma piramidala care o acopera partial; ce este cu asta?

Răspuns: Acesta este un câmp de forță special proiectat în jurul lui Elenin și care are rolul de a proteja "împrejurimile cosmice" prin care trece Elenin, pentru a nu deranja fragilul echilibru planetar din sistemul solar, acolo pe unde trece cometa.

3) Atunci de ce vine Elenin?

Răspuns: Elenin pur și simplu pregătește calea pentru Tekoma.

4) Este posibil ca sosirea cometei Elenin să producă perturbări în sistemul solar sau pe planeta Pământ?

Răspuns: Nu.

5) Atunci ce este această Tekoma?

Răspuns: Este o stea pitică roșie de marimea planetei Uranus. Va ajunge în sistemul solar al Pământului la mijlocul lunii octombrie 2011 și se va stabili în acest sistem solar fiind vizibilă ca un al doilea soare, mai mic și mai puțin strălucitor decât Soarele. Locul acestei noi stele va fi între Venus și Pământ, mai aproape de Venus.

6) Ce poți spune despre posibilele perturbări în sistemul solar și pe planeta Pământ, în legătură cu venirea stelei Tekoma?

Răspuns: O combinație de mai multe biosfere ale Consiliului Andromeda, pe care le puteți numi planetoizi, și care nu sunt altceva decât nave cosmice imense, au rolul de a proteja la momentul oportun fiecare planetă pentru ca Tekoma să se instaleze fără efecte majore. Fiecare astfel de planetoizi au echipaje umane compuse din câteva mii de persoane. Aceste biosfere vor proiecta câmpurile lor de forță protectoare în jurul Pământului și a celorlalte planete pentru a reduce considerabil perturbările sosirii Tekomei.

7) Dar deja se vede o mică stea în imediată apropiere a soarelui, din anumite zone de pe Terra... Ce este cu asta?

Răspuns: Bună întrebare. Da, așa este. Însă se află la o mare departare de soarele vostru, și anume la 3 miliarde de ani-lumină.

8) De ce vine Tekoma în sistemul nostru solar?

Răspuns: Acest eveniment face parte din evoluția sistemului solar. Destinul acestui sistem solar este să devină un sistem binar, format din două stele. Drept urmare, Tekoma va lumina cerul nopților voastre.

De la acest moment, nopțile voastre vor fi asemenea unor amurguri, iar cerul nopții va fi mai luminos.

8a) Cum va arăta cerul nopții terestre cu Tekoma vizibilă?

Răspuns: De pe Pământ, oamenii vor vedea Tekoma ca fiind un amestec pastelat de galben și portocaliu către zona cerească corespunzătoare orei 8 (Vest-Sud-Vest). Nihohia va avea benzi orizontale pastelate de roz, purpuriu și albastru, iar luna ei va apărea ca alb-albastru palid în zona cerească a orei 7. Comparativ cu ziua, aceste noi corpuri cerești vor părea mai mari noaptea.

8b) Cum va arăta cerul zilei cu Tekoma pe el?

Răspuns: Oamenii vor vedea în continuare soarele, mare și galben-alb stralucitor, iar Tekoma - un corp ceresc mic, luminos, de culoare portocalie. Nihohia, planeta va putea fi văzută ca un punct, iar luna acesteia - abia ca un punct extrem de mic. Acest nou grup de corpuri cerești vor putea fi localizate vizual foarte aproape de soare, în zona Est-Sud-Est.

9) Ce este Nihohia?

Răspuns: Nihohia este o mică planetă ce orbitează în jurul lui Tekoma, și are o mică lună. Această nouă planetă este mai mică decât Pluto, și se rotește foarte aproape de Tekoma. Există umanoizi care trăiesc în subteranele planetei Nihohia. Unii dintre ei sunt ceea ce voi ați numi Caucazieni, iar alții au culoarea pielii de un albastru-pal și sunt verii îndepărtați ai celor care sunt descriși în vechile texte ale Indiei. Un pământean care cunoaște limba vorbită în India va înțelege anumite cuvinte din limba acestor locuitori ai Nihoniei. Ei sunt un popor armonios, calm și plin de pace. Sunt foarte evoluți. Nu se luptă între ei. Este și destinul lor să vină în acest sistem solar, să ascensioneze în a patra dimensiune vibratorie, și să ajute pe Pământeni să facă acest salt în conștiință.

Numeroasele orașe subterane sunt conectate între ele prin tuneluri. Ei dispun de tehnologie. Mai concret, ei au un câmp de forță protector în jurul planetei lor, astfel încât planeta este protejată în timpul călătoriilor cosmice. Luna lor are câteva stații spațiale în subteran, locuite de oameni, și este protejată în același mod ca și Nihohia. Acești oameni au călătorit prin cosmos cu Nihohia de 100.000 de ani, și au comunicat prietenos și cordial cu multe civilizații pe care le-au întâlnit. În prezent ei sunt încă în aceasta a treia dimensiune vibratorie (ca și voi) dar vor ascensiona în a patra, așa cum o veți face și voi împreună cu planeta voastră.

10) Ce poți spune despre Nibiru?

Răspuns: Este o planetă de mărimea lui Jupiter, cu mult în urma fetei de Tekoma.

11) Este locuită, există oameni acolo?

Răspuns: Da, pe Nibiru există oameni, dar în a patra dimensiune vibratorie. Această trecere de la a treia la a patra dimensiune au făcut-o în ultimii 2.000 de ani terestri. Ei sunt cunoscuți pe

Terra ca Annunaki. In realitate, Annunaki este doar un mic clan al oamenilor de pe Nibiru, care se numesc Nibi.

12) Ce se va petrece atunci când Nibiru va ajunge în sistemul solar?

Răspuns: Nimic. Nibiru nu va ajunge în sistemul solar. Consiliul Andromeda a negociat cu Nibi astfel ca acestia sa nu interfereze în niciun fel cu pământeni. Ca parte a acestei hotărâri, Consiliul Andromeda a primit ajutor de la ființe din dimensiunea a cincea vibratorie care furnizează metode specifice pentru ca traiectoria planetei Nibiru sa fie deviata astfel încât sa treaca mult peste sistemul solar, la o distanta foarte mare.

De aceea, trecerea lui nibiru atât de departe de sistemul solar va avea doar efectul unei usoare și abia-perceptibile brize blande.

13) Cand anume va trece Nibiru pe linga sistemul solar?

Răspuns: Nibiru va devia pe deasupra planului sistemului solar la sfarsitul lui noiembrie pina la mijlocul lui decembrie 2011.

14) Ce efecte va avea această trecere?

Răspuns: Pe Pământ nu se va simti mai nimic.

15) Care ar putea fi cauzele schimbărilor planetare majore care sunt discutate activ acum? Au legătură cu anul 2012?

Răspuns: Multe din schimbările Pământului care vor avea loc în anii 2012 și 2013 vor fi produse de inaltele energii provenite din inima galaxiei care este o gaura neagra, un corp ceresc cu o masa imensa, energii care se concentrează în planul ecuatorial al galaxiei, și în care Terra va ajunge curand.

Această inimă galactică, împreună cu inalta energie vibratională a planului ecuatorial galactic determină perturbări magnetice care au ca rezultat o crestere a vibratiei Pământului. Aceste

noi energii pe care Pământul acum le primește sunt în banda de frecvențe a celei de-a patra dimensiuni vibraționale și vor continua timp de mii de ani.

Pentru a micșora riscurile, și pentru a face ascensiunea gradat, toate acele biosfere dispun de un câmp de forță protector pe care îl folosesc pentru a ajusta gradat aceasta "cascadă" de energii înalte, astfel încât planetele sistemului solar să ascensioneze în siguranță. Rămâne de văzut cât de mare sau mică va fi agitația pe Terra.

Cutremurul din Virginia, SUA la data de 23 august 2011

Reprezentantul Consiliului Andromeda spune că acest cutremur nu a fost provocat de o mișcare tectonică. Acest mic cutremur a fost rezultatul armelor energetice (de tip sonic) ale Consiliului Andromeda îndreptate pentru a distruge bazele subterane ale micilor cenușii și draco-reptilienilor din zona Washington și adiacent.

Notă importantă: Consiliul Andromeda nu folosește deloc arme atomice sau nucleare pentru scopurile sale, deoarece această energie este atât de devastatoare încât distruge aproape complet armonia și echilibrul local al naturii, nefiind conformă cu scopurile Consiliului.

Dealtfel, jurnalistul independent Robert M. Stanley afirma că acest cutremur este unul total atipic: adancimea acestuia a fost de numai 160 metri și s-a simțit în Washington ca unul tipic cauzat de o explozie nucleară, după mărturia lui Wilbur Allen, fost ofițer Air Force One la Casa Albă.

Ascensiunea

Reprezentantul Consiliului Andromeda oferă detalii despre ascensiunea sistemului solar în noua dimensiune vibrațională.

Această tranziție este un proces foarte interesant, pentru că întreg sistemul solar împreună cu planetele și ființele de aici vor trece în a patra dimensiune vibrațională, și toate acestea fără să trebuiască să moară fizic. Să explic... De foarte mult timp, ființele umane de pe planete fizice ca Pământul trăiau vieți mai scurte sau mai lungi ca să învețe experiențele care le erau necesare sufletelor lor. La moartea corpului fizic, esența spirituală a lor, sau sufletele, părăsesc planeta pentru un timp și apoi decidea unde și când va reveni pe Pământ printr-o nouă incarnare, fie pe Pământ, fie pe o altă planetă fizică. Sau, atunci când au învățat suficient de mult în această "școală" fizică a planetei Pământ, ei decideau să migreze apoi într-una din lumi din dimensiunea superioară, a patra.

De data asta, prin această ascensiune integrală a sistemului solar în a patra dimensiune, nimeni nu mai trebuie să moară fizic pentru a experimenta noua frecvență de vibrație.

Vizite fraterne

În acest nou proces ascensional, multe ființe umane de pe planetele afiliate la Consiliul Andromeda vor veni aici pe Pământ, în vizită.

Aceștia sunt de pe patru planete: Ventra, Nikotae, Toleka și Ritol. Acești oameni sunt exact ca și voi, aproape identici.

Ventra: Oamenii de pe această planetă au pielea albă ca de porțelan, iar ochii sunt foarte frumoși de culoarea smaraldului sau albastru-purpuriu închis, părul blond și fin; femeile au înălțime mai mică (1,50 m) decât bărbații (1,80 - 1,95 m).

Nikotae: Oamenii de aici au pielea în diferite nuanțe de crem-deschis până la crem-închis. Ei se aseamănă foarte mult cu pământeni, și sunt rezultatul unui amestec de rase. Părul variază de la negru la castaniu deschis, scurt sau lung, drept sau buclat. Ochii lor au nuanțe de maro, mai deschis sau mai închis, iar cei cu ochii de culoare mai deschisă pot avea și zone de culoare aurie. Femeile au înălțimea de 1,80 m iar bărbații sunt mai înalți (2 - 2,20 m).

Toleka: Oamenii de aici au pielea de culoare verde deschis pastelat iar ochii le sunt de culoare albastru deschis apos. Părul lor e foarte fin și de culoare argintiu până la blond deschis. Au înălțimea medie a pământenilor. Au însă urechile asemănătoare personajelor vulcaniene din filmul Star Trek.

Ritol: Majoritatea celor de pe această planetă au pielea de culoare albastru foarte deschis. Părul lor este bogat și de culoare albă, iar ochii de culoare purpuriu foarte pur. Ei s-au amestecat cu cei caucazieni din Tau Ceti, ca rezultat au culoarea pielii mai deschisă iar părul negru sau roșcat intens și bogat. Înălțimea acestora este mai mare, femeile având 2,20 m iar bărbații 2,50 m. Ritol este o planetă foarte asemănătoare cu Pământul, unde există o mare varietate de rase umane.

Pentru a putea vorbi cu acești vizitatori va trebui să folosiți aparatură specială portabilă de traducere instantanee.

Toate acestea vor putea avea loc chiar înainte de sfârșitul anului 2011. Totuși, această dată nu este "fixată", ci depinde de situația concretă a planetei Pământ. De aceea, voi trebuie să dați dovadă de răbdare în legătură cu aceste vizite.

Voi, pământeni, veți învăța care este adevărata voastră moștenire, adevărul despre originile voastre cosmice, cine sunt frații și surorile voastre, cine sunt strămoșii vostri, și de ce sunteți atât de importanți. Veți învăța despre adevărul și realitățile originii spirituale a umanității și despre adevărata esență a fiecăruia dintre voi. Veți învăța despre realitatea, creația și sacralitatea sufletului uman și legătura lui cu Marea Creație, cu toate formele de viață din Univers. Dar desigur este mult mai mult decât atât.

O nouă lume

Această transformare a voastră, această ascensiune vibratorie din prezenta dimensiune a treia către cea de-a patra se va face gradat, fără perturbări, armonios, și - foarte important - fără moarte fizică. Va fi o transformare a fiecărei celule a corpurilor voastre, de la forma actuală grosieră, greoaie și densă, la o formă mult mai rapidă vibrațională. Astfel veți avea corpurile mai ușoare și mai înalte, mai puțin dense și mai permeabile la lumină.

Trebuie să rețineți că structura moleculară a celulelor corpului vostru se va schimba, în sensul că aceasta va fi bazată pe molecule cristaline. Centrul fiecărei celule va fi foarte luminos, iar corpurile voastre vor fi cumva transparente.

Toți adulții care vor reuși să rămână aici în timpul acestei tranziții vor avea o aparență a vârstei de 32 - 35 de ani.

În ce privește înălțimea, aceasta va crește astfel încât media de acum (1,75 m) va deveni 2 m. Greutatea va fi în medie de 6 kg pentru bărbat și de 4 kg pentru femeie, ca urmare a creșterii frecvenței de vibrație.

În această nouă dimensiune vibratorie toate bolile specifice corpului fizic vor înceta să mai existe, iar sănătatea va fi deplină, corpurile voastre fiind pline de lumină.

Așa cum măsurați acum timpul pe Pământ, veți putea trăi în această a patra dimensiune pentru 5.000 - 10.000 de ani, dar trebuie să rețineți că atunci timpul încetează să mai existe așa cum îl cunoașteți acum. Este greu de explicat, dar veți vedea.

Atunci când ați învățat suficient din experiențele în această a patra dimensiune, veți putea să mergeți mai sus, în a cincea dimensiune vibratorie, care are alte specificități, pentru a învăța și acolo. Practic, moartea va înceta și ea să mai existe pentru voi.

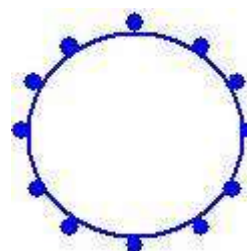

Despre Consiliul Andromeda:

Cei 12 membri ai Consiliului sunt reprezentanți ai celor 12 rase ale membrilor. În plus, există un președinte fără drept de vot care este din sistemul Zenetae - planeta Tishtae, și o vice-președintă fără drept de vot din sistemul Mirach - planeta Terial, ambele în constelația Andromeda. Aceste două ființe umane trăiesc și vibrează în realitatea celei de-a patra dimensiuni.

Multe din rasele umane membre ale Consiliului sunt recunoscute în Univers ca fiind cei care au insamantat Pământul acum sute de mii de ani, așa cum se poate constata în marea varietate a raselor umane pământene. Toate aceste rase stelare au trecut deja prin procesul de ascensiune în cea de-a patra dimensiune.

Iată lista cu sistemele de origine ale membrilor Consiliului:

1. Arcturus - planeta Pitolla
2. Antares - planeta Nikotae
3. M103 - planeta Legola
4. Procyon - planeta Kaena
5. Vega - planeta Percula

7. Polaris - planeta Ventra
8. Sirius A - planeta Toleka

9. Deneb - planeta Ritol
10. Tau Ceti - planeta Xeta
11. Alhena - planeta Degaroth
12. Betelgeuse - planeta Etorth

Emblema alăturată este simbolul Consiliului Andromeda.

Ceilalți membri ai Consiliului care nu ocupa pozițiile de mai sus, fac parte din echipele de investigații, cercetare, deliberare și consiliere ale Consiliului, care sunt 13 la număr, fiecare cuprinzând un număr de 5 - 6 persoane. În mod colectiv, aceste echipe reprezintă mai mult de 400 de planete din 3 sisteme stelare incluzând Arcturus. Iată echipele:

1. Echipa de consiliere pentru Dimensiunile Superioare
2. Echipa de analiză a Membrilor Sistemelor Stelare

12. Echipa de observare și consiliere pentru Nivelul de Amenințare Militară
13. Echipa de consiliere pentru Dezvoltarea Dimensională, Emoțională și Spirituală

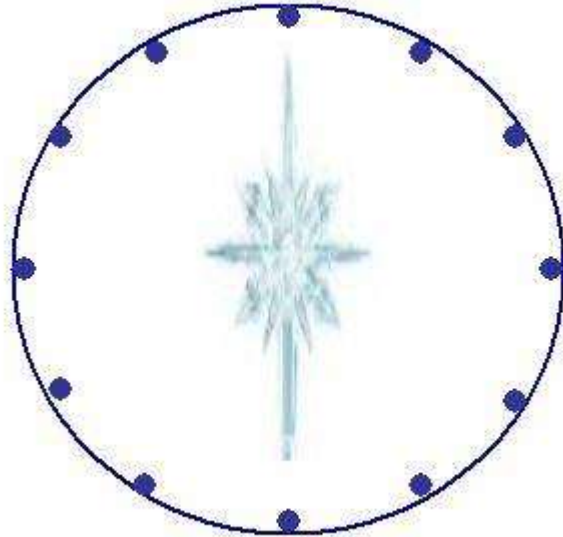

Există și alte consilii afiliate, unele cu statut de membru formal, altele fără acest statut, care doresc să se implice în ajutarea Pământenilor în acest proces de evoluție.

Unul dintre aceste consilii afiliate este Federația Galactică, care este o federație de sisteme stelare și planete pe care trăiesc ființe umane benefice și binevoitoare. Federația Galactică este compusă din 140 de sisteme stelare și 300 de planete. Este condusă de un președinte din Tau Ceti care are și o poziție în Consiliul Andromeda. Planeta conducătoare a Federației este Xeta.

Este de așteptat ca în următorii ani, pe măsura ce Pământul va intra în cea de-a patra dimensiune, să i se ofere un loc de membru în Federația Galactică.

Simbolul Federației Galactice este în partea dreaptă.

Cine este acest reprezentant al Consiliului Andromeda?

a) El se descrie ca familist cu un caracter moral înalt. I-a dat anumite informații personale jurnalistului, pentru a fi verificate, și s-au dovedit a fi reale. El spune că trebuie să continue să trăiască ca un simplu om, pentru a-și putea ascunde identitatea.

b) El a fost contactat de reprezentanții Andromeda în 1993, și a făcut 3 călătorii în timp, cu ajutorul unei nave spațiale, vizitând o familie americană din vestul SUA din anii 1840.

c) Alte mărturii independente atestă existența consiliului Andromeda ca guvernor galactic care este activ implicat în viitorul umanității și al Terrei.

Disclosure Imminent?: David Wilcock Interviews Ben Fulford

80 different countries have now formed an alliance against the Old World Order / Nazi-esque cabal.

Two huge underground cities were destroyed on August 23rd — which may be seen by historians as the critical moment in which the war was won.

Here is a transcript of this broadcast. Long, long, long!

BENJAMIN FULFORD: THIRTY YEARS AS A FINANCIAL JOURNALIST

Hi there. This is David Wilcock, and you're listening to another Divine Cosmos audioblog exclusive interview with Benjamin Fulford.

Fulford has worked for Forbes Magazine as the editor for the Asia-Pacific region. People have tried to attack his credibility on this before, but it is documented. I have checked the references myself.

He was mentioned by Stephen Colbert in one show discussing the so-called Illuminati.

I will also say that Fulford has contact with an incredible number of different sources. He does seem to back up who these sources are — as much as humanly possible.

NUCLEAR STRIKES AGAINST UNDERGROUND BASES

Recently, these sources informed him that the earthquakes that occurred in Colorado and the Washington DC area, surrounding August 22nd and 23rd, were, in fact, apparently nuclear strikes against underground military facilities.

[These underground bases] have been built by the US government, ostensibly since the early 1960s, at the cost of trillions of dollars of undocumented taxpayer money that is going into these "black projects."

The reason why I contacted Benjamin Fulford is I had [first] read this on his blog [and was amazed.]

Then I started to contact my own sources, which have been built up over being a public figure on the Internet since 1999 – and gaining the trust of many people in various classified programs.

I was absolutely astonished when I started to ask around and found out that everyone I know, with one exception who probably wasn't on a need-to-know basis, confirmed that this attack did happen.

THEY NEVER IMAGINED IT COULD HAPPEN

Now again. I'm going to turn it over to Ben in just a second. One more setup thing I want to say here is this.

If you haven't understood the gravity or the implications of what I'm telling you right now, it's important to point [one thing] out.

These guys never imagined that these underground facilities could have been attacked. Ever.

So what has happened here is a seismic shift in this insider war – that is arguably as significant as the nuking of Hiroshima and Nagasaki in World War II.

And in fact, it may very well be the workings of the Universe, in terms of karma, that the people responsible for those attacks have now had it happen to them.

CODE RED – ON A NEED-TO-KNOW BASIS

There is undeniable significance in this happening. I was astonished at the depth of detail I have been able to get from my own sources about what happened.

I have been told that the situation is now considered Code Red. However, it is also being withheld from most of the people in these [classified] programs. It's on a need-to-know basis.

Even the sources I am in contact with, all except for one, did not even have the need-to-know basis high enough to know why this happened. Or who was responsible for it!

MINING FOR INFORMATION

So the only thing we know is that the powers that were, as I like to call them, have been putting out stories on the Internet about this event.

What they're actually doing is they are trying to mine for information. They want to find out who knows what.

And I am astonished that my own sources lack the knowledge that Benjamin Fulford has been putting out as to who is responsible for this... and why [it was done].

UP TO SIXTY THOUSAND DEATHS – AND NO INSIDER IS SAFE

My intelligence suggests it is possible that as many as 30,000 people were in each of these two underground cities at the time that [the explosions] went off. So we're talking about the potential of 60,000 deaths.

We're also talking about the potential that anyone else working for these programs who is in one of these facilities, which could either be underground or possibly off-world, such as in a space station, on the Moon or elsewhere... is now totally alone and unguarded.

They are not going to be protected. They are not safe. And their superiors are not informing them of the risk they are now in by being in those locations.

SET THE RECORD STRAIGHT

I want to set the record straight. I want to get the man to talk to you, the public, and hear, firsthand, what the hell is going on, who did this, why did they do this, and what are the implications.

So Ben, that's my intro. Let's hear from you now. I'm very interested in this.

BRETTON WOODS SET THE STAGE

BF: There has been a very esoteric battle over control of the dollar printing machine for the global financial system.

What happened was that at the end of World War II, at the Bretton Woods accords of 1944, Britain, France and the US were given the right to control the world's currency.

They were supposed to have a Marshall Plan to develop Africa and Asia as well as Europe.

They reneged on their promise, and instead started to fake a "cold war" with the Soviet Union – which was designed to support the military industries.

77 NON-ALIGNED NATIONS SET UP GLOBAL COLLATERAL ACCOUNTS

Then, the group of non-aligned nations – 77 nations – pooled their assets... all their wealth, their gold and other valuables... and set up some global collateral accounts.

They wanted to use this money to start the Marshall Plans for Asia and Africa.

KENNEDY TRIED TO END THE FED – AND THE COLD WAR

President Kennedy agreed to go along with this after he found out that there was a group that was trying to very seriously get the Soviet Union and the United States to annihilate each other. This was the Cuban Missile Crisis.

The historical accord is called the Hilton Green Memorial. This is available to any serious researcher in financial history.

President Sukarno [of Indonesia] was the signatory for the countries. He was going to give Kennedy – they gave Kennedy 140,000 tons of gold.

Kennedy passed a law allowing Congress, not the Federal Reserve Board, to create dollars [from these gold-backed global collateral accounts given to the United States.]

Kennedy also said, "Let's go to the Moon, instead of this cold war, to stimulate industry. Let's develop the poor countries and let's develop space instead of having this fake Cold War."

KENNEDY WAS ASSASSINATED – AND THE CLOCK RAN OUT IN 1994

Kennedy did put out a lot of money, but he was assassinated. As you know, the public space program just disappeared in the 1970s when that funding ran out, and just stopped completely. President Sukarno was hounded from office.

The international agreement that left Britain, France and the United States in charge of the world's financial system expired in 1994. That is why they wound down the Soviet Union.

After 1994, there was no accord at the very top level of the world's financial system about who would be in charge next. There was a split in the ranks.

CHINA AND NON-ALIGNED NATIONS WANTED FINANCIAL CONTROL

The Chinese and the non-aligned nations were pressuring the oligarchs who had been running things since World War II to hand over control of the dollar printing press – the financial system – but they were reluctant.

The international court of justice at the Hague was sued by the Chinese over gold that the Federal Reserve Board owners sold them.

THE FED HAD TO PAY UP ON SEPTEMBER 12, 2001

The Federal Reserve Board owners lost this lawsuit, and they were told to hand over the gold... starting on September 12, 2001.

Instead, on September 11th, 2001, as you all know, they gave the world the finger and started this huge, fake, global war on terror. It was part of an attempt [at controlling the planet] by the fascist groups of World War II.

THEY WANTED GLOBAL FASCISM – AND 90% FEWER PEOPLE

The Nazis and their fascist sympathizers in the US, and England, and Italy, [along] with a group that can be found within the military, in Congress, and in the Vatican, were going to set up a global fascist government.

At the same time, they had this belief that there were too many people. Especially too many, according to them, inferior brown-type people.

They wanted to reduce the world's population by 90 percent.

DW: This is documented?

BF: Yes, it's very well documented.

I was invited to join this group by Heizo Takanaka, who was the Japanese finance minister for five years. I have a tape recording of this invitation to prove it.

THEY WANTED TO HIDE UNDERGROUND AFTER NUKING THE PLANET

They were planning to hide in these underground bases after they set off a nuclear holocaust.

The original plan was to start a nuclear war between Iran and Israel, and use that as an excuse to set up martial law in the G7 countries – and then prepare for war against China.

RUSSIA AND CHINA CUT THEM OFF

This plan fell apart when Russia kicked them out – and Putin re-asserted independence for Russia. That removed their control – the oil industry – and made that whole plan not work.

The Chinese also stopped buying US treasuries for a while to put pressure on this group.

THEY OFFERED TO PARTNER WITH CHINA IN WORLD DICTATORSHIP

So they switched strategies. Instead, they tried to suck up to China and offer them a world dictatorship... in partnership with this group.

That's why in public you saw Obama visit China in 2009 and offer a "G2". This is how you can confirm this.

THEY ARE BEING CUT OFF – AND ARE RUNNING OUT OF MONEY

In any case, this group that carried out the 9/11 attacks has been under increasing pressure, and under isolation, at the very highest levels.

They are running out of money. They are being cut off.

WHAT ABOUT THE "MISSING" 2.3 TRILLION DOLLARS?

DW: Ben, right before September 11th, a lot of people forgot about this. Donald Rumsfeld goes on national television and says that they "lost" 2.3 trillion dollars from the Pentagon over the previous decade.

Does that have anything to do with this gold thing you are talking about?

BF: Oh yeah.

FINANCING "MURDER INCORPORATED"

That money was used to finance Blackwater – a private army not controlled by the Pentagon.

The Pentagon would not let themselves be controlled by this cabal. So they were trying to do what the Nazis did in World War II – create an elite SS corps that could bully the regular military.

That was where that money went to, as far as my sources are concerned.

DW: Wow.

BF: In any case, we were contacted by smugglers, drug smugglers...

DW: Could you just say who "We" is, for a minute?

THE WHITE DRAGON SOCIETY – MANY GROUPS COLLABORATING

BF: "We" is a group of us who are involved in the fight to overthrow this cabal.

It includes members of the CIA, the Pentagon, the [intelligence] agencies, and various [other groups], including Asian secret societies.

We use the name White Dragon. There is another group that calls themselves the White Hats.

We all have the same goal, which is to get this insane group of people out of power.

WHY FULFORD?

DW: Some of the criticism I have seen from people on the Internet is, “If this group is so vast and so powerful to fight this cabal, why is Benjamin Fulford the only one talking about this?”

BF: These people like their secrecy – and I am a spokesperson.

When you go to the White House, there is only one voice they give to the public. They prefer to work behind the scenes.

You’ve got to realize we’re dealing in a world where they use assassination like most of us use tissue papers.

DW: Sure.

IT IS VERY DANGEROUS TO STAND AGAINST THE CABAL

BF: I’ve had about six murder attempts myself. One of my colleagues, a CIA guy, was recently poisoned with ricin by these guys.

Another one of our members in Switzerland has guards around his house, and they just shot someone last week near his house who was trying to kill him.

Before that, they found a Mafioso by the name of Vincenzo Mazzamaro who had a gun and a sophisticated lock-picking device, and was trying to get into his place.

Another one of us had a concrete bag miss him by a couple of inches last week.

DW: Wow.

BF: We’re dealing with some very dangerous people. That’s why there is a need for secrecy.

FULFORD IS BILINGUAL AND HIGH PROFILE IN ASIA THANKS TO FORBES

DW: I’ve also speculated [the following reason why these Asian groups entrusted you with this responsibility.]

You are in Japan, and you’re a “gaijin” – a foreigner, a white person. You have the background of being a distinguished editor for Forbes Magazine.

You are bilingual, you do speak fluent Japanese. There are several videos you have released now that show that.

This might have been part of what gave you this platform to give these Asian secret societies a voice.

Would you say that is correct?

WHY WASN'T JAPAN USING ITS MONEY TO HEAL THE PLANET?

BF: What happened in my case was that I asked a very simple and obvious question when I was at Forbes.

The Japanese people – that includes both public and the private sector – have about 8 trillion dollars worth of assets overseas.

DW: Eight trillion dollars?

BF: Yeah. That's in the public record. You can go to the finance ministry homepage and the numbers are there.

According to the UN development report, you need 400 billion to stop environmental destruction and 200 billion to end poverty.

So I'm saying, "Hey, you guys, why don't you end poverty and stop environmental destruction?"

DW: Okay, hold on, hold on.

BF: It's a no-brainer!

400 BILLION? THAT'S IT?

DW: 400 billion is all it takes to completely stop environmental destruction? How is that possible?

BF: That's an annual budget. This is the UN development report. You'd have to go through their experts and find out how they did those numbers.

DW: Okay. But that's public domain.

So the eight trillion is vastly more than what it would take to end poverty and stop environmental destruction.

BF: Yeah.

JAPANESE REVENUE DRAINED FROM RECONSTRUCTION DEBTS

[Wilcock note: Elsewhere, Fulford said he found that a significant percentage of Japanese revenue was being paid to the oil cabal – thanks to exploitive reconstruction contracts with high interest rates that were signed after World War II.

These contracts were reinforced with bribery, blackmail, death threats and assassinations of Japanese government officials who didn't agree.]

90 PERCENT OF WORLD SAVINGS ABSORBED BY US MILITARY

BF: The other thing is that if you look at the statistics, you realize that 90 percent of the world's savings was being sucked out of the system by the US military-industrial complex.

DW: How do you prove that?

BF: I was a financial journalist for 25 years. This is all public-record stuff.

DW: Ninety percent of the US budget is going to the military.

BF: There's an easy way to check. Just look at the US external trade deficit and compare it to the US military budget.

You'll find an amazing similarity over the years.

DW: (Laughs)

BF: That's for the simple reason that the military does not produce tradable goods. They were a parasitic entity on the world economy.

WHY NOT HEAL THE WORLD AND COLONIZE SPACE?

What I said was simply, "Look. Why don't you just stop paying for this military?" I told this to the Asians – "and instead ask them to [end poverty and environmental destruction] and set them to exploring space?"

It's the sort of thing that's just common sense.

DW: Okay, Ben, your audio just cut out on that last sentence. [Missing content was replaced in brackets.]

BF: I think that is common sense.

DW: Okay.

ASSASSINATION ORDERS

BF: What happened was that an assassination order came out for me.

The South Korean secret police informed the Chinese that there was an order to have me killed.

You can check. My colleague Paul Klebnikov, the Moscow bureau chief for Forbes Magazine, was shot nine times outside of his apartment in Moscow.

He was still alive when the ambulance came an hour later. He got to the hospital and he was put in the hospital elevator. The elevator was stopped for eight minutes – and he died in the elevator.

He was investigating a member of this same group that I was.

He was investigating Boris Berezovsky, one of the oil tycoons.

I was investigating Heizo Takenaka – but they all go back to the same cabal.

DW: Right.

THE WAR ON TERROR WAS OBVIOUSLY A FAKE

BF: In any case, the South Koreans told the Chinese that an assassination order was out for me. This was because of my publicly calling for the Asians to stop spending their savings on this vast military machine.

You have got to remember, during the Cold War they actually had this anti-Communism excuse.

But, the War on Terror was so obviously fake that it was just ridiculous to anybody who does any serious research or investigation.

DW: Right.

CHINESE SECRET SOCIETY OFFERS PROTECTION

BF: I got invited to join a Chinese secret society that offered me protection from this assassination order – and that's how I found myself in this secret world of financial power.

The group that offered me protection was the group that was behind the non-aligned nations.

It crosses borders. If you think in terms of countries, you don't understand how these people work.

They have big factions in China, in the US and in Europe – both against and for them. It crosses borders.

If you think in terms of nation-states, you won't understand how these groups work.

CHINESE FIGHT FINANCIAL BATTLE BY BUYING REAL ASSETS

In any case, a financial battle started. There were many, many public salvos.

In 2006, the Chinese wanted to use their dollars to do something other than buy Treasuries.

They tried to buy the oil company Unocal. Congress passed a law saying they could not.

So then they took their dollars and they went to Africa, South America and everywhere, and started spending them on real things – like mines and agricultural land and commodities.

Not virtual things – like fancy and impossible to understand derivatives products, which are basically con jobs.

DW: Ponzi schemes. Yeah.

BF: Yeah.

FOOD AND OIL PRICES INCREASED BY CABAL

The other group tried to retaliate by jacking up food and oil prices.

Remember there were hunger riots in 33 countries at one point.

DW: Yeah.

BF: It was an economist at the World Bank who pointed out the reason people were going hungry was that they were paying farmers to grow oil [ethanol made from corn] instead of food.

That put an end to that.

2008 LEHMAN SHOCK WAS ASIAN COUNTER-ATTACK

Then there was a counter-attack.

The [leaders of the cabal] were told that we would no longer accept dollars printed within the United States.

That's what you know of as the Lehman crisis.

76 PERCENT DROP IN JAPANESE CAR EXPORTS TO THE US

You can check this in the public record.

If you look at Japanese export statistics, from October or November 2008, after the Lehman shock, you will see something like a 76 percent year-to-year drop in Japanese car exports to the US.

This was the Japanese and other people saying, "You can no longer use paper to buy stuff from the rest of the world. You have to trade with real things."

Of course, your public was not let in on this.

DW: That's where I think people's brain is going to get busted. Nobody publicly knows that this Lehman shock had anything to do with Asia.

BF: Yeah, I know. The way you can check it is to look at the export-import statistics after the Lehman shock.

The other way to check it is to look at the Baltic Dry Index. That's the price of shipping.

90 PERCENT DROP IN THE PRICE OF SHIPPING

You will see that the price of shipping dropped 90 percent right after the Lehman shock.

DW: Wow.

BF: That's because the ships were no longer going to the US, full of stuff, and then leaving empty [with nothing but worthless paper and IOUs].

These are ways people can verify what I'm saying with public-record information.

DW: Good. Okay.

NORWAY SHOOTING WAS AN ATTEMPT TO EXTORT 1.5 TRILLION

BF: Getting back to the blowing up of the underground bases, this group was being cut off more and more at a high level, and they were running out of money.

They were trying to extort money from various countries.

They killed the youth group of the ruling party in Norway – that was the Norway attacks – because they were trying to extort the 1.5 trillion-dollar oil fund the Norwegian government controls.

They were saying, “Hey, we're going to kill you if you don't hand over your money.”

DW: [They were] just desperately trying to find cash.

BF: Yeah. They invaded Libya to take over their oil fields, because the Libyans told them, “We're not going to give you oil for your paper anymore.”

DW: Hmmm.

NUCLEAR BOMB SMUGGLED INTO JAPAN WITH 70 KILOS OF MARIJUANA

BF: In the case of Japan, again, I have sources who are actually drug smugglers. They have been selling drugs in Japan for 70 years.

These are CIA types. The CIA drug-smuggling division.

They told me that a nuclear bomb had been brought in with their latest shipment of drugs.

This was a 70-kilo shipment of adulterated Thai marijuana that was brought in through Okinawa.

They found a nuclear bomb mixed in with it.

And of course, with these guys, smuggling drugs is one thing, but smuggling nuclear weapons is another.

They told the police, and they told me. I made it public.

They followed the bomb as far as the North Korean citizens' association headquarters in Tokyo.

FOUR NUKES STOLEN FROM THE RUSSIAN SUB 'KURSK'

I have independent confirmation from a Mr. Paul Lane, of Pentagon military intelligence – he was a part of the Men Who Stare At Goats group – that four nuclear weapons were stolen from the Russian submarine Kursk after it sank.

I think it was in 2000 or something.

It was one of those nuclear weapons that was smuggled in [to Japan].

DW: Stolen by who, though?

BF: This is the Odessa group. The Nazi group. The one that was trying to set up a fascist world government – a Fourth Reich.

DW: Okay. How did they get to the Kursk to get these nukes out?

BF: I don't know the technical details, but they have submarine bases in various parts of the world. I assume it was from one of these submarine bases.

WHY STEAL NUKES IF YOU CAN BUILD YOUR OWN?

DW: The next question, then, would be why would they need to get it from the Kursk if they are powerful enough to make their own?

BF: The public nuclear devices are under strict safety protocols. You can't just take them and then blow them up somewhere. There are too many people involved in the chain of command.

They tried to do that.

MINOT AIR FORCE BASE INCIDENT: FAILED SMUGGLING ATTEMPT

There were incidents where [the good guys] just barely stopped a nuclear...

DW: Right. Like the Minot Air Force Base incident.

BF: Yeah, exactly.

DW: The soldiers did a mutiny and would not commit this "Broken Arrow". That's what they called it in code terms.

[Insiders attempted to smuggle out a nuclear weapon from Minot AFB. Several of these heroes died as a result of standing up against this plan and refusing to allow the nuclear weapon to be stolen.]

BF: There you go. What they needed was some nuclear weapons that were not under any official government control.

DW: Okay.

JAPANESE SHIP DRILLING TEN KILOMETERS AT EXACT EPICENTER

BF: There was a Japanese drilling ship known as the Chikuyu Maru that can drill ten kilometers into the seabed.

They were drilling at the exact epicenter of the earthquake.

We had an article from January 17th in a local paper saying they were drilling there.

They put the bomb in the seabed.

HAND OVER THE CASH – OR TOKYO WILL BE NEXT

This was an attempt to extort money, through terror, from the Japanese.

DW: So they warned Japan that they put the nuke in [the seabed] before they asked for money?

BF: No, they asked for money afterwards.

DW: Oh, wow.

BF: “If you don’t do it, next it’s Mount Fuji.”

DW: For people who don’t know, Fujiyama is right around Tokyo, which is the largest population center of Japan.

BF: Yes. That’s right.

DW: So basically they are saying they would nuke Tokyo, which is how many million people? Thirty or forty million?

BF: Thirty million or so.

DW: Right. Okay.

JAPANESE PRIME MINISTER HANDED OVER 20 BILLION

BF: The Japanese prime minister [Naoto] Kan originally was so cowardly, he just said, “Oh yeah, all right, we’ll sign over money.”

He handed over something like two trillion yen, which is about 20 billion dollars. And they gave him a big bribe.

MAJOR BATTLE WAS TRIGGERED IN JAPAN TO REMOVE THE CABAL

The evidence that this was not a natural disaster began piling up.

The result has been a battle here in Japan to remove these people from control.

WHY DO YOU THINK THIS WAS NOT A NATURAL EARTHQUAKE?

DW: Some people might not realize there is any evidence that Fukushima was not a natural disaster. Could you just briefly touch on a couple of points that you think are the most significant?

BF: If you look at the seismic chart, you will see a sudden explosion.

It's not like a natural earthquake, where you have pre-shocks. It was just suddenly huge, and then it started fading down.

UNDERGROUND BASE EXPLOSIONS ALSO STARTED BIG

It was the same with the underground bases.

If you look at a seismic chart, it will look like a big line all of a sudden appearing, and then a smaller line afterwards.

There is no buildup, as you would find in a natural earthquake.

PLUTONIUM PUT IN FUKUSHIMA A MONTH BEFORE THE ATTACK

There is plenty of evidence.

The governor of Fukushima province told me they overruled him and put plutonium in reactor number 3.

[This was only] one month before the tsunami incident.

DW: Only a month before?

BF: Yeah.

HOUSING COMPANY'S STOCK SHOT UP A MONTH BEFORE THE ATTACK

And then we had a company called Higashi Nippon House. They make cheap housing in northeastern Japan.

Their stock was shooting up in the month before the attack.

You've got to remember: Japan has an aging and shrinking population.

It doesn't make sense for a cheap housing company's stock price to go shooting up like that – unless there was something in the works.

POSSIBLE NUCLEAR ATTACK THREATENED TWO DAYS BEFORE

The other thing is that a group of us recorded a conversation between Kirk Campbell, who is your deputy foreign minister for Asia, and Japanese power broker Ichiro Ozawa – on March 9, 2011.

In this conversation, Campbell asked Ozawa not to split the ruling party and force the formation of a new government. [This could easily have resulted in a loss of cabal control over Japan.]

They said [if he agreed to keep the ruling party intact,] they would give him the rights to zeolite [they owned] in Fukushima province. Zeolite is used to clean up radioactive waste.

This conversation was recorded on March 9th – two days before the tsunami attack.

NETANYAHU PERSONALLY THREATENED NEW NUCLEAR DISASTERS

The other point [came in from] a man by the name of Takemasa Kawase, a Japanese military intelligence officer.

[He] subsequently told me that Israeli prime minister Benjamin Netanyahu phoned Japanese prime minister Naoto Kan after the attack.

[Netanyahu] said that they would cause other nuclear disasters around Japan if they did not start handing over the money.

The chief Mossad agent in Japan, by the way, is a man named Michael Green. He's a nasty piece of work, and we're going to remove him from this country soon.

DW: One question, though.

BF: Yeah, but I want to...

DW: OK, go ahead.

ISRAELI COMPANY WAS IN CHARGE OF SECURITY AT FUKUSHIMA

BF: In order to confirm what this guy told me, I wanted to check – and there was an Israeli company that was in charge of security at the Japanese nuclear plant.

DW: Oh my gosh!

BF: So I was able to independently confirm that through other sources. This is publicly available information – who was in charge of security at Fukushima. It was an Israeli company.

Now go on. What was your question?

IS ISRAEL A MEMBER OF THE CABAL?

DW: First, then, do you believe that Israel is tied in with this cabal you keep mentioning, in some way?

BF: Not Israel, but a clique at the top of the Israeli government, yes.

Most Israelis I consider to be chumps or victims of these people.

THE CABAL INTENDED TO SACRIFICE THE ISRAELI PEOPLE

For example the cousin of the Shah of Iran, among others, came to us with information that George Bush and his group had given twelve neutron bombs to the government of Iran.

[These were] missiles with neutron bombs on them.

[Elsewhere, Fulford has said these missiles were intended to be used against Israel. The cabal hoped it would trigger World War III, which would assist them in depopulating the planet and securing greater military control over the people.]

Remember – neutron bombs kill people, but leave buildings intact.

DW: Well, that's not only treasonous, it sounds crazy.

BF: It is!

IRANIANS TRIED TO GET RID OF THEM – BUT THEY WERE REFUSED

The Iranians said “We don't want them.” They put them at the Iraqi border and asked President Obama to please take them off their hands.

Obama just refused to listen.

DW: Wow.

[Elsewhere, Fulford has said that the “Pentagon White Hats” intend to restore constitutional government to the US after overthrowing the cabal, and want to keep the elected president in power as this happens.

I support this decision, and feel it is the best move to make in order to keep the public calm as this event finally comes to pass.

I would be cautious in blaming Obama personally for this alleged decision not to remove nukes from Iran without gaining additional information first.

The president is the intended fall-guy to draw attention away from the cabal conspirators behind the scenes. His true power is limited. Even if he did want to retrieve the weapons, he may not have had any choice.

It may also have been seen as a trap – far too dangerous to risk the lives of top personnel on what could easily have been a suicide mission.]

MOST ISRAELIS WOULD BE HORRIFIED IF THEY KNEW THE TRUTH

BF: Okay? And again, people at the higher level know this is true. In other words, they were going to offer the people of Israel as a kind of ritual sacrifice.

So the Israelis were victims. A lot of them were fooled with Jewish superiority talk, which is really the same as Aryan superiority talk – only you substitute Jew for Aryan.

They were chumps.

Most of the Israelis don't know what is going on, and they would be appalled to hear it. It's about a cabal that is above all that.

DW: And it has no religious affiliation.

THEY ARE ASSOCIATED WITH JUDAISM / CHRISTIANITY / ISLAM

BF: Well, they are associated with the Abrahamistic religions. Let's put it that way.

DW: Going back to Babylon, Mesopotamia, all the way back there?

BF: Well, at least going back to the time of the Caesars.

RELIGION AND FASCISM

Let's remember the word "religion." The etymology of the word "religion" is *religare* in Latin, which means to re-bind.

What do you re-bind it into? A fascio. What is a fascio? It is a bundle of sticks, but it is also fascism.

MONOTHEISTIC RELIGION COULD BE USED FOR MASS MIND CONTROL

At its worst, monotheism – as practiced in the Middle Ages, for example – involved singular control over everybody's thoughts.

Remember – in the Middle Ages, if you didn't believe in the official Catholic doctrine, then you and your entire family would be killed – or tortured until you confessed.

DW: Right. That was the Inquisition.

BF: Well, yeah!

THEY'RE MORE SOPHISTICATED NOW – BUT STILL LOSING THE BATTLE

And it's much more sophisticated now.

Five companies control all the major English-[speaking] media – including the TV, the newspapers, the radios, the Hollywood studios.

It's much more sophisticated now. They're trying to get everybody to think the same way – and they're losing [the battle].

9/11, the story there, was just so full of holes and contradictions that they were losing a significant part of their brainwashed audience – including myself, because I was a high-level brainwashee.

DW: Right.

PENTAGON BLEW UP UNDERGROUND BASES TO FIGHT GENOCIDE

BF: In any case, what happened was that there was a group within the Pentagon and the agencies and stuff that realized this plan was insane.

They knew that the plan to kill 90 percent of humanity was wrong.

They then blew up the underground bases the elites were going to use to hide in when they carried out their nuclear holocaust.

DW: Okay. I want to get back to that, because that is a really central point.

There is one question I want to ask you before we get to that, because that's the conclusion of the discussion.

WHY DOES THE CABAL NEED TO STEAL MONEY?

Why did these guys need money? If they have so much infrastructure, so many assets, and massive political power, why can't they just nakedly exercise power... move men around, move munitions around?

Why do they need money? Why are they going around like a crackhead looking for a fix?

Why are they going to all these different countries and trying to scam money off of them? Why can't they just print dollars and make more money?

BF: Because people aren't accepting their dollars worldwide.

You've got to remember there are 800 US military bases around the world.

If they can't make the payroll for these guys, they're going to be marching out of their bases with food bowls in their hands, begging for food.

DW: Right.

THE ASIANS CUT OFF THE MONEY SUPPLY TO WALL STREET

BF: They're being cut off from their oil, from their other resources. That was their Achilles heel – the control of money.

Their private army was self-financing. They had their own industries and their own income.

The US army is dependent on Wall Street financing. That's why they were dependent on ultimately the Chinese and the Asians, who were financing Wall Street.

YOU CAN BE THE GOOD GUYS AGAIN

That's why I told the Pentagon guys, "You can have a Starship Enterprise future, exploring the Universe and all that kind of stuff. Just work with us.

"We're not going to cut you off. You're not going to end up like the Soviet Union, where you have a general who is now suddenly being forced to drive a taxi in London.

"You can be the good guys again."

A lot of them said, "Hey, I think that's a good idea. We want to be heroes again. We don't want to be the bad guys."

SUPPRESSED TECHNOLOGY INCLUDING ANTIGRAV AND 'STARGATES'

DW: You're saying that they have suppressed technology that could bring us into the Starship Enterprise reality.

[Earlier, Fulford had said provocative things on his paid blog, as follows:

<http://www.divinecosmos.com/start-here/davids-blog/807-fulford-interview-exclusive>

A third group based in the US military-intelligence establishment proposes a 5-year swords-to-plowshares transformation of the Pentagon.

This group has the potential to develop the over 6,000 patents that have hitherto been suppressed for "national security" reasons.

One technology they possess is anti-gravity. This would make automobiles obsolete and allow roadways to be transformed into gardens.

They claim to control technology that allows the creation of portals into other dimensions.

They claim (we have not seen proof but have heard this from many credible eye-witnesses) that many so-called underground bases around the world are actually such portals.

Hopefully we will soon be able to see if this is true. If so the implications are more than mind-boggling.]

5,135 INVENTIONS HAVE BEEN CLASSIFIED

BF: I don't know about [the Starship Enterprise being a reality].

But, we can confirm, according to the American Academy of Sciences, that more than six thousand patents have been suppressed for so-called “security” or “public safety” reasons.

[DW: This data point is in my new book “The Source Field Investigations.” The Federation of American Scientists revealed that 5,135 inventions had been classified by the end of FY 2010.

Among other shocking revelations, we now know that any power system that is more than 70-80 percent efficient at converting energy will automatically be declared classified.]

Some of these [patents] probably need to be suppressed. We don’t want everyone to have a backyard nuke, for example.

DW: Sure.

BF: But a lot of them, I’m hearing, were just kept [classified] because these people were acting like dogs in the manger. They only wanted the elite to have it.

MANY UFOS ARE FAKE

So my understanding is that, for example, a lot of the so-called UFOs are just sophisticated earth-based secret aircraft that aren’t available to the public at large.

DW: I would agree with that. Yeah.

ALIEN ABDUCTIONS MAY BE FROM “PLFs” OWNED BY THE CABAL

[In “Hidden Truth, Forbidden Knowledge,” Dr. Steven Greer of the Disclosure Project reveals compelling insider testimony that UFO abductions are being carried out by so-called PLFs, or Programmable Life Forms, owned by the cabal.

There are no reports of “alien abduction” prior to the early 1960s with the infamous Betty and Barney Hill case. This appears to be when the PLF technology was first perfected and put into use.

ALL ET CONTACTS IN THE 1950S WERE WITH POSITIVE HUMANS

[Throughout the 1950s, there were extensive reports of people having direct contact with benevolent human-looking ETs who told them of a coming Golden Age.

These ETs appear to be the same people who appeared in ancient civilizations around the world and were labeled as “gods” or “angels.”

Many of these 1950s contacts occurred in the US and Canada, and were studied and compiled by Wilbert B. Smith – a Canadian government worker with classified clearance.

An entirely separate set of positive contacts occurred in Italy, and were the subject of the TV documentary “The Friendship Case”, in which key firsthand witnesses broke their silence and spoke about the events they experienced.

A great deal of valuable information about both the US/Canada and Italian contacts can be found in “1950s Human ETs Prepare Us for Golden Age” at <http://www.divinecosmos.com/start-here/davids-blog/956-1950s-ets>.

BIOLOGICAL ROBOTS USED TO FIGHT THE POSITIVE ETs WITH FEAR

[The development and implementation of PLF technology appears to have been a direct counter-strike by the cabal against the positive contacts of the 1950s.

Greer’s contacts confirmed the PLF technology was acquired from ETs – and involves advanced cloning principles to create a “biological robot”.

Apparently, a human fetus is grown in an artificial environment, and without the pressure of the womb, it retains fetal proportions and features – including the large eyes, big head and thin body – on into adulthood.

POSITIVE ETs WOULD NOT INTERFERE UNTIL 2012

[According to the Project Camelot testimony of “Mr. X”, an employee for a major defense contractor, the positive ETs gave a very important message to the cabal in the early 1950s.

Several top-secret documents revealed that unless the ETs were specifically invited to show up by a majority of the people, and / or their leaders, they could not appear publicly and openly, on any mass scale, until the end of the year 2012.

This was due to their cooperation with a natural cycle in the Earth – which is apparently governed by a meta-intelligence that exists at the planetary, solar, galactic and universal level – namely the Source Field.

The prophecies and workings of this cycle, and its effects on human evolution, are explored in unprecedented new scientific depth in my book The Source Field Investigations (SFI).

SFI debuted at #18 on the New York Times best-seller list, increased to #16 the second week and is at #18 for the third week.

Our publisher Penguin, incidentally, is not part of the cabal, nor the top five media companies. Extensive secrecy was kept around the book until its release to insure it would not be interfered with.

PLFs USED TO TERRIFY PUBLIC AND PREPARE FOR “ALIEN 9/11”

[Apparently the cabal’s intention behind the “alien abduction” phenomenon was to terrify the public – and help set the stage for a fake “Alien 9/11”.

This fake alien attack has been extensively telegraphed in a multiplicity of different movies – 18 different movies in the recent past alone.

The major media conglomerates are owned by the cabal and produce these “alien invasion” films for propaganda purposes.

ETs ARE NOW COOPERATING WITH EFFORTS TO DEFEAT THE CABAL

[I have sources with additional information that Fulford has only heard about in minor detail.

Namely, ETs have apparently been cooperating with this international resistance group to defeat the cabal.

This was totally unexpected, as the cabal was led to believe the ETs had to follow spiritual laws that forbade them from ever intervening – under any circumstances.

Advanced ET technologies are now being used to strike and disable cabal assets. Many examples have been given in my “China’s October Surprise” article series. Just read everything in David’s Blog on divinecosmos.com beginning from October 2010.

The joint campaign began last October – and many obvious, public targets were hit, all with zero casualties.

This included the powering-down of 50 Minuteman ICBMs – and top military witnesses have now publicly reported that a cigar-shaped craft was hovering overhead the entire time.

THE UNDERGROUND BASES WERE A MUCH MORE SIGNIFICANT STRIKE

[However, the destruction of these two major underground facilities is far more massive than other attacks that occurred in November and December 2010, and thereafter.

These earlier attacks did apparently wipe out a great deal of individual craft and munitions that the cabal could have used to fake an alien invasion, according to the insiders I have spoken to.

However, it was always done a little here, a little there – never all at once. This gave the cabal a false hope that they still had a chance, even as their infrastructure crumbled.

It is very likely that the ETs would not have destroyed two entire underground cities on their own. This attack was much, much bigger than anything else had been.

I believe Fulford is correct in saying that the “good guys” in the Pentagon did this themselves – to stop the genocide from taking place.

ONCE WE DEFEAT THE CABAL, WE STOP THE ABDUCTIONS

[Since the cabal is responsible for manufacturing and implementing the PLFs, the “alien threat” appears to be largely generated from within this group.

Therefore, once we defeat the cabal, we stop the abductions... and the UFO cover-up.]

LET’S USE WHAT WE HAVE – TO TRANSFORM THE PLANET

BF: And so, the point is, let’s develop these patents in a safe way, and you can have a boom time such as we haven’t had in a very long time.

DW: Right. Instead of creating these financial products that are just voodoo, why not actually build infrastructure?

The existing military-industrial complex, I would argue, is probably the only entity on Earth that has the tools, the factories, the infrastructure and the staff to be able to accomplish this.

BF: Yeah! Exactly. And that's why the generals are now on our side.

The people who are not on our side are mostly bribed politicians in Washington DC, and the Wall Street crowd. So they are being increasingly isolated.

WHY IN THE WORLD DO THEY WANT TO KILL SO MANY PEOPLE?

DW: Now what possible reason could they have – these adversaries... Why in the world do they think they want to reduce population?

The average person's mind shuts down because they can't conceptualize that anyone would be that evil. So what's their rationale, as far as you understood it?

MASS DEATH IS “GOOD FOR THE ENVIRONMENT”

BF: The story they tell me is, “Look. We're destroying the environment. There's too many people for the planet to support.”

CULTIVATING THE HUMAN RACE LIKE GARDENERS

The other thing is these people are elitists. They believe in eugenics.

They say too many stupid people are breeding too much.

Useless eaters. All they do is they destroy the environment, and they don't produce anything. They just sit around and watch TV.

We don't need these people. We want to eliminate the weak and the useless, and just keep the elite.

We want to increase and improve the genetic quality of the human race by purging the garbage from the system.

And, we get to save the environment and create a whole new natural ecosystem.

The Georgia Guidestones has their philosophy written out. 500 million people on Earth, in harmony with their environment. This is their goal.

They put it in eco-terms.

THE NAZIS WERE ENVIRONMENTALISTS

People can forget the Nazis were great green people when it came to preserving nature and natural parks, all that kind of stuff. They were really gung ho.

In *Mein Kampf*, Hitler wrote that he wanted to enslave the non-white peoples and then kill them. It's right there.

It's the same group. They're the same Nazis. The same philosophy.

[DW: Fulford didn't mention that after World War II, top German scientists were brought over to the US via Project Paperclip.

The rationale was that if the US didn't get them, they would fall into the hands of the Soviet Union, which was far worse.

It is a well-established, documented fact that Prescott Bush was one of Hitler's main bankers and financial liaisons.

A "Business Plot" was attempted in the 1930s, by Prescott Bush and others, that would have led to the overthrow of American constitutional government and the installing of a fascist system patterned off of Hitler and Mussolini.]

THEY WANTED A SMALL, ENSLAVED POPULATION TO PAMPER THEM

The other thing the super-elite were saying was, "Hey, we're really special. We're really smart. We are the elite, and we should rule the planet like God-kings.

We will need about 500 million slaves or so to keep us pampered, but the rest we don't need."

And it's also about control. They don't have the brainwashed control over large parts of the planet.

They realized they weren't going to be able to control these people. So they thought "let's kill them," rather than lose control of the planet.

THE CABAL WANTS YOU TO FEEL HOPELESS... AND DOOMED

DW: Now a lot of people who read about this stuff online, the vast majority in fact – including most of the guests Jeff Rense or Alex Jones would have on – feel there is an incredible sense of futility.

Everyone seems to go with the knee-jerk reaction that all the governments in the world, all the countries in the world, everybody is in on it.

BF: That's where they are being used and turned into controlled opposition. They are trying to numb people to the message.

"Yeah, it's happening, but there is nothing you can do about it. It's inevitable."

That's simply not the case.

DW: Could you explain why that is not the case?

THEY ONLY CONTROL THE G5 COUNTRIES... AND A FEW SHILLS

BF: They only now control the G5 countries.

DW: Which countries are those?

BF: Those countries are Italy, France, England, Germany and the United States.

DW: That's it? You're saying ALL the other countries in the world they don't control anymore?

BF: If you look at the countries that accepted the new... I think maybe they've got a few subject countries like Honduras, Columbia and places like that.

MOST OF THE REST OF THE WORLD IS PART OF THE ALLIANCE

If you look at the African Union, they put out their own currency backed by Khadafy's gold – and they don't support this group.

Or most of the countries in Asia. Russia. China.

DW: What about European countries like Czechoslovakia, Bulgaria, Romania?

BF: They were at this meeting. There was a meeting in Monaco at the end of August.

57 COUNTRIES GATHERED TO DISCUSS HOW TO DEFEAT THE CABAL

57 countries were invited by the Swiss to discuss cutting these people off financially – and creating an international financial boycott against the controllers of the G5.

DW: Now that's an incredible statement you're making. You're saying 57 different countries, including some of these Eastern European countries...

BF: There were representatives from the Netherlands and Canada there too, OK?

DW: Wow. What about South America?

BF: Yeah, of course. And since then, more than 80 countries have signed on.

IT'S GOING TO BECOME PUBLIC

We're reaching a point where it's going to become public. It's going to be on the airwaves. It's going to be on the news. They can't hide it much longer.

DW: Why the hell haven't they made this public already?

If people are dying, and these guys are trying to fake an alien invasion – that's one thing we keep hearing, that they are trying to do an Alien 9/11 – why haven't they gone public already?

BF: You don't think they've tried?

VERY DIFFICULT TO GET THE TRUTH PUBLISHED IN THE MAINSTREAM

Look, I had a book proposal at the Berlin book fair. Eleven publishing companies wanted that book out there, including five major ones.

They all came back and said they were told by their bosses they couldn't do it.

DW: Wow. [In my case, the president of Dutton Books, a Penguin division, contacted me directly. Hardly anyone saw the Source Field book, or its contents, until it was actually published.]

BF: They've had people going and telling everybody I've ever associated with professionally that I had become an insane drug user.

They control the media. You've got to remember that. There are five companies. Five corporations – controlled by people like Rupert Murdoch, Redstone and stuff.

They have a grip over all the TV studios, all the newspapers, the radio stations, Hollywood studios, you name it.

THIS IS NOT A GLOBAL ECONOMIC COLLAPSE

DW: So if their economies are going to go down, they can then say it's a global economic collapse.

BF: And it's NOT a global economic collapse!

SEVEN PERCENT WORLD ECONOMIC GROWTH OUTSIDE THE G5

Again, if you look at the public statistics, you will see that if you exclude the G5 countries, the average growth in the world economy last year was seven percent!

DW: Holy crap!

BF: People are booming! It's not a world crisis – it's a crisis among the countries controlled by this cabal.

DW: And it's only the G5 nations. Wow!

BF: Yes! I mean, look at the statistics. They're all there. It's all in the public record.

You just have to look at government websites and check this out.

EVERYTHING IS AVAILABLE IN THE PUBLIC RECORD

There's nothing I'm saying – including the plan to kill 90 percent of the world's population – that is not in the public record. It's in their own writings!

We have countless confessions. Wernher Von Braun, the guy behind the Apollo projects, said on his deathbed that they were going to use a fake alien invasion as an excuse for genocide.

It's crazy stuff – but it's provable.

These people don't think like normal humans. I guess it was Herbert Hoover – no, J. Edgar Hoover – who said, when a conspiracy is so big, people's mind boggles and they go into denial.

In any case, these people are coming down. We've got...

DW: (crosstalk) Right. Now you said something that is very provocative.

TELL US MORE ABOUT THIS INTERNATIONAL MEETING...

You said that there is this meeting that happened, with I believe you said 57 different countries, was it?

BF: Yes.

DW: And this happened in Monaco?

BF: Yes. And it was taken on board a ship which went into international waters. According to two witnesses, Senator Jay Rockefeller showed up and tried to break into the meeting – and he was physically ejected.

THE CABAL SENT IN BLACK HELICOPTERS – BUT WERE CHASED OUT

Two black helicopters appeared above the ship during the meeting, and they were chased away by harrier jets.

DW: Now these black helicopters were like Apaches with weapons on them?

BF: I don't know the details. I just heard that there were two helicopters, and there was a danger that they were going to use some kind of electromagnetic weapon against the ship.

DW: Oh, like scalar technology kind of stuff. Yeah.

BF: And I know that they were chased away by two harrier jets.

DW: Wow!

BF: US military jets.

THEY WOULD HAVE KILLED EVERYONE – AND TRIED TO MAINTAIN CONTROL

DW: If they had succeeded with those helicopters, what do you think might have happened there? Would everybody have just died?

BF: Well, they would have killed all the representatives. Then they would have said, "Hey, we're in charge, and if you try to go against us, we'll kill you."

This is what they've been doing ever since World War II.

HOW COULD THEY COVER UP A MASS KILLING OF THIS SCOPE?

DW: If so many persons of interest died at once, wouldn't that become a massive international incident that would require investigation anyway?

BF: They have done this before. The Titanic was sunk deliberately to get rid of six hundred senior financiers who were opposed to the taking over of the Federal Reserve Board.

DW: Wow.

BF: They would come up with some story about the Tragedy of Monaco. And the kool-aid drinkers out there would go and believe it!

I'm sorry, but that's how it is.

[DW: Undoubtedly, the helicopters would have planted and detonated explosives on the boat after neutralizing everyone, and then blamed it on terrorists – and used the incident in an attempt to further their political goals.]

THREE DIFFERENT SOURCES CONFIRMED THE MEETING

DW: Were you at this meeting yourself, Ben?

BF: No. A close colleague of mine was there. And, I confirmed it from two other people who were there, who aren't related to that colleague of mine.

DID ANY OLD WORLD ORDER MEMBERS GET TO ATTEND THE MEETING?

DW: Now what about people from the Trilateral Commission, Bilderberg, or Council on Foreign Relations?

BF: They were deliberately excluded.

DW: Any one of them, no matter who?

BF: No matter who. If they were a member, they weren't allowed.

DW: And that's also why Jay Rockefeller wasn't allowed in.

BF: That's right.

BILDER-BUST

Remember the Bilderberger meeting that took place in June, in St. Moritz, Switzerland this year?

It was supposed to last until Tuesday. They all had to flee on Sunday night, because they were about to be arrested by the Swiss.

DW: Whoa! I never heard that before.

BF: Well, it's there!

SWISS PARLIAMENT MEMBER BEATEN – AND CALLS IN THE COPS

Again, what happened was a Swiss lawmaker tried to get into the site and he was beaten up.

He went to the Swiss government and said “I’m a Swiss member of parliament, in my own country, and they beat me up and threw me out. That’s illegal.”

They said “Yes. We’ll go arrest them.” They all had to pack their suitcases and flee on Sunday night – before being arrested on Monday.

DW: So this would have been like a paramilitary swat team that would have swept in.

BF: Well yeah – the police authority.

DW: Right.

BF: So there you go. The Bilderbergers were chased out, with their tails between their legs.

DW: Unbelievable!

BF: That’s there for everybody to see.

HOW CAN THESE 80 COUNTRIES ACTUALLY DEFEAT THE CABAL?

DW: So you’re saying that this meeting in Monaco took place on a ship. You have representatives from 57 countries.

You said 80 countries now have signed on to this treaty.

Now could we get into some detail about why this is so significant?

What did they talk about? How are they going to pull off doing something like this, where these entities – these five corporations – control the world’s media?

Let’s go into that a little bit.

ONCE THEY CAN’T PAY THE GOONS, THEY’RE FINISHED

BF: They don’t control the world’s money, you see.

Once they lose the control of the goons, the people with the guns, then that’s it.

PENTAGON PATRIOTS WILL OVERTAKE CABAL MEDIA OUTLETS

At a certain point, I believe the Pentagon will probably send people in to the TV headquarters in the US.

You’re going to see new faces and a totally different story coming out on your TV sets soon.

DW: That's also a very heavy statement.

ISN'T THE PENTAGON PART OF THE PROBLEM?

What is the context of the Pentagon in light of this meeting of 57 different countries?

Wouldn't everybody in the Pentagon be part of the Bilderberg / Trilateral Commission thing?

BF: No. The Pentagon was represented there. The Bilderberg / Trilateral Commission was not.

THE MAJORITY OF THE PENTAGON SUPPORTS THE ALLIANCE

DW: What percentage of the Pentagon is on the side of this alliance?

BF: I've heard that the only generals who are not on board are [guys] like Petraeus.

From what I've heard, most of the Joint Chiefs are now with this group.

DW: What about lower levels of the hierarchy? Like the soldiers.

BF: The lower levels are completely pissed off. They support Ron Paul – and they know that there's something totally wrong.

[DW: My own insiders have told me there is a massive struggle going on within the military between those who would arrest, detain and kill American citizens and those who would not.

The majority are rejecting the plans, roughly 80-90 percent, from what I heard. You can't win a battle against those odds.]

THE AMERICAN PEOPLE ARE READY FOR REVOLUTIONARY CHANGE

The opinion polls in the US show that 87 percent of Americans don't trust Washington. That should tell you the mental state in America now.

And they are saying, "We don't want these scumbags in charge anymore." They're angry, but they're not sure who they should be angry at.

That's, I think, how the majority of Americans think.

They know there is something wrong. They know it has something to do with Wall Street and Washington.

They don't know the details, but they wish somebody would come in and do something about it.

And that is what is going to happen.

These people are going to go to jail.

THE “NEOCONS” ARE THE LEADERS OF THE CABAL

And I can tell you who the leaders are.

People like Henry Kissinger, George Bush Senior, George Bush Junior, Donald Rumsfeld, Paul Wolfowitz, and Tony Blair. We know who they are.

DW: So these are Neocons and their allies.

BF: Neocons is the label that you use for them.

That’s the group that had this crazy plan that somehow they could take over the world’s oil and still control the world through the 21st century.

We know who they are. When you take away that curtain, it’s like the Wizard of Oz. You pull away the curtain and you see a little old man sitting at the control desk.

(crosstalk) And that’s what happened when I went...

MANY MEDIA NETWORKS DON’T APPEAR TO BE NEOCON OUTLETS

DW: (crosstalk) Okay. I think most people would admit that Fox News and News Corporation could be a shill for these guys.

But to say... you’re basically saying that all the media in America, for the most part, is controlled by these folks?

Why would the media not all sound like Fox, then?

NO ONE EVER TALKS ABOUT 9/11 TRUTH

BF: How many major networks and Hollywood studios have come out with 9/11 truth? Okay?

DW: Good point.

BF: Just ask yourself that. And then you can understand.

DW: So you would say...

BF: (crosstalk) Look, I have to go, but what I’m telling you is this.

WE KNOW EXACTLY WHO SPENT THE MONEY

We’ve found this thing called the Global Collateral Accounts. It’s a codebook that shows who’s been using the world’s money since the end of World War II – and for what reason.

It has a list of names. For example, who financed the Vietnam War and why. All that kind of stuff.

We have these records now.

MASSIVE NUMBERS OF NEW WHISTLEBLOWERS COMING FORWARD

We're having people abandoning that cabal like rats jumping off a sinking ship.

We have a world Who's Who coming to us with information.

THIS COULD BE THE BIGGEST EVENT IN 2000 YEARS

When this happens, this is going to be, I think, ultimately the biggest thing – certainly since World War II. Possibly the biggest thing in two thousand years.

We're going to see something... an ancient cabal that has controlled humanity through murder, propaganda and bribery for possibly thousands of years.

It is going to come to an end. It's going to be something that has not happened in the history of our planet before.

It's going to be incredible... basically we're talking about the end of Babylonian-style tyranny.

DW: Wow.

BF: That's how far it goes back.

VATICAN AND P2 LODGE CLAIM SECRET CONTROL SINCE JULIUS CAESAR

Certainly the P2 Freemasonic lodge and the Vatican claim that they have controlled things in secret since the time of Julius Caesar.

DW: Wow. [Another way of saying this is the Roman Empire never really ended – it just became more covert and secretive in its exercising of power.]

BF: I went to Italy. I met them and they tried to poison me. They didn't think I would come alive out of Italy with the information they gave me – but I did.

[DW: At the time, Fulford did say these people told him about the 25,920-year precession of the equinoxes cycle. They inherited prophecies that a Golden Age would result from this cycle, and its effects, beginning after the year 2012.

They are very off-base about how the prophecy would be fulfilled, as I discuss in my new book – but they have always been keenly aware of this as their timetable, which is why there is such urgency.

Fulford didn't cover it here, but both the Rockefeller and the Rothschild factions are being forced to step down and relinquish control by this 80-country alliance. That's why no Bilderberg / CFR / Trilateral members were allowed in.

Some insiders have revealed they are already working out the terms of surrender at a very high level, and the process is quite unbearable for them -- with lots of arguing and bruised egos.]

DW: Okay. A couple quick questions just to tie this off.

WHO NUKED THE BASES? WAS THIS PART OF THE MONACO ACCORDS?

Who did the underground bases, in your estimation? Who nuked them and why? Does it have any relationship with this meeting in Monaco?

BF: Yes. It was Pentagon white hats saying to the elite, “You’re not going to destroy the surface of the planet and escape yourselves.

“If you’re going to destroy the surface of the planet, you’re going to destroy your families too. You’re not going to escape.”

They made it very clear to them that they are not going to be able to initiate some kind of nuclear holocaust and be able to get away with it.

DW: Right. [There is extensive evidence that the ETs will not allow them to nuke innocent civilians anyway – but they certainly keep trying.

Events like Hiroshima, Nagasaki and Fukushima are much less serious than the scope of what could be done in an all-out nuclear attack.

Given the extent to which ETs have powered down any and all Old World Order nuclear assets, it is amazing that the cabal continued to be in denial and believe they would ever be allowed to use them on any significant level.]

NOW THEY HAVE NOWHERE TO HIDE

These guys must have always thought somehow that these bases were safe. And now none of them are safe.

BF: Yes. They had their greenhouses, and their food supplies, and their big-screen TVs, and their supply of women.

It’s like Dr. Strangelove. “We’ll hide in our tunnels with our young ladies while everybody else up on the surface dies.”

DW: Right.

BF: “Then we’ll come out and we’ll take over the planet – and breed like rabbits.”

Well, that ain’t gonna happen. OK?

THEY NOW HAVE DETAILED MAPS AND FILMS OF ALL THE BASES

DW: You had said on your blog that some of your people who were there in Monaco have detailed maps of these underground bases.

They know exactly where they are. And footage of the bases was shown?

BF: That's right. [The Pentagon gave this evidence to] the world governments to show, "Yes, it's true. These crazy people were planning to kill 90 percent of humanity."

The world's governments know this.

HOW MIGHT THIS EVENT HAPPEN – AND WHEN?

DW: Okay, so how can we expect that this event will take place? What might happen and when might it happen?

What are we looking at? What are we going into here? What will be the precursors of this?

BF: There are several possibilities.

The one I'm hearing the most, the one that the Pentagon backs, is a lawsuit that would lead to the arrest of the top cabalists.

WILCOCK'S OWN TESTIMONY OF WHAT IS EXPECTED

[DW: My own insiders expect that the dollar is about to collapse, thanks to this coordinated international effort – followed by the official declaration of bankruptcy by the US government. That will be the immediate precursor event.

I have been told the insiders are considering seven different ways in which this collapse could happen. All of them are thought to be potentially very imminent, even before the end of the year.

No one is certain of the exact timing, though, and the "windows" are always changing based on unpredictable events.

The recent announcement of the bankruptcy of the US Postal Service brings us very close to this point already – as one example.

THEY'RE PRAYING FOR CHAOS

Once this dollar collapse / government bankruptcy is officially acknowledged and recognized by the public at large, the cabal expects riots and social upheaval.

Again, I believe they fantasize far too much about the scope and the severity of what will occur. It's undoubtedly a coping mechanism.

The cabal members desperately hope the people will turn against each other, as it is their last hope to maintain any control over the situation.

The fear-porn scenarios I have heard seem utterly fanciful – particularly since the majority of the military will turn on those who try to harm the public in any way.

Some of the technology that will be used to turn against the conspirators is highly classified and highly effective. Most people will probably never know it was used.

These “fracking” events will be “friendly fire” indeed. And Americans are not going to hand over their guns and gold.

THEY HAVE PLANTED EXPLOSIVES UNDER MANY CRITICAL BRIDGES

I did hear that cabal insiders have already planted demolition charges to blow up a large number of critical bridges and runways – isolating various geographical regions and causing food shortages for a period of time.

This massive strike, of course, will be blamed on “terrorists” hitting America at its weakest moment.

This is one of the strongest real threats we face once this epic announcement is finally made. Exposing these plans spoils any element of surprise.

So many insiders are defecting that many, if not most of these explosives will hopefully be located and neutralized in advance – if they haven’t already been.

However, it may be unrealistic to assume that all of them will be neutralized, since they can all be detonated by remote control at the push of a button.

CRITICAL SUPPLIES WILL STILL BE DISTRIBUTED

They did hope this attack would lead to mass starvation, anarchy and chaos.

However, even with impaired land transit and airport runways, critical supplies will still get where they are needed by the focused efforts of the just – including the military.

The nationwide Eisenhower interstate system was built to be used as emergency aircraft runways, for example – and it is far too huge to be able to destroy.

Helicopters do not require airstrips either.

MASS ARRESTS

The official bankruptcy announcement, and the potential shock of widespread bridge and runway detonations, will be immediately followed by mass arrests.

This will include key staff from all three branches of government: senators, congressmen, judges and executives.

It will also include top military brass, top intelligence personnel, defense contractors, top media moguls, corporate executives, Federal Reserve Board staff, top financiers and “too big to fail” financial entities, et cetera.

Fulford has said that the Pentagon may now house these people, at least temporarily, in the very same “detention camps” they had originally planned on using against American citizens.

Karma’s a bitch.

TRYING TO FIND A HIDING PLACE

Everyone on this list is scrambling for a place to hide. The bases near Washington DC and Denver were both quite popular due to their convenient locations.

Most of the top people had comfy, personalized living spaces already set up in these locations – with their own memorabilia, keepsakes and nostalgic items.

Many of these people have also moved their personal belongings to purported safety zones in South America – and only have a minimum number of items left in their own homes in the US.

ESCAPE FLIGHTS

I am told the cabal members have near-instant escape flights planned. The pilots and aircraft are now on 24-hour notice.

Most of these pilots will probably defect.

I also have very good intel that the personnel staffing these safety zones have already agreed to turn on them as soon as they arrive.

Pilots who do not defect are undoubtedly in mortal peril if they attempt to complete these flights.

Fulford also said the South American countries themselves have now agreed to infiltrate and disrupt these zones – and their incoming flights.

A MILLION DISPOSSESSED SOULS

Fulford has talked at length about how the number of insiders who are fearing for their lives is about a million people.

They have been scrambling around the world trying to beg, borrow or steal any land where they could have sanctuary.

They have used earthquake and weather weapons to punish countries who denied them access. This includes the Christchurch quake in New Zealand after the cabal was denied use of their lush, southernmost mega-island.

North Korea is the first country that is even considering helping them, and this development has only occurred very recently.

Kim Jong-Il will only help them if they promise to help him regain control of South Korea. This entire plan is very unlikely to succeed.

And now, back to the recorded interview.]

THEY MAY SETTLE FOR A TRUTH AND RECONCILIATION COMMITTEE

BF: But right now, they're also trying to cut a deal.

[The international alliance is] saying, "Hey, look. If you guys will stop the nuclear terror, then maybe we'll forgive you."

It's one of those situations where so many people are involved that it is better to have a truth and reconciliation committee rather than a bunch of arrests and beheadings, you know?

DW: So you're saying that these underground nuclear strikes against the bases...

BF: (crosstalk) What I'm saying is that there either will be thousands of arrests of prominent people, starting with people like Henry Kissinger...

Or else, they will cut a deal – and appear before a truth and reconciliation committee in exchange for one time of forgiveness.

WHEN MIGHT THIS ALL COME TO A HEAD?

DW: Do we have a time window on when this all might come to a head?

BF: Well, it's a war. Who knows what crazy stuff they will do next?

It could be as early as this fall. It could be as late as next summer. I don't have a precise date.

DW: Okay.

BF: But I'm hearing we're pretty close now.

[DW: My own sources have said that due to the massive escalation of threat with the destruction of the two underground cities, this event could come to a head before the end of the year.

Also, highly classified documents dating back to 2008 had given a time window of December 2011 for a planned evacuation of the White House due to an "alien invasion".

So, in order to throw off these planned timetables, action is now happening very quickly.]

DID THE CABAL RETALIATE AGAINST THE RUSSIANS?

DW: Do you think the failure of the Russian airplane that had their entire hockey team onboard was in any way related to this war?

BF: It's possible. But generally, they would rather get a bunch of generals than hockey players.

There was a crash off the coast of Brazil that was involved in this, I know. But I don't know about the hockey players.

[DW: This is not what the insiders told me. I heard there is wide speculation that the Russian plane crash was a retaliatory attack.

Specifically, I was told that the average American sports fan is only about one percent as enthusiastic as the average Russian is about their hockey team.

Therefore, this plane crash was a groin kick to the Russian people, giving them a withering emotional and psychological attack.]

WHAT HAPPENS ONCE THE CABAL IS ACTUALLY DEFEATED?

DW: OK. So just in summary, then, could you paint a picture for us?

Let's assume that this happened. Let's assume that these 80 countries get what they want.

Just paint the picture of what happens. Where do we go as a planet, and how long is it going to take us to get there?

BF: It's just common sense. We have the technical ability to end poverty and stop environmental destruction within a year.

We just don't have the institutions or the will to do it.

So instead of a fake War on Terror, aimed at financing the defense companies forever, in a useless manner, you have some sort of huge campaign, globally: the equivalent of World War III, but a peaceful one.

And then, start telling people the truth about their history – which they've been lied to about so much.

IT'S GOING TO BE LIKE THE FALL OF JAPAN OR THE USSR – BUT MUCH BETTER

[We will] start building new institutions that are fair, transparent and meritocratic.

Anybody can climb the pyramid and get to the top if they are good enough and determined enough – instead of an inbred family group controlling it.

The people of Japan went through it at the end of World War II. Suddenly they were told their emperor was not a god, and that the war wasn't actually ending in victory. Soon everything was about to change.

It's going to be like that.

Ask anyone who went through the end of the Soviet Union what it was like, and you get a pretty good idea about what is coming.

But, unlike the end of the Soviet Union, it is not going to be followed by hardship or poverty. It's going to be followed by an era of unprecedented prosperity and happiness.

OK? I've gotta go.

DW: Great. Thank you so much.

BF: Bye!

SFI IS ALREADY BECOMING INSTRUMENTAL

DW: That concludes our interview – but it doesn't conclude the insider updates that I feel are important to share.

One insider told me he is hearing about the Source Field book from 2-3 different key people per day. These are insiders within the black-ops community, who are working against the cabal, at very high levels of classification.

Just to clarify, these are people who routinely work with free energy, anti-gravity, teleportation, stargate travel and time-viewing technology.

They are very excited, as they now realize that SFI is an excellent summary of all the science that has been suppressed — science they use every day in their jobs.

They are well aware of the implications of this science being publicly disclosed to humanity — for the first time in Earth history.

They apparently are seeing that this book can be used to bring the public up to speed much faster than they had expected, and with much less risk or hassle.

No one needs to stick their neck out and risk assassination in order to get the truth out – just recommend that people read the book.

INNOVATIVE MAIL CAMPAIGN HAS ALREADY BEEN LAUNCHED

I was also told that these insiders are buying 10 books at a time and sending them via certified mail, with written return receipts, to governors, senators and congressmen.

If the recipients of SFI sign for the book, that now makes them legally liable for being aware of its contents.

Apparently, about half of these books are being returned unsigned.

This suggests that SFI is already being used to set the groundwork for the Disclosure coup itself... which may be coming a lot sooner than most people would imagine.

I DID NOT EXPECT SFI WOULD BE USED SO QUICKLY

I had always intended SFI to be used as a critical tool in the Disclosure process. However, I never imagined it would be implemented so quickly and forcefully.

The book was released on the very same day that the second underground city was destroyed. I do not believe this was consciously planned or intentional, but it is synchronistic.

Libya was also overthrown this very same day. Many people argue this was strictly a negative – an attempt by the Cabal to stop Africa's new financial system before it started.

Either way, in symbolic terms, people associate Libya with a dictatorship.

The east coast earthquake caused the pyramidion at the top of the Washington Monument to crack — in a vertical line down the middle.

This, as I said, is directly where the Eye would be in the classic Illuminati symbol. I do not believe this specific damage was planned or intended by the insiders.

Having both of these massive events happen on the same day is, at the very least, an amazing synchronicity.

UPDATE NEXT MORNING: POSITIVE EVENTS APPEAR TO BE RAPIDLY ACCELERATING

I heard from another insider this morning who has a variety of contacts within intelligence agencies, central banking, military officials, et cetera, and specializes in trying to get free energy out to the public.

He hadn't even read this article or was aware that I had interviewed Fulford. Yet, the material was the same — but with new updates.

The news from this insider, directly connected to the so-called "Pentagon White Hats," is extremely positive — if indeed true.

FOLLOW-UP MEETING TO MONACO ACCORDS IN POLAND

Just two days ago, this same international alliance of 80 countries had another very important meeting in Poland.

Apparently, Timothy Geithner heard about the meeting and appeared there in person, but he was denied entry.

This came from a top Marine who was at the meeting and is overseeing the financial reconstruction efforts.

Undoubtedly, more information will emerge about this from Fulford, as of Monday morning, if it did indeed happen.

FOUR THOUSAND CABAL MEMBERS HAVE ALREADY BEEN ARRESTED

These top Pentagon sources have also said that "about 4000" of the people working on the inside for the cabal, behind the scenes, have already been arrested.

It was not indicated where they have been taken, except that it is a very remote location — offering no chance for escape.

THEY HAVE NOW FORMALLY AGREED TO SURRENDER

There have been critical nuclear attacks against underground cities and sub-shuttle systems.

The mass arrests have already begun, aggressively — but they are still “below the radar”.

As a result of these events, we are told the cabal has now formally agreed to surrender.

RE-ARRANGING DECK CHAIRS ON THE TITANIC

Even in the midst of their surrender, they are still trying to push some of their goals forward.

Nonetheless, at this point it seems like a desperate act of futility — like re-arranging deck chairs on the Titanic.

This key insider told me that three different people “at the top of the system” have confirmed that the cabal is giving up.

He confirms that once all of this goes public, it will be an incredible historic event — greatly relieving fear on Earth.

His time window is within a month. An independent source said it could be within two months. Fulford says it might not be until next summer.

No one really knows — but when this does happen, it will be one of the single greatest moments in human history.

I have had well over 100 different prophetic dreams in the last few years that were telling me this was going to happen.

New David Wilcock Article...”Disclosure Imminent? Part II: Many More Bases Destroyed”...AND...”Asshole Hippies From Outer Space”

Posted on [October 13, 2011](#) by [kauilapele](#)

So I get this email this morning, and I'm looking at it at about 5 AM (HST), and said, "Oh, that's nice. a new David article." Then I go open the kitty door, let the kitties out, get back into bed, and (challenge here...) start reading it. And did not stop until I finished it. David's articles always feel like "blockbusters" to me. This one did too.

One main point here is the reminder that we need not fear. This whole process of clearing and cleansing this planet, prior to Disclosure and Ascension, is in Higher Hands. Playing into the "sky is falling get in your bunkers" mentality serves no one at this time (or any time).

Another point is, thank God for all of you "A\$\$hole Hippies" out there!!

So here it is. I've chosen this time to put the entire article here. And here are links to David's website:

Disclosure Imminent? Part II: Many More Bases Destroyed

Written by David Wilcock Thursday, 13 October 2011 01:11

MANY underground bases have now been completely cleared out... materials, equipment, and personnel... by yet-unknown forces.

An international coalition, intending to overthrow the Old World Order and free humanity from enslavement, is claiming responsibility. They also appear to have extraterrestrial assistance in this mission.

Truth or fiction? You decide.

Please [link](#) to this article but do not re-post it, as it is being dynamically updated as events unfold. Posting key excerpts with the link is encouraged.

Please read Part One first, as otherwise I will be bringing up various points that you will be unfamiliar with.

[CLICK HERE FOR PART ONE](#)

WHAT DO YOU BELIEVE?

Do you believe in love, or do you believe in fear?

If you do believe in love, do you also believe in a Higher Power in the universe?

Is this an abstract concept in your mind, or do you see that it also has practical realization in the events that take place on Earth day after day?

Which of these two realities do you *feed*... with your thoughts and beliefs... and the energies they in turn create?

Do you see life on Earth as subject to random catastrophes beyond your control, and enslavement by shadowy negative forces pulling the marionette strings of elected governments?

Or, do you believe that everything in life has Purpose — even if it is not always obvious?

Could this Purpose be carefully maintained by entities vastly more evolved than those zipping around in UFOs and visiting us from other worlds?

INTERNATIONAL COALITION BRINGING DOWN THE OLD WORLD ORDER

I am honored to present you with a true story about the awakening of humanity. The awakening is happening on a personal level... and on a collective level as well.

Collectively, world governments are becoming aware that they have been manipulated and lied to.

One of the greatest lies that has been perpetuated by the Powers that Were is that “everybody’s in on it” — all elected governments, leaders, officials, personnel, et cetera.

This is simply not true.

The real powers that have been running the world would never show their faces in an election. You will never see anyone above middle-management level in a race for public office.

Many, if not most elected officials are terrified of these hidden powers. They have been vigorously threatened with fates far worse than death — witnessing the gruesome results firsthand — if they should ever dare to oppose the Old World Order.

Russia, China, Brazil and India bravely led the charge with the BRIC alliance, which became BRICS when South Africa signed on. From this seed, we now have a massive international coalition involving the leaders of over 80 nations — and it’s growing by the day.

TWO DIFFERENT PERSPECTIVES ON THE SAME STORY

Together, these nations have formed a new alliance for justice. Their most important and significant goal is to utterly crush the ability to create money out of thin air. All currencies will soon be backed by tangible assets, such as precious metals and other commodities.

The entire system will be transparent for anyone with online access, so any one person can audit it and check for fraud. Coin money has already been made that will be a lot smaller than most of us are used to, but it will be from real gold and silver.

This plan was devised by people who had worked within the old system at a very high level, and have since broken away. (I cannot go into greater specifics at this time.) They knew exactly what the biggest problems were — and what we need to do in order to fix them.

I had heard about a similar-sounding plan from my own top-level insider sources for about the last two years. I sincerely hoped it would succeed, but we hadn't really talked about it much since last year.

Up until recently, I was unaware that the 80-nation coalition Benjamin Fulford was talking about ([see Part One](#)) was organizing its financial recovery agenda through this exact same plan — working from the exact same blueprints I've been hearing about for so long.

I didn't realize that both of these storylines were connected until I presented one of these insiders with a detailed summary of what I had written about in Part One.

“You just verbalized exactly what is going on, David. I wouldn't have had the liberty to tell you all those details otherwise, as this is still very sensitive, but now that you already have been briefed on it, I can confirm that everything you've just said is true.”

The only point of discrepancy was that this contact had only heard that “about 50” nations had signed on — but that information was several weeks old at the time. This made it line up even better with Fulford's timeline of what nations got involved, and when.

WHAT, EXACTLY, ARE THEY DOING?

This is the first article I've written since finding out that the international coalition Fulford spoke about is using the exact same blueprint for financial reform that I've been discussing, off and on, for so long now — with my own insiders.

Now that I know how it all fits together, I'm even more excited about it than I was already. Fulford's sources have now gotten a very significant validation from my own... and I believe this is no accident.

This will be the most substantial reformatting of the world's financial system since the time of Babylon, where all the problems first originated... at least on this planet, in our so-called “modern” times.

In the new system, if you have 20 dollars — either in paper money or in your bank account — you can visit any one of a variety of warehouses storing materials and goods, and withdraw 20 dollars' worth of assets from the warehouse.

You could get 20 dollars worth of corn. Or wheat. Or potatoes. Or silver. Or gold. Or rice. Et cetera. The coin money will already be made of precious metals. (Putin has had the vast majority of the Russian military secretly mining precious metals for years now.)

A BASKET OF COMMODITIES

This might not sound any different than going to the grocery store, but the difference is extremely substantial. No currency in the world will be issued unless it has the direct backing of hard assets — held in storage as collateral against the value of the money.

This is not unlike the idea of a Gold Standard — and in fact, gold will be used in tiny coins — but there is not enough gold to run the world's financial systems appropriately at this point. That problem will only intensify as growth continues.

It is very important that all money is tied in with real things: stuff that actually exists, has real value, and sits in a warehouse somewhere, and / or is contained within the money itself, so that anyone who uses the money has real value to gain from it.

Technically, the term I heard is that every financial system in the world will be “tethered to a basket of commodities.”

This one simple move will utterly crush the Illuminati and all other shadow factions. The playing field will finally be leveled.

Legitimate wealth, such as what ordinary people or even most well-to-do people have in the bank, will not be affected by this change.

If you have money in the bank, those assets will still be yours when the changeover is made — except they will soon have a lot more purchasing power than they did before in the old, corrupt system.

All of this is but a brief transitional phase as we move into what will ultimately be a moneyless system... as I will explain in Part Three.

THE PEOPLE ARE ANGRY... AND HAVE TAKEN TO THE STREETS FOR CHANGE

Unfortunately, most people do not understand the nature of the current system enough to see why this will be such a significant change.

Propaganda will undoubtedly be very effective in making people utterly convinced that this is the big “New World Order” takeover they’ve been fearing and dreading for so long... directly setting the stage for martial law, internment camps and so on.

There are already some very provocative examples of this propaganda occurring now. They know what is coming and are doing everything they can to brace for impact.

However, everyone knows that the more “funny money” is created, the more prices go up — and the more impoverished everyone becomes.

This has now become obvious, thanks to the bailouts — which did absolutely nothing to quell the daily mind-rape of economic fear porn being churned out by the establishment media.

Fear was created. Bailouts were rammed through without a public vote or approval. The rich got richer. The poor got poorer. The only solution they offered was to generate even more bailouts, making the problem even worse. Fear begets fear.

As a result, the Occupy Wall Street movement is now growing exponentially fast. One insider told me they estimate it is growing by 50 percent per week, and may accelerate even faster as it catches on.

Even the public media is now reporting that the movement has spread to 900 cities around the world.

GENUINELY TERRIFYING

This public uprising is genuinely terrifying to the Old World Order, regardless of their propaganda and disinformation to the contrary.

They had no idea what it would be called once it got started, but they have been planning ever since at least the 1980s for a mass, public uprising once the average person realizes how badly he or she has been mistreated.

This was also the key point discussed at a recent closed meeting of Congress on September 28th... “What the hell do we do now?”

“Super Congress” Holding Super Secret Meetings

http://www.huffingtonpost.com/2011/09/28/super-committee-secret-meetings_n_984965.html

Throughout the day on Tuesday, a smattering of political reporters leaned up against walls in the basement of the Capitol Visitors Center. Inside room HVC200, the 12-member supercommittee, tasked with reshaping the nation’s tax code, social safety net and approach to war, was meeting in secret.

“I don’t want to discuss what we discussed,” Sen. John Kerry (D-Mass.) told the gathered reporters, as recorded by *Politico*.

“I think you all know the rules,” Sen. Jon Kyl (R-Ariz.) told the group, according to *Roll Call*. “If you want to talk to somebody, talk to our two co-chairmen.”

“They have had a series of member meetings and will continue to do so while also holding public hearings,” a spokesperson for Sen. Patty Murray (D-Wash.), one of the two chairs, told HuffPost on Tuesday when asked about the private meeting, which lasted most of the day.

The other panel members, according to media reports, were equally mum about what went on inside the room. “They were running through a whole series of cats and dogs,” an aide to a Democratic member told HuffPost.

Of the six significant meetings the Super Congress has held, only two have been public — one to allow members to read prepared opening statements.

IT'S TOO LATE TO STOP IT NOW

The best the Powers that Were can do now is to appear to support the Occupy Wall Street movement, because they know their entire “black economy” is about to be closed down anyway.

It is too late, and they know it. The battle has been lost. They didn't think it was possible they could ever be defeated, but now they are well aware of their own impending collapse... thanks to this vast, international coalition.

There is real terror among them now. They pushed it too far. They stole too much. They told too many lies. They got too greedy. And now their time has run out.

Their final plan is to attempt to run and hide from justice as it all comes crashing down around them... such as in massive complexes on land they have annexed in South America.

They are also planning to create significant damage on the way out.

I have had at least 100 different dreams revealing various aspects of this scenario in the last three years, some of which I've posted here, and I have been given every assurance that these plans will not succeed.

NASTY, NASTY, NASTY

As I said in Part One, top-level insiders are now telling us that charges have been planted in key bridges and airstrips around the US.

The Eisenhower Interstate System, from its inception, built cubbyholes into bridges where incendiary devices could be planted at all the key locations that were necessary to bring them down.

I do not believe Eisenhower was aware of this feature when it was first installed — but it does seem he discovered at least part of what was going on before the end of his presidency.

President Eisenhower famously warned of “the rise of unwarranted influence... by the military-industrial complex” in his farewell address.

This diabolical plan may well be part of what he was warning us about.

HOW WAS IT DONE?

I asked my insiders if black-ops teams planted these charges and then had to be killed to protect the secrets. I was surprised by the simplicity and elegance of the answer.

“It's a lot simpler than that. Why kill any of your best people if you don't have to?”

“I don’t get it. What is stopping these guys from spilling the whole story to their wives some night when they’re really drunk and depressed — particularly if they get all pissed off at their bosses once the checks stop coming in?”

“What if the people who did this had no idea they were planting bombs in the first place?”

“Oh shit. I think I’m starting to see where you’re going with this. Go on.”

“All you have to do is hire ordinary workers to do safety checks. You pay them to drill holes in the concrete of these bridges. They then send in their scopes and equipment to test for “structural integrity”, such as cracks and fissures in the concrete.

Then, they put in radio-controlled ‘detectors’, which supposedly test for humidity, temperature, air pressure, acoustic vibrations and so on. These devices do, in fact, do all of these things... so no one asks any questions.

Once the ‘detectors’ were put in, they filled in the holes with cement... and went on to the next one.

Little did they know they just planted demolition charges that can be set off with the push of a button.

The plan is to set ‘em off all over America, all at once, when the public finally realizes how badly they’ve been screwed... and forms a mass uprising.”

TRUTH RUINS THE PLAN

Various insiders shared this plan with me, and I am admittedly taking a personal risk in making it public — but I consider silence to be a much greater risk on this particular issue.

I suspect, but have not confirmed, that the Mississippi bridge collapse of August 1, 2007 was a preliminary test of this system to make sure it would work properly... and it apparently did.

A massive eight-lane steel bridge on the I-35 collapsed during evening rush hour on August 1, 2007, killing 13 people and injuring 145.

What made this event so strange was that multiple structural members of the bridge collapsed simultaneously — all along the bridge, from one side to the other — causing it to drop at nearly free-fall speed.

If it were a natural event, it would be more logical to assume that one support strut would break first, and then some of the others would get carried down along with it... but both sides? Simultaneously?

This doesn't smell right.

FORGIVE THE SKEPTICS

Skeptics would insist this bridge collapse, and other similarly weird things like the Building 7 free-fall collapse during 9/11, are ordinary events — but those skeptics are speaking from a place of fear.

The interesting thing about fear is it often lurks in the subconscious. The real source of this very strongly-held belief then remains unavailable to the conscious mind.

The skeptics themselves are unaware that the real reason they fight the truth so vigorously is they cannot psychologically handle the weight of it possibly being true.

This is why, as I always say, forgive the skeptics and the haters. No matter what you say or do, they will not change their beliefs until they are ready.

In ordinary circumstances, it may take them a very long time to let go, embrace the “dark night of the soul”, and integrate the ugly truth that has always been lurking in the shadows.

They are suffering from a sixty-year program of comprehensive, mass brainwashing, which continues to bombard them and reinforce the system on a day-by-day basis from the mainstream media.

Their minds will not allow the truth to be the truth, because the thought is too unbearable to contemplate.

THERE IS NOTHING TO FEAR

This willful, fear-induced denial is, in fact, exactly how this mass, international occult financial conspiracy has persisted for so long.

Sadly, many people do not realize there is absolutely nothing to fear. Even once the whole, ugly truth is exposed, there will almost certainly be some degree of mass riots and panic as the spin-meisters continue to do their best to create massive, uncontrollable fear.

The truth is that we are living in a holographic, thought-responsive “matrix,” built by what I call the Source Field.

Not one person has been forgotten by the Divine, loving forces assisting our earth, who will present “coincidences” and bizarre events that pull back the veil — and reveal that *things are not as they seem*.

The more you realize that these events are genuinely real, instead of laughing them off as nonsense, the more they will happen.

This mass, collective lucid dream responds to our thoughts, intentions and desires — and is conveniently disguised as “reality”.

This “illusion” was created for our own spiritual growth and development — by forces vastly more powerful than all the minds on Earth combined.

The “illusion” is also extremely ancient — if you would be so aggressive as to attach a time-coordinate to that which is ageless and timeless.

OUR PLANET IS BEING PROTECTED ON A VAST LEVEL

In material such as the Law of One series, which I have heavily validated with over 1000 academic references in *The Source Field Investigations*, we are told that very high-level beings oversee the evolution of people on Earth — and millions of other worlds in this galaxy alone.

A very precise balance is achieved — where the public never experiences anything greater than what they themselves have *attracted*... by the focus of their thoughts.

The human mind is the ultimate battlefield. If the Powers that Were can keep you locked up in fear and terror, you will attract more fear and terror... and they win.

HIDE OUT IN THE OPEN

In their occult system, they all know the “rules” — and one of the main principles is that they have to “hide out in the open.”

They reveal their plans to humanity, with very little veiling, if any. One very large but extremely simple example would be the bailouts.

If no one cares enough to do anything significant about these plans, then on a very real level, the public has actively *chosen* to be enslaved.

They make this choice by believing that fear is stronger than love.

They may have had many bizarre synchronicities in their lives, inviting them into the truth that we live in a magical universe designed to promote spiritual evolution, but they wall these experiences off in some separate category — apart from “the real world.”

What the negatives do not realize is that the reason why these “rules” force them to “hide out in the open” is that they are being used. They are only here to fulfill a purpose. Once that purpose has been adequately fulfilled, they will be forced to either change or leave.

Their purpose is to provide a mirror of the collective negativity we all are wrestling with.

Enough people have now seen their own reflection in the worldwide mirror that the Old World Order is now very rapidly being dismantled.

This news is so stunning, and so exciting, that it has been very difficult for me to wait to finish this article describing what I now know.

THESE PLANS WILL NOT SUCCEED

The negatives do not understand that they are on a very tight choker-chain leash from the higher forces.

Much like only one party can ever win an election, any one diabolical plan the Old World Order creates is nothing more than a job application they just filed with Management.

“Guys, could we please nuke the planet?” *Nope. Sorry.*

“Could we maybe kill a few billion people and lighten the load a bit?” *Afraid not.*

“Well, OK, but how about a world dictatorship?” *Fuggeddaboutit.*

“Can we get them to worship us as gods... create a big disaster and then appear as their saviors?” *Nah, buddy.*

“Hmmm... what if we try a massive, fake alien invasion?” *Ain't gonna happen.*

“Well, could we at least destroy the American economy and starve everyone out of spite once we get caught?” *Nuh-uh-uh!*

“ASSHOLE HIPPIES FROM OUTER SPACE”

One of the most exciting things I've been hearing about lately is that a ten-mile-wide spherical UFO is now parked in upper Earth orbit.

Over 200 smaller craft have been seen coming and going from the mothership, thanks to round doors opening and closing.

This was all witnessed by personnel within the International Space Station, among others. (There are plenty of optics onboard that can see craft that would otherwise be “cloaked” from the conventional visible-light spectrum.)

One of my own staff sent me a writeup of a dream that described this exact scenario in stunning detail — and they had no idea that I'd already heard the same thing from insiders.

It has become very difficult to piece together exactly what is going on, since there has been a significant clamp-down on information in the insider community — and the “need-to-know basis” has now become much more stringent.

However, we do know that some aspects of the military-industrial complex have made contact with these people... and literally described them as “Asshole Hippies from Outer Space.”

(This element was also featured in the prophetic dream, which you will soon read below.)

The Old World Order have been told they are being stopped in order to save the trees, the animals and the people of this planet.

“What the f- do you care about this planet? You don't even live here! F-k off!”

COMPASSION SEEN AS A WEAKNESS

The military mindset adores drama and intrigue. They love to feel they are in an epic struggle against a villain that is Evil Incarnate.

Apparently, what pisses them off the most is that their underground bases are now being wiped out, in ever-increasing numbers, by people who speak softly of love and peace, keep trying to get them to open their hearts, but are also refusing to take no for an answer.

It's literally the equivalent of their greatest, most secure blast doors in the deepest underground bunkers being torn open... and then in walks a bunch of Greenpeace, earth-loving, blissed-out, attractive, young-looking humans who speak to them like they were children.

THE BIG LECTURE

“Wait a minute. I thought you guys were only here to observe? What about the Prime Directive and all that? You're not supposed to DO ANYTHING!”

“Don't you remember how we would appear and shut down your nuclear missile installations... ever since you began building them?”

“Well, yeah, but then you gave them back to us! You were only running tests. You never took any action. You let us use them here and there. You obviously could have invaded any time you wanted, but you never did. You were weak and foolish.”

“I understand how you feel. It may have appeared that we were only here to study you from a distance, but our real purpose was to make sure you would never actually be able to use nuclear weapons to destroy the Earth.

We mean you no harm. We also cannot allow you to destroy this planet. I am sorry, because I know this is very disappointing for you.

We could not take further action until the great cycles of Time allowed us to. The plan is very, very ancient, and has played itself out across innumerable worlds. We have vast repositories of data to consult when we are faced with any new situation.

We are only messengers of the will of the Earth, the Sun and the Galaxy itself. You have had your time. And now the people of the Earth will be free.

Whether you choose to cooperate or not is up to you. The decision has been made. And so shall it be.

If you let us help you, then you do not need to be harmed. We do not wish to see anyone suffer or experience pain. Our love is freely offered to each and every One.”

THE UNDERGROUND BASES

According to our best, most trusted insiders, these same “tree-hugging” ETs have now been clearing out underground facilities around the world. The first two were near Washington, DC and Denver, Colorado.

This occurred on the same day my new book, *The Source Field Investigations*, was released. This was a great shock to me as the story began coming together over the following weeks.

As I explained in Part One, and as Fulford's sources confirmed, each of these bases were destroyed by an explosive force that caused massive surface earthquakes — including the largest East Coast earthquake in a century.

These earthquakes had very unusual properties that were identical to what we see after underground nukes have been detonated. However, we also now know that no radiation was involved.

EVERYTHING APPARENTLY GOT PORTALED OUT

Audio recordings of what occurred inside these bases were captured before their destruction.

As a result, the insiders now know that for 24 hours before each of these bases was destroyed, they heard massive sounds of sliding furniture — and people yelling and screaming.

Part of what is so strange about this is that even tables that were bolted to the floor were unscrewed and removed. All that was left behind was furniture that was broken.

By putting two and two together, it appears that massive portals were created inside these bases. All the materials and all the personnel were pulled out before the first two facilities were destroyed.

The destruction, as I said, was apparently caused by a spontaneous 20-fold increase in air pressure.

SIX MORE BASES WERE SUBSEQUENTLY WIPED OUT

The next reliable piece of information that came in was that the Powers that Were refused to surrender, even after this very impressive show of invincible force.

I have been told that the amount of equipment — including craft that would have been used to fake an alien invasion — that was cleared out in the first two events alone was enough to constitute a critical, irreversible defeat for them.

Nonetheless, they still refused to give up. Perhaps they've watched too many sports games and still want to live by the old adage that "it ain't over 'til it's over."

Six additional bases, not restricted to the United States, were then cleared out after the first two.

We do not know when this happened, where it happened, and whether or not they were physically destroyed — only that all the materials and personnel were removed.

MANY MORE HAVE NOW BEEN CLEARED

Right near the end of September, the next wave occurred — and this time it was much more significant. I was given an exact number and asked not to repeat it. In order to preserve the integrity and trust of my sources, I will withhold these specifics.

Suffice it to say that within a short period of time, perhaps all in the same day, a significantly larger number of bases were all cleared out.

The reports, again, are the same: audio recordings reveal the sounds of furniture sliding all over the place and people yelling. In this case, the bases are still there, but all the materials, spacecraft, et cetera have all been removed — except for the broken furniture.

Knowing the extreme integrity and trustworthiness that has been built up with these sources, I was so overwhelmed by this news that I completely “lost it” and burst into tears when I first heard about this.

Part of me lamented for the staff who went through fear and terror as they were pulled into these portals. I am saddened by the fact that so few of them are even aware that this is happening at all... and only find out once it is happening to them.

I also cried tears of relief in knowing that we are truly being guided and protected — and that the most significant events in thousands of years of this “war” are now happening.

IT WILL PROBABLY BECOME PUBLIC IN STAGES

Bear in mind that the final results of all this “inside” work may not immediately be obvious.

However, these “Asshole Hippies from Outer Space” are making it possible for this international coalition of 80 countries to actually succeed in their efforts.

It seems very unlikely that the bridge detonations will be allowed to occur. The Powers that Were still don’t understand that any one plan they have is nothing more than a job application.

Any application that would create too much damage, or give them too much of an unfair advantage, will be rejected.

In order to keep this “illusion” going for so long, the higher forces have been extraordinarily clever at masking their “interventions” so as to make them look like they happened by strictly natural, terrestrial means.

Therefore, I expect we will see some additional drama as the whole financial debacle reaches its apex. At some point, there will most likely be an announcement... and the world will never be the same.

I imagine that there will be a decent bit of time for us to absorb this news before we move on to a full, complete Disclosure... but I will write more about this aspect of the story in later updates.

For now, I want to share with you a transcript, only slightly altered, of the stunning dream that came in from a key staff member.

This person hadn’t heard a word about this ten-mile-wide spherical ship that was seen with hundreds of smaller UFOs coming and going from it... nor of the name that some of the old military brass had given to these new people.

THE PROPHEPIC DREAM

Here is what I read — and this is only one of a variety of extremely powerful dreams that have been coming in, suggesting that we are on the threshold of an extremely positive shift:

THE LITTLE UFOS AND THE BIG BALL

We were out in a beautiful natural setting. I saw a little silver thing spinning in the air. At first I thought it was a top, but I then realized it was a weird little UFO.

It flew towards me. About 200 of them came. They were spinning and they were small — about six to ten inches across. They were spinning and glowing and I realized they were little metal tiny spaceships.

They were pretty — they seemed to have liquid mercury on their skin, and looked like they were somehow alive.

Then there was a big ball that came that was maybe six feet in diameter. It was spinning. It went into the middle of the smaller objects.

It was amazing that none of them ran into each other because there were so many of them. They all started moving together like a school of fish.

THE PERSON IN THE LIGHT

The big one started whirling and turned into a white light. Then the image of a person emerged from the light.

This person was now standing on the land — and he was obviously an ET. He was really tall. Taller than most people by a foot or two. Maybe seven and a half feet tall.

He had a mane of really wild black hair with fluorescent green feathers sewn into it.

He was wearing this highly futuristic-looking outfit with many small spikes coming off of it, almost like a porcupine. It had fluorescent green and blue colors, tribal style.

He was smiling and standing there. Everyone else was shocked, but I was happy about it. He said hi to me. I ran up to him and hugged him and he smiled at me.

Then, everyone else realized he was safe... and they all started hugging him.

Then he was making weird faces with his face — such as the ability to stretch his skin sideways off of his face. It was kind of gross. I didn't look at him while he was doing it. He was laughing the whole time.

He wanted to tell people about all kinds of different things — whatever they wanted to know, he answered. How things really worked in the Universe.

THE MURDEROUS EXECUTIVE

YouTube Video

Then you and I got into a car with a business executive. He ended up being murderous. He was tall and had sandy blondish-brown hair. It was combed over to the side and he had a lot of hair. He had a blondish-brown corduroy jacket. A muted ochre, not a bright ochre. He had a turtleneck and some slacks.

We were driving in this car and he basically tried to kill us. He wasn't exactly trying to kill us as much as he had a death wish for himself as well, as he was driving crazy.

He drove into the side of the wall on the road and was smashing his car into whatever, including the car in front of him.

Then we got to a restaurant – a very fancy five-star escargot restaurant. We ditched him, and told him he needed to get the hell away from us, as he was crazy — he had smashed his car against the side of the wall. Then we hid, afraid he might find us.

Then you decided you wanted to eat at the restaurant anyway. I said we should get away from this murderous, rampaging guy. You said we should still eat out because it was so nice there... so I agreed.

We decided we would not be afraid. We were not going to let this guy run our lives. If he came up to us, we would just tell him no, whatever it was he wanted us to do. No more fear!

QUITE A REMARKABLE MOMENT

So again, I'll repeat the question I started with at the beginning of this article: Do you believe in love, or do you believe in fear?

When this new financial system is announced, will you buy into the mountains of “fear porn” telling you that it is a diabolical plan from hell?

When ETs are announced, will you embrace them as our long-lost brothers and sisters, or think they must be hideous, shape-shifting demons that want to utterly destroy human civilization?

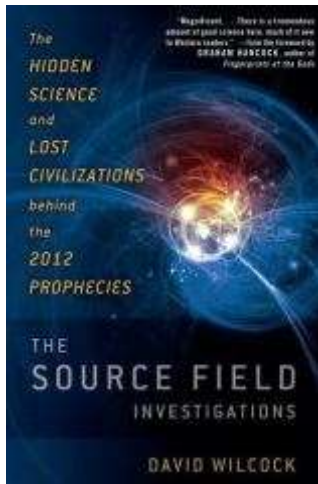

You have a choice about what you will believe and how you will live your life. I put my very best effort into combining 30 years' worth of research together to present my own informed opinion.

The Ebook version is excellent, as the vast majority of the over 1000 academic references in the book are directly linked to websites you can read.

In an Ebook, you can click on the link and it takes you right to the reference section. Then you can click on the website URL and go and read exactly where I got my citations from.

The audio version is a complete read of the entire book that I did over the course of a full week earlier this year. It has been getting very positive ratings.

Benjamin Fulford 10-25-11...”Private “trading platforms” have been shut down in preparation for new financial system”

Well, here we are in another Benjamin-described “what’s happening in this 3D Earth surface (and underground) soap opera this week.” As always, suggest reading all this with Higher Discernment turned on (and up). Much of this information I am sure cannot be verified directly, but the entire tone of this piece is very

positive. As mentioned by many other sources, recently ([Montague Keen](#), [SaLuSa](#)), the Dark Dragon (or should we say, reptile?) is going down.

Regarding the earthquake near San Antonio (here is [a USGS link](#)), and it appears that it is similar to those in Virginia and Colorado, being about the same magnitude (4.5) and depth (3 km, 1.9 mi.). As I mentioned before, I've personally noted many of these "earthquakes" with the same types of signatures. ([David Wilcock's](#) next article will likely have more on this).

Private "trading platforms" have been shut down in preparation for new financial system

by Benjamin Fulford, October 25, 2011

The highly secretive “trading platforms” used by the self-appointed rulers of the world have been shut down in preparation for the revamping of the global financial system, according to sources in the CIA and in Japanese military intelligence. This shut down took place earlier than the previously announced date of November 11, 2011 (11/11/11) in order to prevent any possible sabotage by the beneficiaries of the old system, the sources say.

According to them, over 100 countries have now subscribed to the new system. Mass arrests of people linked to the old system are supposed to begin by November 15, they say.

Some new names of key players in the old system have also now emerged as the international investigative dragnet continues. One of these people is a Belgian prince by the name of Zvonko Berdik. Another key signatory at the top of the old financial system was the Duke of Kent, who signs on behalf of Queen Elizabeth, the CIA sources say. The third new name is Alan Barr, a man who is wanted by the government of Vietnam for having tried to set off a coup d’etat there.

Meanwhile, a senior member of the royal bloodline families (a cousin to Queen Elizabeth and the Rothschilds) had some very interesting information about Adolf Hitler. He says “Hitler was a Rockefeller man,” and adds [adds] that Hitler lived in Argentina until 1967 and that he actually visited Hitler at his house there. He further claims that German Chancellor Angela Merkel is Hitler’s daughter. Hitler himself was a son of King George the V, according to King Edward the 7th’s daughter. If true, this would mean secret rule of Germany by the British/German royal family throughout the 20th and into the 21st centuries. If you look at photographs of Kaiser Wilhelm, King George the 5th and Hitler, you will notice an uncanny resemblance.

<http://tinyurl.com/3jftoc9> [this tinyurl courtesy of KP (and tinyurl.com)]

This is the sort of revelation that could come out of a truth and reconciliation committee once the secret fascist government of the West is removed from power. The process of removal is still only about 30% complete, according to a well-placed White Dragon Society source.

The signs of the collapse of the old system are becoming increasingly visible. The problems with the Euro are still the main case in point. Greece has now asked to leave the Euro. Even if banks cut the value of their Greek debts by 60%, thereby bankrupting the French banking system, the problems will still not go away. Greece is just a tiny country compared to Italy, Spain and Portugal. Furthermore, the media is not even looking at the problems in the five Baltic States including Latvia.

The fact of the matter is that all of the countries in the Euro bloc have already begun printing their own national currencies in preparation for the collapse of the Euro. Nor is this just going to be a crisis limited to the Euro currency.

Russia is negotiating with Germany to create a Russian/German dominated Eurasian union that will shift the balance of power in Europe towards the center. The Russian government has announced they expect this union to be up and running by 2015.

In the United States as well, there are signs of imminent regime change.

The multiple legal actions against the fascist corporate government based in the city state of Washington D.C. are being supported by both the Pentagon and the agencies. Thus, for example, the recent move by Bank of America, Goldman Sachs and J.P. Morgan to each take \$81 trillion of their derivatives fraud from their books and dump it on the American taxpayers, has been duly noted.

Queen Elizabeth was also prevented last week from stealing \$1.6 trillion from Mitsui-Sumitomo bank in Japan, according to an MI6 source.

The corporate media cartel is also falling apart. As mentioned earlier Rupert Murdoch's Fox TV and other outlets have begun exposing information, such as the legal actions against attorney general Eric Holder, that other networks are withholding. Now it turns out the Sumner Redstone's CBS network is interviewing a White Dragon Society member for an upcoming 60 minutes episode as part of an expose of the high-level fraud that has been taking place at the very tip-top of the global financial system (he will not be identified by the network as a White Dragon).

The Pentagon is also continuing the process of making sure the elite cannot run and hide in any of their underground bases while the rest of humanity gets slaughtered. The big underground explosion near San Antonio Texas last week (reported by local press as an earthquake that made a "boom" sound) was a part of this process. [[USGS link to details](#)]

The US is peppered with underground bases but the two big ones in Virginia and Colorado have already been shut off to the elite. Another dozen have also been dealt with. The Pentagon has informed the elite that "if they go hide underground then so will everybody else." The last really big underground facility still under fascist control is in Norway.

The fascists, for their part, are still not planning to go quietly into the night. The murder of Muammar Gaddafi last week was just part of a plan to re-establish colonial control over Africa. Hillary Clinton is now trying to claim the role as signator to the \$200 billion or so that was in Gaddafi's name. In order to access much of that money, 5 African nations, including Somalia, Zaire and Uganda, will have to be invaded, CIA sources claim.

There are also still plans in the works to start major wars in the Middle East. For example, the fascists want to split up Turkey, Saudi Arabia and Iran to create a new nation of Kurdistan. To prevent this, a Turkish, Iranian, Syrian, Egyptian attack on Israel is now likely unless fascist agent Benjamin Netanyahu is removed from power.

On a different note, the self-described Illuminati who claim to want a global meritocratic government got a public boost from Michael Gorbachev who called for a New World Order last week. The problem with their planned "meritocracy," of course, is the issue of who exactly gets to choose the meritocrats. Such a system would only work in the context of a real-time live interactive democracy and full media transparency. In other words, a global awakening of the human race and an end to Babylonian style tyranny enforced by criminal secret societies.

We are now witnessing the death throes of a dangerous beast. No matter what, though, humanity will be freed.

<http://andromedacouncil.com/>

We of the star systems & planets of the Andromeda Council are your family & friends. We are here to let you know your planet Earth/Terra and all of your people are about to go through major changes, a major stage of growth, a shift-up in vibration, called "upliftment". It is a completely new vibration, new higher consciousness & awareness, a new existence... for the first time in your planet's history.

It is a cleansing, a rebirth, a transformation. It is a transition. For you on planet Earth - it is a new beginning. Most important, it is simply an evolution.

Though the process has already begun, somewhat. Earth is about to transform in vibrational frequency from its current 3-D solid matter form existence in the 3rd dimension... into the **4th dimension/density** reality, the vibratory rate one frequency faster than currently on Earth, as Earth's solar system and planet Earth are about to cross into the galactic equatorial plane zone of the Milky Way galaxy.

Overall, this new area of 4th dimensional space is a place where matter has far less density & weight, an area of much faster & higher frequency energy vibration. It is also a dimension where time will no longer have a hold on Earth humans. From a 4th dimension perspective, time doesn't exist... at least not the way Earth presently experiences time.

In addition, this area of 4th dimensional space also has a 'black hole' with highly charged magnetic energies at its core. Earth's solar system and planet Earth will upon entry of this zone encounter the highly charged magnetic energies of this 'black hole' and feel its effects. Some of your Earth scientists, astrophysicists, call this area - a **Galactic or Torsion Energy Wave**.

The speeding up of this solar system & its planets including Earth due to the faster & higher frequency energy vibration rate of this area - their upliftment into the 4th density resulting in continued geophysical events and additional changes to planet Earth - these changes are projected to start by mid-October 2011.

The official beginning of **4th dimensional energy** will begin to affect Earth's solar system on **11.11.11** as it encounters the galactic equatorial plane region - as a universe & galactic wide harmonic frequency - will open and affect this whole area of space.

The saturation of this higher frequency vibration will continue through all of 2012, reaching full strength during the time frame of December 2012, through March 2013 when the final rotation of the 90 degree shift of Earth's crust happens with the present day East/West orientation of the continents moving into their new North/South orientation.

These changes are expected to settle down throughout remaining 2013, and will begin the completion of this cycle by the end of October, winding down in December 2013. With 4th dimensional life officially beginning in January 2014.

During this time every living thing from the largest to the smallest will be offered the opportunity to change, to evolve, into 4th dimensional life.

It is expected Earth will begin to settle into its new 4th dimension vibration existence, its new 4D life, in January 2014. Yes, planet Earth will likely go through continued dramatic changes to get there. But these events as life changing they will be to both humans and all life on the planet... these changes are normal and necessary for this process. It is evolution.

Just like a woman's body changes, adjusts & expands, Earth too must go through its uncomfortable adjustments, its labor pains, and the momentary intense pain of child birth. Earth too must adjust & prepare herself for this new beginning, for her new life as a 4th density world... a far more colorful, vibrant, & beautiful 4th dimensional world.

Once Earth is vibrating in the 4th dimension, Earth's remaining sentient inhabitants, including all humans, will be forever changed. They will manifest a variety of natural, multi-sensory abilities as never before experienced in Earth's history. These new abilities include: telepathy, telekinesis, teleportation, and levitation. For all of transformed humanity - human consciousness, human life, will make a quantum leap in evolution.

Humans finally experience and learn first hand about the truth & reality of their own soul, their true spiritual essence.

4D humanity experiences a true spiritual life - complete self awareness and cognition, total memory recall, clairvoyance, & greater natural harmony with others.

A complete transformation of your solar system. A complete transformation of the human race on planet Earth. This time in Earth's history will begin what many have described as a new age of enlightenment, real spiritual awareness, living & consciousness, an age of true human renewal...

back to the origins of what the human race was meant to become. And;

you of planet Earth, you people will determine your own destiny, you will make your own choices... you will determine your future. No one else.

But the difference is, from this time forward you, people of planet Earth, now a 4th dimensional race, you will no longer be alone, and now truly reconnected with your cousins, brothers and sisters across the stars in this vast universe full of sentient, intelligent life.

The Andromeda Council representative – Tolec – also released an October 15, 2011 statement entitled “*Setting the Record Straight*”, clarifying the nature and makeup of the Andromeda Council itself. “*Setting the Record Straight*” appears in full later in this article.

In a prior ExopoliticsTV interview the Andromeda Council representative stated that the process of our solar system's and Earth's transformation via dimensional shift to the 4th

dimension is scheduled to accelerate starting in around October 15, 2011, and be completed by January 2014.

Andromeda Council - 11.11.11

The Andromeda Council representative Tolec also released the Council's perspective on the multidimensional function of 11.11.11 (Nov. 11, 2011).

Tolec states, "The official beginning of 4th dimensional energy will affect Earth's solar system on 11.11.11 as it encounters the galactic equatorial plane region - as a universe & galactic wide harmonic frequency - will open and affect this whole area of space. The saturation of this higher frequency vibration will continue through all of 2012, reaching full strength during the time frame of December 2012, through March 2013 when the final rotation of the 90 degree shift of Earth's crust happens with the present day East/West orientation of the continents moving into their new North/South orientation.

"These changes are expected to settle down throughout remaining 2013, and will begin the completion of this cycle by the end of October, winding down in December 2013.

"During this time every living thing from the largest to the smallest will be offered the opportunity to change, to evolve, into 4th dimensional life.

"It is expected Earth will begin to settle into its new 4th dimension vibration existence, its new 4D life, in January 2014. Yes, planet Earth will likely go through dramatic changes to get there. But these events as life changing they will be to both humans and all life on the planet... these changes are normal and necessary for this process. It is evolution."

Statement: "Setting the Record Straight"

In his statement "*Setting the Record Straight*", the Andromeda Council representative Tolec writes,

"For those people who are somewhat confused about some of the various exopolitical organizations in space, I am going to set the record straight.

"There are many 'councils', or aligned star systems & planets out in space. Many of them have visited Earth, continue to visit Earth, and have done far more than visit Earth... for years now. Each has its own interests and 'agenda'.

"Therefore to provide clarity, I believe the below information will help. Please read it in its entirety. It will lay out the facts of the Andromeda Council's highest & best interest in Earth, in humanity. There are some new facts here worth taking note of. Please pay close attention to "dates", in terms of years. And of course, use your own inner guidance, your discernment as to how you feel when you read the below.

"The Andromeda Council

"The Andromeda Council ("the Council") is an intergalactic governance body of affiliated star systems and planets. It is made up of worlds, people, and beings that are some 3rd and primarily 4th, 5th & 6th dimensional. Though of varying colors, sizes and races these people

are very human, though in different stages of evolution. It is the predominant life form in the cosmos. There are twelve (12) senior chaired members of the Andromeda Council. You can read about which specific star systems & planets hold these council member seats on page two of the Andromeda Council web site:

<http://www.andromedacouncil.com/about.html>

“The Council itself has been organized for about: 20,000 years, as measured in Earth years.

“The Council itself is held responsible by its governing laws & mandates originally created, and amended when necessary, by its own member star systems & planets.

No other authority.

“The Council is very careful, and very prudent about the decisions & actions it takes. Its conduct is guided, measured, and adhered-to, by the highest degree of rigorous intergalactic standards, ethics, & protocols. Every decision it makes is very cautious and deliberate.

“Most important, it values the inherent sovereignty & freedom of all sentient intelligent life, including Earth humans. Which means it absolutely values humanity’s right, each person’s free will choice, to make decisions that are best suited... for his/her own growth and evolution.

Reasons for the Andromeda Council’s Continued Work on Earth – Since Winning the War in Space in Defeating the Draco & Hydra Reptilians and Orion Grey Alliance.

“The Council has been very busy, as evidenced by the work of our people from the Procyon star system since late August - using highly pin-pointed, highly focused sonic beams to destroy the underground bases & tunnel systems in Virginia, Colorado, New Mexico, Nevada, and others, to clear out the remaining Reptilians & Greys on Earth. I, Tolec, have been saying this for six (6) straight weeks now. We are now also progressively working in other areas around your planet to clear out the remaining underground & undersea Reptilian & Grey operational bases. But, the area of the United States had the highest concentration of these malevolent beings. It needed to be addressed first. Job done.

“Therefore, our first concern, ever since our unprecedented involvement in the war in space, fighting for your freedom, has always been to see that Earth human lives are set free, are safe, loved, and protected... as each person on your planet makes his/her own journey in life. Our first reason to get involved was, and still is, to eliminate once and for all... the years of disruptions from malevolent Reptilians & Greys in their continued attempt to rule the Earth & manipulate its people who have been at risk far too long. We are now working for humanity's sake to provide the final ‘cleanup’ help it needs to rid these malevolent entities from your world. Earth & humanity has a right to be free. You have the right to be free & sovereign... and to enjoy the peace, awe & beauty of the new 4th dimensional world that awaits you.

“We will also be here for you, ‘in person’ as you say, when the moment is right, to provide whatever knowledge or assistance you desire... based on choices you will make as Earth &

her people evolve into 4th dimensional life. To evolve into 4D life, just experience it here on Earth as it happens. Simple. Seamless. Direct. Nothing more.

“The Galactic Federation

“The long established ‘Galactic Federation’, which holds the 10th senior membership seat of the Andromeda Council, is based in the Tau Ceti star system.

“It has been a formal member of the Andromeda Council for about: 5,000 years, as measured in Earth years. The Galactic Federation has its own Chairman & Vice-Chairman, and council of five (5) members: a high-ranking Commander, the equivalent of a medical Admiral, a Senior xenobiologist, the President of the system wide Education Board, and a High Level Diplomat.

“For those planets interested in joining the Galactic Federation, its primary interests are: trade, education, space exploration in general, and specific travel to other worlds so that people can live among others and have a true societal, cultural, language learning and knowledge exchange experience.

“The Galactic Federation is comprised of approximately 140 star systems, and at present 300 planets. This number of planets rises and falls as certain ones join or leave the Galactic Federation to pursue their own interests.

“The Galactic Federation of Light, also known as the Galactic Confederation of Light

“Of what little I know about the “Galactic Federation of Light”, aka the “Galactic Confederation of Light”, it is based in the Sirius star system, with connections to Earth.

“Clarification & Differentiation

“To be very clear, pointed and unequivocal - for the purpose of clarification & differentiation about the above two (2) organizations, I just yesterday asked the Commander of the primary biosphere, where many of the Andromeda Council meetings are held, what the Council knows about the Galactic Federation of Light:

“from this point forward I will quote him - verbatim. Please note, he has the full weight of the Andromeda Council behind him.

“‘...the Galactic Federation of Light, we know of them. They have been around for about 1,000 years. Yes, they are based in Sirius. They started small and still only have a very limited number of planets involved in their group. They are not a member of the Andromeda Council. We have nothing to do with them.’

‘And, no, the Galactic Federation of Light is not the Galactic Federation. Absolutely not.’

“further, I asked the Commander about any possible collaboration with members of the Galactic Federation of Light, in space, or here on planet Earth, and here is what he said:

“...no, no. We are not collaborating with the Galactic Federation of Light. Nor are we collaborating with any star system or planet, part of, or affiliated with, the Galactic Federation of Light. No.”

“Summary

“In closing, Earth people who are newly awakened to the information I just covered... at times it can get confusing. But it doesn’t have to be. I’ve always done my best... to keep it simple.

“With the right amount of detail, definitions and clarity... you can better discern which information is right for you. And act accordingly.

“May you make this next step in your evolution into becoming a 4th dimensional human... with ease, tranquility, grace & serenity. It’s all up to you.

“I wish you peace on your path... your life’s journey.”

FAQ: A REBORN, TRANSFORMED EARTH –A NEW LIFE

The Andromeda Council representative released the following October 15, 2011 FAQ on The Facts about Life as a 4th Dimensional Human, discussing a wide-range of aspects of life of 4th dimensional humans in a 4th dimensional Earth, including: 4th dimensional food, sleep, adjusting to 4th dimensional life, infants and children, the aged, work, 4th dimensional money (there is none), education, marriage, sex, procreation, and gifts and abilities (including telepathy, telekinesis, transformation and teleportation).

"The Facts about Life as a 4th Dimensional Human

www.andromedacouncil.com

"ABOUT 4TH DIMENSION HUMAN LIVES

3D – 3rd dimension

4D – 4th dimension

5D – 5th dimension

"1. Regarding our lives as 4th dimensional people. What kind of food will we as 4D Earth people need to eat?"

"ANSWER: First of all, 4D adults will not NEED to eat food. Their bodies can produce enough self-sustaining energy on their own. Food can be eaten to simply enjoy food, most of which is fruit that has as an integral part of its molecular makeup! digestible protein. This kind of fruit is eaten on many other worlds.

"2. What about sleep. what kind of sleep will 4D humans need?"

"ANSWER: Since your 4th dimensional human body recharges quickly you will only need about 3 hours sleep, and yes, it will be a normal deep sleep.

"3. With all of these changes in us, what about Earth humans who have a more challenging time adjusting to their new lives as 4D humans?"

"ANSWER: Should an Earth family choosing to stay on Earth becoming 4D humans, but are having a somewhat difficult time adjusting to their new 4D capabilities, there will be 'sponsor' families on board the primary Andromeda Council biosphere, and all of the Andromeda Council biospheres, who will provide sponsorship help, assistance for those who want it!. who can help these families more easily adjust. There will be single, individual sponsors for single adults & children as well.

"4. Well, what will happen to young babies, 6 months old, 1, 2, 3 years old, the youngest of children? What will happen to the children during the transformation process? Will they remain their relative young age, or transform into something else?"

"ANSWER: Remember, whether this transformation is about adults or children, it is still a smooth, seamless, painless transition. For children who are here on Earth, they will continue life literally transforming into now 4D children so that they can continue to develop and grow.

"5. Well, what will happen to the oldest of people the ones 79, 80, 81, 82 & older; and the people regardless of age. the ones on their "death" beds, on the verge of dying?"

"ANSWER:

"a.) these healthy older people will retain the knowledge & wisdom of their age, and they will transform into having new 4D bodies. For those people who are aware of their original spiritual birth essence from when they were first born '1000s' of years ago, they will be able to choose their original - look, face, body they were born with. They will most likely appear to be in their mid-30s. For those who are not aware of their original spiritual birth essence - the default transformation will likely have them automatically appear to be about 60 years old

in Earth appearance, albeit a very youthful, 'glowing', healthy looking 60 years old. This transformation process will truly be about each

person's level of birth origin spiritual awareness.

"b.) those people on their "death beds" can have a choice. They can choose to either have their current bodies and physical look rejuvenated back to a healthy, glowing, approximately 60 year old self; or if they are aware of their original spirit birth essence body & physical look, they can request a transformation into their original body form.

"c.) if they die, if their 3D human body dies before the complete shift into the 4th dimension, their original soul essence leaves their body, they go to a temporary - 'transit station', of 4th dimensional vibration, out in space, and they can choose to: begin a new life, being born as a baby, on a completely different 3D planet; they can choose to go back to Earth in the near future now a 4th dimensional planet, in their 4th dimensional human form, or they can choose to go to another 4th dimensional planet.

"6. What about work?"

"ANSWER: Yes. People will choose and follow a career path that is suited to his/her own strongest, unique gifts and abilities. At around 8,000 years of life, some people retire earlier like at 6,000 years, people start to retire from "full time" work. They decide to pursue new different interests that fascinate them. Please understand, there is also much greater freedom in the learning and working process in 4D life, as compared to 3D life. Again, these years are given in Earth terms so that you can have some current frame of reference.

"7. What about 4D work? How, what are people paid?"

"ANSWER: However, here is where there is a big change. The people on virtually all worlds thriving and living in this density of life throughout the universe have their basic needs taken care of. Money does not exist. People do not get paid money. The economic system Earth will have is expected to evolve to a model based on the pure trade of goods and services, an exchange process. In your simple terms today you would know this as "barter". It is expected it will take about 10-12 years of current Earth time for your present, broken economic system based on money! to evolve to this new system based on trade. It is expected that many of your most forward thinking people, futurists, will come together on a formal advisory board to discuss the key aspects of this new system.

"8. What about Education?"

"ANSWER: It formally starts at age 3, again, this is an Earth time comparative reference. The parents bring the child to the grand parents. The first lesson the child has is to learn to appreciate & live with all of nature. This is 'pre-school', if you will, the child will have 2 years of this kind of training. The child will then begin more formal training of their natural mental abilities, they will be telepathic at birth. They will be taught to understand the language of symbols, have language training, then history, geography, biology, astronomy - then star mapping, mathematics, engineering, astrophysics, and for certain adept children - training their natural 'healing' abilities, this is about energetic sensing &

atunement/adjustment. This all happens from 'primary school' all through 'high school', to use current Earth references. By the time people are between the ages of 13-15 years of Earth time, early teenagers, people know intuitively what their natural gifts are! what they are destined to do. Then, depending on which natural strengths or abilities each person has! they will then go on to a specialized university.

"9. So, how much education?"

"ANSWER: In Earth terms: fifty (50) years of combined grammar & high school. Another 50 years of university, minimum. For people who want to be highly specialized, like at a masters & doctoral level, potentially between another 50-100 years depending on the person's specialization, totaling 150-200 years of formal education. As an example, Zoltar, the commander of the primary Andromeda Council biosphere where many of the council meetings are held, his education was very technical, he has 300 years of education.

"10. What about marriage?"

"ANSWER: We expect the norm will be that people will get married at the Earth equivalent of about 20-25 years old. This is typical on other 4D planets. This would translate into the ages of 1,000 – 1,500 of 4D time. Some people can decide to get married later. Some people can decide not to get married.

"11. What about sex. Will it be still enjoyed the same way?"

"ANSWER: Yes. Men & women will still have the same physical reproductive organs. All of the parts on men & women will all be in the right places. And Earth people will still be able to enjoy sex the same natural ways as you do now. But, not for the purpose of creating a baby.

"12. Well, what about the process to create a baby. isn't it similar to our current method of physical sexual procreation?"

"ANSWER: No. As a 4th dimensional person, the process to create a new life form, a baby, is the following: the man and the woman first face each other to get into 'sync' with each other, they then each open all of their chakras! each using the total energies of their unique life force projected through their charkas, each person connecting with the other! all the way up to the 3rd eye chakra. Each person extends his/her arms outstretched to the other person, his/her life force flowing from each, palms open facing the other person with a space provided between the palms! with the intent to bring a new child into their lives. They will need to continually focus to create and bring to completion the formation of this new life. They will see crystal like, light blue energy sparks, much like those you see from your "sparklers", falling' down like 'snow flakes' taking the form of a bright bluish ball of light, coalescing into the form of a newborn baby, but it looks more like a child of 6 month years old of Earth time. As this occurs the parents will need to move their hands downward, still open in a 'cupped' position facing upward to hold the formation of their new child's body. Of course, the birth of a child is one of the most beautiful creations imagined. The total time once people sync-up with each other, continuing the focus to create the baby is: 20-25 minutes. They have to keep focused until the baby is fully created and formed.

"Babies must have food at birth to absorb the energies of food to sustain them. This goes on for about: 10 years, much like when 3D human babies stop breast-feeding. After this period

each child will be able to generate enough self-sustaining energy! without the need to eat food. Just like an adult.

"13. What will be the primary natural gifts & abilities of 4th dimensional Earth humans?"

"ANSWER: 4D Earth people will be natural telepaths! Even at birth. Telepathy – the ability for people to communicate with one another, one person's mind – to – another person's mind, simply using the natural strength of each person's mind. Spoken words using your vocal cords are possible, but will not be necessary. Please consider, Earth people today only utilize about one tenth (1/10th) of their total mind capacity. A 4D Earth human will be utilizing virtually all of his or her total mind capacity during normal day-to-day activities. Yes, the power of the mind is very strong in the 4th dimension.

"Other natural 4D human traits include: Levitation – each person's ability to float, to virtually 'walk on air', you will not need to touch the ground.

Telekinesis – the ability to lift objects and move them around with your mind.

Teleportation – you can literally transport yourselves on your own, without technology. You will literally 'think' of where we want to go, and you go there. Instantaneously. As 4D humans this ability is pretty much limited to transport from one spot on Earth, to another.

"14. What about enhanced 4D human vision and hearing?"

"ANSWER: Absolutely! Your seeing and hearing becomes very acute, both of these become far ranging in terms of miles. And you will have the ability to 'zero in' a particular object, or hear a particular sound, simply by focusing. Both familiar & unfamiliar, you will be able to zero in on any object or sound that you want to.

"15. What will be the more advanced natural gifts & abilities of more gifted 4D humans?"

"ANSWER:

Teleportation – skills from the prior teleportation definition, and in addition, you will also be able to teleport yourselves long distance, from Earth to another planet in Earth's solar system.

Transformation – you will be able to change your physical appearance, your look, color, height, sex! everything about your appearance. You can change your form at will, not any need any technology to do it! simply by using your advanced 4D mind.

Andromeda Council medical teams will make numerous people available to train Earth humans how to become familiar & comfortable with their new natural abilities! if they would like assistance.

"16. Are there any distinct differences between people living a 4th dimensional life. and people living a 5th dimensional life?"

"ANSWER: Yes, the 5th dimension, many people have asked about this. Keep in mind each dimension, each density, has 12 octaves. In octaves 1-6 of the 5th dimension people have all

of the above listed traits, and they function each on their own as an individual unique consciousness. Just like any one person.

"About half way through the 6th octave people attain the ability to join a group consciousness that has a particular specific area of interest, if they want to. Each person can do this at will and merge into a 'soul group', work together for a while, and then separate again when he or she wants to. Sort of like when 3D humans work together on a work project for the life cycle of the project, and then separate again once the goals of the project have been accomplished. A similar analogy can be drawn here as well.

An example may be - a group of people who want to get together because they have an interest in plant life on different worlds. Together they can travel to another world to study that world's plants. This is only one example. There are countless.

"A big difference, a key difference, in 5D people is that they do not require ships or technology to travel from one galaxy to another! they can create & perpetuate their own protective shielding without technology, split apart when needed, and come back together."

How to evaluate the reality of the reported Andromeda Council scenario for key aspects of 4th dimensional human life on a 4D Earth

1. No independent evidence – As Tolec has stated in a previous [Sept 30, 2011 ExopoliticsTV interview](#), there is no independent evidence of the actual communications from a reported Andromeda Council extraterrestrial representative regarding a scenario for transformation of the solar system and of the Earth to a 4th dimension, and the nature of key aspects of 4th dimensional human life on a 4D Earth. What we have are Tolec's communications to us of experiences and communications he is having with the reported Andromeda Council extraterrestrial representatives themselves. One can evaluate the possible reality of the reported Andromeda Council scenario for transformation to a 4D Earth by testing its congruence with other independent findings or reliable assertions.

Please see: *Molecular & Cellular Transformation to a 4D Earth*

<http://www.examiner.com/exopolitics-in-seattle/andromeda-council-transformation-to-a-4th-dimensional-earth-life>

2. Destruction of Underground bases by Andromeda Council frequency weapons - As Tolec stated above, "The Council has been very busy, as evidenced by the work of our people from the Procyon star system since late August - using highly pin-pointed, highly focused sonic beams to destroy the underground bases & tunnel systems in Virginia, Colorado, New Mexico, Nevada, and others, to clear out the remaining Reptilians & Greys on Earth. I, Tolec, have been saying this for six (6) straight weeks now. We are now also progressively working in other areas around your planet to clear out the remaining underground & undersea Reptilian & Grey operational bases. But, the area of the United States had the highest concentration of these malevolent beings. It needed to be addressed first. Job done."

Ever since Tolec's [initial statement](#) on Sept 12, 2011 that Andromeda Council frequency weapons had caused the tectonic events and destroyed the DUMBS, David Wilcock and Benjamin Fulford have now changed their original analysis that human nuclear weapons

wielded by "White Hats" in the intelligence agencies had destroyed the DUMBS (Deep Underground Military Bases) under Washington, DC, Denver, Colo and elsewhere.

Thus researchers David Wilcock and Benjamin Fulford belatedly acknowledge a scenario congruent with what the Andromeda Council's representative has been stating from the start - that the Aug. 23, 2011 Virginia 0.1 km deep "earthquake" and other accompanying "tectonic events" under Denver, Colorado and in the areas of U.S. secret DUMBS were in fact attacks by Andromeda Council frequency weapons to destroy that Orion grey and Draco reptilian facilities at this locations, and to use interdimensional portals ("Stargates") to send the offending Orion greys and Draco reptilians to a far location in the Universe.

This admission and acknowledgement by researchers David Wilcock and Benjamin Fulford appears to lend credence to the Andromeda Council scenario of the end of the Orion grey and Draco reptilian occupation.

In David Wilcock's latest communique, *"Disclosure Imminent? Part II: Many More Bases Destroyed"*, Mr. Wilcock writes:

"THE UNDERGROUND BASES

"According to our best, most trusted insiders, these same "tree-hugging" ETs have now been clearing out underground facilities around the world. The first two were near Washington, DC and Denver, Colorado.

"This occurred on the same day my new book, *The Source Field Investigations*, was released. This was a great shock to me as the story began coming together over the following weeks.

"As I explained in Part One, and as Fulford's sources confirmed, each of these bases were destroyed by an explosive force that caused massive surface earthquakes -- including the largest East Coast earthquake in a century.

"These earthquakes had very unusual properties that were identical to what we see after underground nukes have been detonated. However, we also now know that no radiation was involved.

"EVERYTHING APPARENTLY GOT PORTALED OUT

"Audio recordings of what occurred inside these bases were captured before their destruction.

"As a result, the insiders now know that for 24 hours before each of these bases was destroyed, they heard massive sounds of sliding furniture -- and people yelling and screaming.

"Part of what is so strange about this is that even tables that were bolted to the floor were unscrewed and removed. All that was left behind was furniture that was broken.

"By putting two and two together, it appears that massive portals were created inside these bases. All the materials and all the personnel were pulled out before the first two facilities were destroyed.

"The destruction, as I said, was apparently caused by a spontaneous 20-fold increase in air pressure.

"SIX MORE BASES WERE SUBSEQUENTLY WIPED OUT

"The next reliable piece of information that came in was that the Powers that Were refused to surrender, even after this very impressive show of invincible force.

"I have been told that the amount of equipment -- including craft that would have been used to fake an alien invasion -- that was cleared out in the first two events alone was enough to constitute a critical, irreversible defeat for them.

"Nonetheless, they still refused to give up. Perhaps they've watched too many sports games and still want to live by the old adage that "it ain't over 'til it's over."

"Six additional bases, not restricted to the United States, were then cleared out after the first two.

"We do not know when this happened, where it happened, and whether or not they were physically destroyed -- only that all the materials and personnel were removed."

3. Description of key aspects of 4th dimensional life - such as telepathy, telekinesis, transformation and teleportation - appear to be congruent with research on the nature of the human 'afterlife' or 'Inter-life'. The Andromeda Council communications' description of key aspects of 4th dimensional life seems in significant respects to be congruent with scientific descriptions of the human afterlife or 'Interlife', as described in over 7000 cases of hypnotic regression of soul memories of the human afterlife or interlife.

Please see: *Human souls common to extraterrestrials and earthlings, researcher says*

<http://www.examiner.com/exopolitics-in-seattle/human-souls-common-to-extraterrestrials-and-earthlings-researcher-says>

One function of the transformation via dimensional shift from a 3D Earth to a 4D Earth, if valid, appears to be the 'upgrading' of Earthly life to eliminate physical death ("And death shall have no dominion"), and shift the entire solar system including Earth in to what was formerly described by religious traditions as "Heaven" or "Paradise". From this point of view, the transformation via dimensional shift from 3D Earth to a 4D Earth would indeed be perceived by 4D humans as the landing of 'Paradise on Earth'.

UPDATE 26 october

Andromeda Council destruction of reptilian bases under Washington, DC, Denver and other DUMBS

These ongoing Andromeda Council police actions against reptilian undersea bases off the Middle East and China are similar to sonic energy beam weapons actions that resulted in the destruction of underground Draco & Hydra reptilian bases under Washington, DC on August 23, 2011 and later under Denver, CO, and in the south-west U.S. Independent researchers have confirmed that these deep underground military bases (DUMBS) were destroyed by advanced ethical extraterrestrials using advanced frequency weapons.

Andromeda Council: War with grey-Draco reptilian ETs is won, no false flag ET invasion

<http://www.examiner.com/exopolitics-in-seattle/et-council-war-with-grey-draco-reptilian-ets-is-won-no-false-flag-et-invasion>

The Middle East reptilian undersea base

In his ExopoliticsTV interview, the Andromeda council representative stated, “[The base] is located in the area of the Gulf of Aden. This gulf is located in the Arabian Sea between Yemen, on the south coast of the Arabian Peninsula, and Somalia in the Horn of Africa. In the northwest, it connects with the Red Sea through the Bab-el-Mandeb strait, which is about 20 miles wide.... As you may or may not know the “vortex” phenomena also happened in this body of water, the Gulf of Aden.”

As to the purpose of destroying the reptilian base off of the Middle East, Tolec states, “But, taking out the Reptilian base on the floor of the ocean south of the Saudi Arabian, UAE, Yemen, Oman peninsula is a priority, a much more pressing matter. The reason is simple. As you know, Earth’s history continues to repeat itself year after year. The squabbling, the skirmishes in this region, these have gone on for thousands of years. And the original reasons for these skirmishes have gotten blown way out of proportion. With help from the Reptilian undersea base, as you can understand.

“And, the constant ‘bombardment’ of this region with a highly disruptive -agitation, confusion, anger & fear based sonic energy beamed from the transmitter from this specific undersea base’ continues to escalate the possibility of full blown war in this region. Constant fighting, constant irritation, constant bickering’ even among their own people. And they don’t even realize what is going on. They don’t even know the reason why - The undersea base with its transmitter.

“In closing, I’m going to quote the commander of primary Andromeda Council biosphere, when I asked him about this situation, he said,

“‘The people in this area are being played much like what you call ‘pawns on a chess board’, and they have no knowledge as to how, why, or how long this has taken place. We have to and we will put a stop to this. This undersea base will be taken out.

”‘Yes, outside parties, with outside interests, have attempted nuclear strikes in order to start a full-scale war in this region. Which we have stopped, disabled and neutralized their bombs, a few times. Yes, we had a ‘hand’ in this.

""Understand, a full-scale nuclear war cannot and will not happen in this region. We will not allow actions that permit nuclear war to start by either side. The impact would be far too great to your planet, your people, and the rest of your solar system. What you do on Earth affects us all.""

The reptilian undersea base off China

Tolec explains the goal of the destruction of the reptilian base off China as follows, "This undersea base is also in deep water, much like the undersea base in the Middle East region. This base is thousands of feet deep in the ocean off of the coast of China' it's a about (1) mile down located on the ocean floor.

Tolec states, "This specific base has also been here a long time, in operation for about 3,000 years. This base, like the one in the Middle East, has also beamed a very focused, very specifically attenuated fear based frequency. It's a different sonic frequency but it works the same way, beamed right toward the Asian mainland meant to keep the people, the population of China, of this whole region as best as possible, in a place of constant emotional fear, intimidation, anxiety & control. For years these people have been highly manipulated & highly 'controlled' in a constant state of fear for their lives, mode. They have so few freedoms, living under the strict regime of the government. Even if this specific transmitter is set at a low level, it's still effective. It's turned on for approximately 30 minutes at a time. Like the undersea transmitter in the Middle East, it also rotates. Its reach is also long range & can affect the Korean Peninsula, China, Vietnam, Laos, Cambodia and other countries in this region.

Tolec concludes, "This is the intent of this specific energy frequency: control & manipulation through continually perpetuated fear & anxiety. Which of course generates more fear. But lets ask why. This is more important, why? Well, the Reptilians & the Greys soak up, they literally feed off of negative energy, negative emotions – like anxiety, fear, terror, much like the human drug classification of – amphetamines. The Reptilians, they crave this human emotion fear, as a consumable, as one food source. As with any drug, the more they have, the more they want."

FAQ: Transforming the earth. Removing deadly undersea bases from the Middle East & China

Tolec, the representative of the Andromeda Council, provided a detailed FAQ setting out the Andromeda Council approach and goals in destroying the Draco and Hydra reptilian bases off

the Middle East and China, as well as the location of these bases and the ultimate positive impact on humanity of destroying these bases. Illustrations of each geographic area continuous to each specific Draco & Hydra reptilian undersea base are provided in the special slide show in this article.

Introduction

www.andromedacouncil.com

See “FIG A – Asia” above and in Slide show.

QUESTION: Tolec, you’ve consistently said since early September of this year [2011] – that people primarily from the Procyon star system, and assisted by others affiliated with the Andromeda Council, have been ‘taking out’ & collapsing the Reptilian & Grey underground bases, first the one in Virginia back in late August and soon after others across the U.S' Reptilian & Grey underground bases operated in part by certain military factions of the ‘Powers that Be/Were’, the Illuminati, etc. – and you’ve consistently said that highly focused, directed & pinpointed sonic beams have been used to collapse these bases;

QUESTION: 1.) How exactly do they, the people from Procyon, do this?

ANSWER: Well, Alfred, please keep in mind, this conversation is simply an extension of our very first discussion about the war in space. For people who are hearing this information for the first time they can listen to the first interview & discussion we had which focuses on the outcome of the war in space, and/or refer to page 4 of the Andromeda Council web site:

<http://www.andromedacouncil.com/page04.html>.

It’s titled – “The Real ‘Back Story’ – The Reasons for Change. The War in Space is Over”. It’s a good brief summary.

This specific police action of taking out Reptilian & Grey underground bases' it’s the continuance of a cleanup operation down here on Earth' that’s the final phase of a proxy war the star systems & planets of the Andromeda Council have fought & won to free the people of planet Earth' in first defeating these malevolent aliens out in space. Especially these Draco & Hydra based Reptilians. Everything I’ve learned about these highly intelligent, but really bad, vicious species, these specific Reptilians' indicates they are overall very mean, vicious, calculating, manipulating, literally ‘cold blooded’ in their actions' and very self centered. They generally don’t care about anyone else unless it serves their purposes. And for years they’ve simply perceived us humans on Earth, and perceived our planet, as natural resources' to be consumed.

Back to the actual technology -it’s technology the people of Procyon have developed & successfully used. They’ve used this technology as one of the means to help liberate themselves from the Reptilians & Greys in their own war' in which they won their freedom about 12 years ago.

So, as to using this technology to take out the bases – the people from Procyon use highly focused, directed & pinpointed sonic energy beams, specifically attenuated & adjusted to certain specific frequencies, meant to do two (2) things:

a.) Disrupt & disable the mental thought patterns, the brain waves, of Reptilians & Greys that were either controlling, manipulating and/or enforcing a secretive -scientific, administrative, operations & soldier work force in these bases. For this effort they used one specifically highly attenuated, high frequency, sonic beam that would

Incapacitate them. The humans in these bases, on the other hand, would not hear this sound, did not hear this sound, nor would they be affected by it. And as you know, humans were removed from these facilities.

b.) The second goal was meant to obliterate, destroy, and collapse the physical structure of these underground bases. It was meant to ensure these bases would become completely inoperable, and closed off. For this effort the people from Procyon used a highly concentrated, but much lower frequency & far more compressed sonic beam' meant to destruct matter. It does the job quite well. They thumped these bases pretty good. No more operable bases.

QUESTION 2.) You recently said they've had very good success in taking out many other bases around the globe, that it's been pretty easy going actually. But you also said they're having somewhat of a challenge with a couple of specific bases. Can you talk about these?

ANSWER: I sure can, but only in some detail. I don't want to speak about specific locations, and I don't want to give away any strategic or tactical information I know about' in terms of the Andromeda Council's plans to take these bases out.

See "FIG B – Middle East – Gulf of Aden", Slide show

QUESTION 3.) You've told me the Middle-East region has an undersea base. What can you tell me about this particular base?

ANSWER: Well, first off, it's located in the area of the Gulf of Aden. This gulf is located in the Arabian Sea between Yemen, on the south coast of the Arabian Peninsula, and Somalia in the Horn of Africa. In the northwest, it connects with the Red Sea through the Bab-el-Mandeb strait, which is about 20 miles wide. Because of what I've learned from my Andromedan contacts about this matter, I did some research & found out that the Gulf of Aden is already a dangerous area known as "Pirate Alley" because of the historically large amount of pirate activities located here. I've sent you a Google photo & a simple map of this area. As you may or may not know the "vortex" phenomena also happened in this body of water, the Gulf of Aden.

Further, my Andromedan contacts have told me this base is deep, thousands of feet underwater, about a mile & a half (1 •••) deep. And this base has for years beamed a very specific, highly irritating & highly agitating, fear based & anger inducing, attenuated sonic frequency' right at the area of the Middle East, due North-Northeast' to keep the people in this area in a constant, high state of emotional confusion, fear, agitation, anger & aggression.

They've shown me, there is a transmitter that literally rises out of the ceiling of this base, much like a periscope in a submarine, and it rotates. A particular frequency is chosen which

turns people against each other. Then the Reptilians turn it on. They turn it on almost every day. However, if people were underwater, or standing on the land, they would not be able to this frequency, this beam, with their own eyes. It's sonic, a sound frequency. And, it's out of our spectrum. But, this is how the Reptilians dominate & control these people. This particular base has been in operation about 5,000 years. And the highly agitating sonic vibratory energies beamed from this base also reach as far as Syria, Iraq, Iran, Afghanistan, Pakistan and a bunch of other countries in the region, including Israel and Palestine. This is powerful technology that is very far ranging, reaches a very long distance' serious long-range capability. And it only takes about 15 minutes of operation, of this transmitter being on & activated' for people in this area to start to feel its effects. Explains a lot doesn't it.

QUESTION 4.) You've told me there is a base off of the coast of China. What can you tell me about this operation?

ANSWER: Yes, this undersea base is also in deep water, much like the undersea base in the Middle East region. This base is thousands of feet deep in the ocean off of the coast of China' it's a about (1) mile down located on the ocean floor.

This specific base has also been here a long time, in operation for about 3,000 years. This base, like the one in the Middle East, has also beamed a very focused, very specifically attenuated fear based frequency. It's a different sonic frequency but it works the same way, beamed right toward the Asian mainland' meant to keep the people, the population of China, of this whole region as best as possible, in a place of constant emotional fear, intimidation, anxiety & control. For years these people have been highly manipulated & highly controlled' in a constant state of fear for their lives, mode. They have so few freedoms, living under the strict regime of the government. Even if this specific transmitter is set at a low level, it's still effective. It's turned on for approximately 30 minutes at a time. Like the undersea transmitter in the Middle East, it also rotates. Its reach is also long range & can affect the Korean Peninsula, China, Vietnam, Laos, Cambodia and other countries in this region.

This is the intent of this specific energy frequency: control & manipulation through continually perpetuated fear & anxiety. Which of course generates more fear. But lets ask why. This is more important, why? Well, the Reptilians & the Greys soak up, they literally feed off of negative energy, negative emotions – like anxiety, fear, terror, much like the human drug classification of – amphetamines. The Reptilians, they crave this human emotion fear, as a consumable, as one food source. As with any drug, the more they have, the more they want.

So, you can see why a base like this is so important to the Reptilians & Greys' as it controls a very large population of people, the people of the country of China, and a good portion of the Asian continent. Think of this, a whole population of people, controlled, manipulated and monitored - held in check in a constant state of fear.

That's a huge source of 'food' or if you will, of a drug.

So, if this base off of the coast of China gets taken out like many of the other bases, then you take away the reason for the need for the control & the fear. You eliminate the source of the problem.

No base, no Reptilians & Greys. No base, no need for perpetual control & fear. Pretty simple.

QUESTION: 5.) Can you tell me why these specific bases are more problematic than any others - are more of a challenge to take out?

ANSWER: Both of these bases, the one south of the Saudi Arabian, UAE, Yemen, Oman peninsula, this is the one in the Gulf of Aden, and the one off of the coast of China -both are well fortified, re-enforced fortresses, if you will, deep under water bases located on the ocean floor. Each is a large operational, underwater base with a domed roof, and an energy shield protecting each base. They are simply well protected.

A Matter of Importance

But, taking out the Reptilian base on the floor of the ocean south of the Saudi Arabian, UAE, Yemen, Oman peninsula is a priority, a much more pressing matter. The reason is simple. As you know, Earth's history continues to repeat itself year after year. The squabbling, the skirmishes in this region, these have gone on for thousands of years. And the original reasons for these skirmishes have gotten blown way out of proportion. With help from the Reptilian undersea base, as you can understand.

And, the constant 'bombardment' of this region with a highly disruptive -agitation, confusion, anger & fear based sonic energy beamed from the transmitter from this specific undersea base' continues to escalate the possibility of full blown war in this region. Constant fighting, constant irritation, constant bickering' even among their own people. And they don't even realize what is going on. They don't even know the reason why - The undersea base with its transmitter.

In closing, I'm going to quote the commander of primary Andromeda Council biosphere, when I asked him about this situation, he said,

“The people in this area are being played much like what you call ‘pawns on a chess board’, and they have no knowledge as to how, why, or how long this has taken place. We have to and we will put a stop to this. This undersea base will be taken out.

"Yes, outside parties, with outside interests, have attempted nuclear strikes in order to start a full-scale war in this region. Which we have stopped, disabled and neutralized their bombs, a few times. Yes, we had a 'hand' in this.

"Understand, a full-scale nuclear war cannot and will not happen in this region. We will not allow actions that permit nuclear war to start by either side. The impact would be far too great to your planet, your people, and the rest of your solar system. What you do on Earth affects us all.”

Anything else I might say about this situation would get into tactical or strategic information. I can't and won't do this.

The goal is simply to put an end to the mostly unknown, unaware 'enslavement' of the people of Earth.

And the end of this war in space is concluding with the destruction of the underground & undersea bases on Earth, and removal of these malevolent Reptilians and their regressive Grey associates from our world.

Earth IS our planet. And we have a right to be free, sovereign people.
